DEDICATION

B. GRAHAM ROGERS

To know Graham Rogers is to appreciate him. He has been a loyal Baptist for the greater part of his life, and he is recognized throughout Piedmont North Carolina as a denominational leader.

A native of Granville County, North Carolina, Graham lived also in Randolph and Chatham counties prior to coming to Alamance County in 1962. He is married to the former Ruth King, and they have five children and six grandchildren.

For more than 20 years Graham was a member of the First Baptist Church of Graham, North Carolina. He was not content however, just to be a nominal church member. His Christian friends, recognizing the depth of his commitment and his native leadership ability, elected him to be one of their leaders. He served his congregation as deacon, chairman of deacons, finance committee member, personnel committee member, department director, Sunday school teacher, and choir member.

In 1965 Graham was elected treasurer of the Mount Zion Baptist Association. He served faithfully as associational treasurer until he moved to Washington, D.C. in September of 1981. As associational treasurer, he also was a member of the finance and missions committee.

Prior to moving to Washington, D.C. in September of 1981, to assume new responsibilities as a senior officer in the Farm Credit Administration, Graham had served as president of Central Production Credit Association, Graham, North Carolina for 22 years where he distinguished himself as a progressive leader in the area of agri-business. Central Production Credit Association is numbered among the top five such associations in the nation.

Some of his previous civic and professional affiliations have been: past president of the North Carolina Cooperative Council, past president of the Northern Piedmont Area Development Association, past president of Graham Rotary Club, and a director, having been a Rotarian for 17 years, chairman of Alamance County Advisory Extension Council, awarded "Boss of the Year" by Graham Jaycees in 1974, member of the board of adjustments for the city of Graham, and frequently called upon by North Carolina State University at Raleigh to participate and lead agricultural seminars.

It is with grateful appreciation and great admiration for a friend and fellow Christian that Mount Zion Baptist Association dedicates its 1981 book of minutes to Graham Rogers.

The Mount Zion Baptist Association

(Adopted October 23, 1979)

PREAMBLE

We, the Baptist churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the state and Southern Baptist Convention, according to the following articles:

ARTICLE I — NAME

The name of this body is the "Mount Zion Baptist Association."

ARTICLE II — PURPOSE

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the counties of Alamance and Orange in North Carolina.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its constitution and bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgment of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the Association. In any other case a church may be received under watchcare of the Association.

ARTICLE IV — MEETINGS

Section 1. The Association shall meet quarterly on the Monday after the second Sunday in January, April, and July. In October the Association shall meet on Tuesday and Wednesday after the third Sunday.

Section 2. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

Section 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings, and shall be responsible for providing churches with sufficient notice of change.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

ARTICLE V — AUTHORITY

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist body, whether church or auxiliary organization.

ARTICLE VI — OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be *Moderator, Vice Moderator I, Vice Moderator II, Vice Moderator III, Vice Moderator IV, Clerk, Treasurer, Music Director, Auditor, Historian, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, and Coordinator of Youth Activities.*

Section 3. Officers shall assume their duties at the close of the April meeting and serve until the next April meeting, or until their successors are elected.

Section 4. Any person having served two terms as Moderator shall be ineligible for re-election for a period of two years.

ARTICLE VII — TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one of whom should be an attorney, serving terms of six years each on a rotating basis. Upon nomination by the Committee on Nominations, one new trustee shall be elected at the April meeting in each EVEN year to fill the vacancy created by the expiration of the term of one of the three. No trustee is eligible for a second term of service until after a lapse of two years. The expiration date of each trustee's term of office shall appear in the Associational minutes.

ARTICLE VIII — THE COORDINATING COUNCIL

The Coordinating Council shall be composed of the Moderator, the four Vice Moderators, and the Director of Missions. The Coordinating Council shall be responsible for coordinating and directing all the work of the Association, including long range planning. 8. Howard Silver recognized the following pastors for 20 years of service to their respective churches: Frank Haith, Altamahaw; Ralph Jones, Graham, First. He also recognized former moderators of our association: Ralph Jones, Carlton Prickett, James Dunn, and the following new pastors who have been called to serve in our association: Robert Costner, Colonial Hills; Arthur Bishop, Edgewood; Norman Harris, Mount Adar.

9. Maynard Ellington who represents our association on the General Board gave an update concerning the sale of our Baptist headquarters building in Raleigh, detailing the five options to be presented at our state convention in November.

10. The messengers and visitors sang the hymn, "Blessed Assurance."

11. The treasurer's report was given by Thomas B. Vines as shown on pages 22-23, Book of Reports. He made a motion for adoption and this motion was adopted. Vines also referred the body to the finance committee report on page 12, Book of Reports, and made a motion that it be adopted. This motion was also adopted. He asked that those present study the proposed budget for the 1982 on pages 24-25, Book of Reports and come prepared to vote on this proposed budget Tuesday evening.

12. Howard Silver explained our associational structure (page 4, Book of Reports), with five task forces. He recommended that the quarterly meeting scheduled for

April 12, 1982 be changed to April 19, 1982 due to Easter Monday being April 12 and our revivals "Here's Hope" in Mount Zion Association being scheduled for the first two weeks in April. This recommendation from the Coordinating Council was approved.

Tuesday, October 20, 1981

ANTIOCH BAPTIST CHURCH

18. Moderator Terrell K. Duncan called the meeting to order at 7:00 p.m. welcoming messengers and guests.

19. Charles Surles led the group in a medley of songs, "Jesus Loves Me," "Jesus is the Sweetest Name I Know," "His Name is Wonderful."

20. Special music was rendered by the Cornerstones, composed of Charles Surles, Pam Sparks, and Betty Medford. They sang, "What's Wrong With My Children," and the "Doxology" special arrangements.

21. William Cannon, pastor of Antioch Baptist Church, welcomed those present and led a devotional period.

22. Terrell K. Duncan called attention to the steering committee report on page 20, Book of Reports, concerning an offer of property to the association by Mr. John T. Childs of Route 2, Hillsborough.

RECOMMENDATION 1: That the association respectfully decline Mr. Childs' offer, and express to him grateful appreciation for his willingness to sell property to the association.

RECOMMENDATION 2: That the association authorize the formation of a long range planning committee to plan and project future associational ministries. The committee feels that acceptable long range plans will establish goals, and give direction to the association's work and witness in the years ahead.

Both recommendations from the steering committee were approved.

23. Thomas Hill, chairman of the missions committee, brought a recommendation to secure a part-time chaplain for the two prison units within our association, Graham and Hillsborough. This chaplain would work approximately 20 hours per week. A complete description of the recommendation is on page 8, Book of Reports. Hill moved for adoption and the recommendation passed. The second recommendation was to increase the hours of our volunteer coordinator from 10 to 20 hours per week with funding to be \$1,964.00 from the association, and \$3,600.00 from our state convention. The title is to be changed to part-time director of Christian social ministries. Hill moved for adoption and this passed.

24. Thomas B. Vines, a member of the finance committee, presented proposed 1982 budget shown on pages 24-25, Book of Reports, and moved for its adoption. This motion was passed.

25. Curtis Tyler, nominations committee chairman, presented the name of William W. Donaldson of Fellowship Baptist Church to serve as associational treasurer. Donaldson was elected as treasurer.

26. The hymn, "He Keeps Me Singing," was sung by those in attendance.

27. Curtis Tyler called attention to the seminary extension report on page 17, Book

of Reports. He advised that seminary extension is now being developed by our conventions in prisons which is a unique method of presenting the gospel to those men who are incarcerated. They are given credit for this course. He advised the body that there is one now at the Hillsborough unit who has been certified. He called for volunteers with proper college credit to help with this teaching. Tyler moved for adoption of this report and it was adopted.

28. During the time for miscellaneous business the moderator reported 172 in attendance on Monday evening. Phillip Norwood, a member of the constitution committee, made a motion that authority be given that committee to look at our present organization to see if it can be compacted into one meeting in October rather than three meetings. This motion was passed. Tom Denton requested all members of the resolutions committee to meet with him at the close of the meeting. Howard Silver announced receipt of a letter from the pastor of New Hope Baptist Church, Randy Hobbs, requesting removal of that body from our association. The letter reads in part as follows:

I am writing in regards to our removal from the association. Due to the fact we were not meeting our missions budget, the deacons and myself met together and decided to drop some areas of support.

Because of our limited participation in the Mount Zion Association we felt that this was one of the areas we wanted to drop. Our church by majority vote in our quarterly business meeting agreed to be removed from the Association.

Mona Silver, chairman of the committee on enrollment, reported 130 registered from 31 churches at this meeting.

29. Calvin Knight, a representative of Baptist Hospital, brought a brief report of our work there, a full report being on page 31, Book of Reports. Knight mentioned several new processes and/or machines now being used there but gave God credit for all of the healing. He stressed the fact they did try to minister to the whole person.

30. Beverly Alford introduced Phyllis Thomas, missionary to Chile, and formerly on the staff of Grove Park Church. Thomas stated "We are ordinary people who serve an extraordinary God," and "We are all missionaries and the world is our field."

31. The hymn, "Jesus Is All The World to Me," was sung by those in attendance.

32. The Cornerstones rendered the selection, "Adoration."

33. The annual sermon was preached by Dr. Roy Taylor, pastor of Grove Park Baptist Church.

34. During a time of special personal commitment those present sang, "Breathe On Me."

35. The meeting was adjourned with prayer by Dr. Taylor.

Four resolutions were presented and adopted, being shown elsewhere in these minutes: a. appreciation b. social concerns c. racial intolerance d. public education. These resolutions were adopted. 57. The hymn, "Love Lifted Me," was sung by those present.

58. Special music was rendered by Fonda and Alan Riley of Holly Hill Baptist Church.

59. Howard Silver referred to his report on pages 5-6, Book of Reports, stating some of the most difficult mission fields of our world are in the association. He challenged us to rise to the noble calling God has placed within people and churches in Mount Zion Baptist Association.

60. The meeting was adjourned with prayer by Howard Silver.

Director of Missions Report

It hardly seems possible that another associational year has come and gone. Yet it is true. Not only have the weeks and months turned into history, but the opportunities to minister in the name of our Lord that those weeks and months offered have slipped away also. Now this does not mean that we have not been faithful to our responsibilities as an association. The reports of our ministries found elsewhere in the Book of Advanced Reports attest to that. But, it does mean that we are to minister and serve in an attitude of intelligent urgency, acutely aware that opportunities to minister must be seized as they present themselves to us. To paraphrase our Lord, . . . the time is coming when no association will have either the time or opportunity to minister. (John 9:4,b.)

Recommendations and proposals for our cooperative ministry during the coming year are challenging, but they are within the realm of our resources and responsibilities. These recommendations and proposals will be transformed into valid and viable associational ministries if we are careful to nurture and strengthen three basic areas of our mutual relationships.

The first of these areas is mutual trust. While I am pleased by the depth of the trust level that we share, deepening our trust of each other is always a high priority. It is difficult, if not impossible, to trust people we do not know. Getting to know each other as churches and fellow Christians is the keystone of mutual trust, and our association provides the best opportunity we have for this. Thus, our meetings, cooperative ministries, pastors' conference, and training activities are all designed, at least in part, to help us to get to know each other better and to enable us to trust each other more.

If we are unable to learn to trust each other at the associational level, there is little hope that we shall be able to trust each other at the denominational level.

God has placed us in an era of diversity, and it may well be that the crucial factor which will determine the future effectiveness of our association is whether we are able to trust each other deeply while at the same time respecting differences that, to some extent, characterize all of us.

Another area of our mutual relationship that requires continuous nurturing is the awareness of our responsibility for local missions. Our association offers us the best opportunity that we have to respond to authentic missions needs within our own geographical area.

We have romanticized missions in distant and difficult places. As a rule, it is often easier to enlist people and provide financial resources for missions to be done elsewhere than it is to do missions at home. Perhaps the excitement of going and the challenge of difficult circumstances add energy and enthusiasm to our understanding of and commitment to missions.

This is not a criticism of missions ministries done in other locations, it is rather an appeal for us to make the same commitment to local missions that we make to missions in other places.

Ideally, there would be no competition between local, state, home and foreign missions. There is neither room nor reason for such. All that is needed and all that I am stressing is that we give associational missions the priority and resources it deserves. The Great Commission does indeed command us to go unto and into all the world, but the first step of this journey begins right here at home.

The third area of our mutual relationship that we must strengthen is our financial support of associational missions. I am grateful that more of our churches are realizing the validity and urgency of associational missions, and they are demonstrating this realization by making significant increases in their gifts to associational ministries.

It has been suggested that each church consider giving a responsible percentage, three percent to five percent, of undesignated tithes and offerings to associational missions. This seems to me to be a reasonable and responsible suggestion.

Each church will, of course, make its own decision regarding this suggestion. But, if each of our churches were to adopt this method of supporting associational missions, all needs would be met, and every aspect of our cooperative witness would be strengthened.

I am grateful for the opportunity to serve as director of missions, and I express appreciation for your confidence and cooperation. I look forward to a new year of work together, confident that God will bring to fulfillment the good work that he has begun in and through us.

Respectfully submitted,
J. Howard Silver,
Director of Missions

Quarterly Associational Meetings

The following is a condensation of minutes of the January, April, and July 1981 meetings.

On January 12, 1981 the association met with Graham First Baptist Church with C.W. Lee, vice moderator, presiding. There were 27 churches represented of the 102 persons present. Dr. Howard Silver, director of missions, introduced Rev. Harold Ball, new past of Eastlawn Baptist Church. Mrs. Louise Booth, W.M.U. director, announced a combined Home Mission Institute and Mission Action workshop for January 22 at Haw River, First sponsored by W.M.U. and brotherhood. She also called attention to our W.M.U. celebration of 75 years in Mount Zion and special emphasis to be given to it at our annual meeting March 17 at Graham, First. Our guest speaker was Dr. G. Thomas Halbrooks, professor of church history, Southeastern Baptist Theological Seminary. Dr. Halbrooks addressed the association regarding the current controversy within the Southern Baptist Convention concerning interpretation of the Bible. His purpose was to set the current controversy in historical perspective.

Our April 13, 1981 meeting was held with Grove Park Baptist Church and our theme was "Evangelism." C.W. Lee, vice moderator, presided. Treasurer Graham Rogers advised of our association having to borrow again to operate and called on churches to contribute more on a regular basis. Dr. Howard Silver spoke of our Bold Missions Stewardship Conference scheduled for April 21 with Hillsborough, First, and our Bible school clinics for April 27 at Mebane, First. He welcomed the following new pastors to Mount Zion Baptist Association: Chris Cannon, Antioch; Randy Gardner, Bethel; Phil Waugh, McDuffie Memorial. Officers for 1981-82 as proposed by the nominating committee and committee on committees were duly elected and they appear elsewhere in our printed minutes. Mrs. Louise Booth reported the Home Mission Institute and Mission Action Conference a great success with 118 men and women attending. Our March 26-28 literacy workshop had 46 receiving accreditation. Garry Baldwin, youth coordinator, announced a youth rally for April 28 and disciples seminar for May 14-16. Dr. Dale Steele, chairman of evangelism, spoke of our joint evangelistic crusade planned for 1982 by our state convention and black Baptist convention called "Here's Hope." Dr. Roy Taylor, host pastor, spoke from II Chronicles 7:14. He challenged us with these words, "Unless we get burdened for lost souls, 'Here's Hope' will fail."

Our July 13, 1981 Key Leadership meeting was held with Mars Hill Baptist Church beginning with a fellowship dinner at 6:30. One hundred twenty-nine

persons came from 29 churches. Conferences were held for all church officers led by associational officers who had trained at Ridgecrest. Dr. Silver announced Graham Rogers, treasurer for the past 16 years, would soon leave our area to work elsewhere. An engraved plaque was presented to Mr. Rogers as a token of our appreciation for his service. A special presentation "Excuses" written by Ed Palmer was given by members of Eastlawn Baptist Church. This humorous skit was so timely as we begin soon a new church year. Moderator Terrell Duncan led the closing prayer.

Sunday School Report

The Great Commission tells us that we must go into all the world and make disciples - spiritually reproducing. What means do we have for such a tremendous program? What training has prepared us for such an undertaking? How can we as individuals, or even as churches prepare, equip and then go forth to follow the leadership of Christ? Must we create yet another program to enable us to be disciplemakers?

Consider the example of a Sunday school teacher in the 1800s named Edward Kimball, who began making disciples in his class! Mr. Kimball was committed to reaching every lost youth in his Sunday school class. He was particularly burdened for one backward fellow, fresh from the farmlands, who had begun working in a nearby shoe shop. One day Kimball went to the shop and, in the back room, persuaded the young man to accept Christ as his personal Savior.

When describing the youth, Kimball said, "I have seen few persons whose minds were spiritually darker when he came into my Sunday school class, or one who seemed more unlikely ever to become a Christian of clear decided views, still less to fill any sphere of extended public usefulness." But the young man, Dwight L. Moody, went on to become known as a pioneer in modern techniques of mass evangelism and as a Spirit-anointed preacher whose message touched millions in North America and Europe.

Actually, it was during Moody's crusades in England when Kimball's chain of spiritual multiplication was mightily carried forward. More than one English pastor rejected the fiery visitor's approach to evangelism. One of them, the Rev. F.B. Meyer, was not taken at all with the crudeness of the unlettered, blunt evangelist. Yet even his heart melted when he heard two ladies, both Sunday school teachers in his own church, tell how they had been influenced by Moody's commitment to win all of the members of his own Sunday school class to Christ.

Those two women did reach all the members in their classes. Renewed by the Holy Spirit through the commitment of these women, Meyer joined in Moody's evangelistic meetings with wholehearted enthusiasm.

Moody later invited Meyer to the United States. Among those reached by Meyer's Bible teaching ministry was a struggling young preacher named J. Wilber Chapman, whose approach was so transformed that he, too, went into an evangelistic ministry.

Though he was used by God all over the world in bringing people to Christ, it was Chapman's own crusade advance man, a former clerk in the Young Men's Christian Association, who was to carry on Kimball's chain of multiplication. His name was Billy Sunday.

Sunday preached across North America with spectacular results. His crusade in Charlotte produced some converts who organized a prayer group that met for years, praying that God would continue the ministry of evangelism through the people of Charlotte. This group of praying men was led by the Holy Spirit to plan a citywide crusade. They invited Mordecai Ham, the cowboy evangelist, to speak. During one meeting, some teenagers were among those reached for Christ. They included a young man named Billy Graham. Only heaven will reveal the actual number of people reached through the chain of multiplying disciples - remember one Sunday school teacher wanted to reach his class for Christ!!

We can, we must, allow our Sunday schools to be THE main arm for preparing, equipping, and carrying out evangelism in our churches. We have an overwhelming abundance of materials available to us from the Sunday school departments and those who are willing and able to help us assimilate this material for the kingdom of God.

Respectfully submitted,
Thomas Gaskins,
Sunday School Director

Church Training Report

There are similarities between the state of church training in most of our churches and the state of the temple before King Josiah sent workers to restore it (II Chronicles 34). Even the most sacred book of the law had lain forgotten in the temple. Church training is a sacred treasure that needs rediscovering in our churches. It's time to dust it off and put it back to work, not as a relic of the past but as a driving force for the present and the future.

Listen folk, church training ain't what it used to be! It has been resurrected from the dull and routine and has been elevated into one of the most powerful discipling tools possessed by Southern Baptists.

Only 14 of the 41 churches in our association have ongoing church training programs. This is regrettable, especially since church training now has so many new programs and materials which can be of great significance to growing churches in the 1980s.

Church training seeks to train Christians in church membership. The survival kit is an 11-week practical guide to spiritual growth. Intended at first for new member training, this has proved to be of great value in helping other members take seriously the Biblical admonition to "grow in grace and in the knowledge of our Lord and Saviour . . ." (II Peter 3:18).

For those who seek short term training, the Equipping Centers are now available. The studies offered deal with family life, church life, and leadership, as well as other special interest topics. Most of these can be borrowed from our associational office.

We have our work cut out for us. However, with God's help, we can build a strong church training program in the Mount Zion Association. For the first time in years, we will have an association "M" Night on November 30, 1981 at Alamance, First. You will be hearing more about this in the near future. Also, this year, we are planning to participate in children's memory work on an associational and state level.

Please don't hesitate to contact me or the associational office if we can help you begin or strengthen church training in your particular church setting.

Richard S. Hipps, Director,
Church Training

Emergency Care Home Report

The Burlington Emergency Care Home served 41 children and their families during 1980. In addition to the quality of emergency child care other services were rendered including family counseling, problem solving sessions with families and children, and long term placement planning for children in care. Many families were reunited as a result of the emergency placement at the Burlington Emergency Home.

The Burlington Emergency Home will continue to be a vital resource for immediate child care placement in the future. The enthusiastic support from churches in

the Mount Zion Association and the countless individuals across the state make this ministry possible.

A word of thanks and appreciation is due to all the dedicated individuals who have supported the Emergency Care Home this past year.

Respectfully,
Wayne Drumheller, Director,
Burlington Emergency Care Home

Youth Coordinator Report

Assuming the role of youth coordinator in January 1981, plans were begun to form a youth workers support group. Area youth workers met on Tuesday, February 17 for a very successful meeting, sharing ideas and helps with each other. This became a monthly group and incorporated the summer youth workers during the summer months.

In cooperation with the Fellowship of Christian Athletes, over 400 area youth participated in the annual "Weekend of Champions" during the week of April 1-5. Also, on May 14-16, area youth and youth workers participated in a "Discipleship" seminar at First Baptist Church in Burlington which was led by Barry St. Claar from Atlanta.

As the year continues, so do the programs! My thanks to all who have helped!

Respectfully submitted,
Garry Baldwin,
Youth Coordinator

Volunteer Coordinator Report

On January 1, 1981, I assumed the position of volunteer coordinator in cooperation with the association and the state convention. This position had formerly been held Reu Kayle. With many areas of ministry already in process through the W.M.U., brotherhood, and other efforts (such as a ministry to singles, etc.), I chose to become involved in several basic areas with further expansion in the future.

Mount Zion Baptist Association had already begun a ministry of sponsorship of four Indo-Chinese persons. For A Mui Vong, our only woman refugee, we secured work closer to her apartment (852 South Main Street) at the Kayser-Roth Plant. With this work she was able to become self-supporting. Many Mount Zion Baptists were involved personally in ministry to A Mui and her son, Khinh. On August 7, 1981, A Mui and Khinh moved to Los Angeles, California, to be reunited with family. Though we felt a sense of loss we were reminded that seeds of love had been planted and we had been blessed through our efforts to help A Mui and Khinh begin a new life. Chi Choan Chang is still living with Mr. and Mrs. Bill Keasler and Si Coan Chang has returned from Utah and has settled in the Burlington area.

One of the most growing areas of ministry has been with the migrants. This summer Mount Zion Association donated approximately 200 health kits to the migrants through the Employment Security Commission and the Prospect Hill Health Clinic. Direct evangelism contacts were made through the Prospect Hill Health Clinic by many Baptist women. There was also a picnic given on July 19 for the migrants in the Caswell County area. Approximately 200 Spanish-speaking migrants were touched by this ministry. Over \$50.00. was given from Mount Zion in private donations to aid the Employment Security Commission in housing and feeding of migrants in emergency situations. Many doors have been opened for ministry to these special

guests of our community and we look forward with anticipation to the coming season of migrant ministry.

At least four Backyard Bible Clubs were held in the Mount Zion Baptist Association reaching over 150 children. Mount Zion Baptist Association also sponsored two young people to work in Vermont with Jay Waugh.

Beginning September 1, 1981, I began maternity leave. Plans are for a return to work November 3, 1981

I wish to express appreciation to the missions committee, volunteers in the Mount Zion Baptist Association, and Mrs. Shirley Bradley, for ministry well done and look forward to more exciting times in service to our Lord.

Respectfully submitted,
Martha Lou Gaskins,
Volunteer Coordinator

Missions Committee Report

The missions committee has been busy throughout the year supervising the various missions ministries that are offered by our association, exploring areas of need for additional ministry, and formulating recommendations relating to new ministries that will strengthen our cooperative work and witness.

Other reports within the Book of Advanced Reports such as that of the volunteer coordinator, Emergency Care Home, campus ministry, and seminary extension contain much interesting and useful information about our ministries. You are encouraged to read these reports in detail.

A new mission has been established by the Moore's Chapel Church in the Snow Camp community. The missions committee has been available to Pastor Earl Harden and the Moore's Chapel congregation to offer counsel, support, and encouragement relating to this new work.

The missions committee is grateful to our churches for their financial support that enabled Chris Phelps and Kathy Everett, both from Grove Park Church, to work with Pastor Jay Waugh and the Resurrection Baptist Church of Montpelier, Vermont for 10 weeks during the summer of 1981. The committee expresses appreciation to Chris and Kathy for their willingness to invest a part of their summer vacation in missions work.

The committee also expresses appreciation to Mrs. Martha Lou Gaskins, volunteer coordinator for the excellent work she has done, to Rev. Bruce Martin for his leading our campus ministry at Elon College, and to Rev. Curtis Tyler for his leading and teaching a seminary extension class in the Orange County Prison Unit at Hillsborough.

Moreover, the committee commends Fellowship Church and Pastor Jeff Brendle, for sending a group of men to do church construction work in South Dakota; the Grove Park Church and Pastor Roy Taylor for providing teams for missions work in Arnoldsburg, West Virginia, and Jacksonville, North Carolina; McDuffie Memorial Church and Pastor Phil Waugh for a group that went to Montpelier, Vermont to paint a church, and to Mars Hill Church and Pastor Curtis Tyler for a group of men who did church construction work in Welch, West Virginia.

Many opportunities for missions ministries exist in other areas, and the committee encourages our churches to become aware of these opportunities and respond to them as resources and personnel will permit.

As we begin a new year, the missions committee offers two recommendations. One recommendation is for a new ministry; the other is to extend and improve a ministry that is already being offered.

RECOMMENDATION NUMBER 1:

That the association approve and authorize a part-time chaplaincy ministry at the two prison units within our association, Graham and Hillsborough, neither of which has an ongoing, coordinated, Christian ministry.

This ministry is to be the primary responsibility of a part-time chaplain, who would be employed by the association in cooperation with the Baptist State Convention and the Home Mission Board of the Southern Baptist Convention. The chaplain would meet qualifications established by the Home Mission Board.

The part-time chaplain would work approximately 20 hours per week. He would be supervised by the director of missions and responsible to the missions committee. Regular reports of his work would be submitted to the missions committee and the association. This ministry is to begin January 1, 1982.

Funding for this new ministry will come from the associational budget (\$3,000.00), a designated gift to the association (\$2,000.00) and a cooperative agreement with the Baptist State Convention (\$2,400.00). Thus, a total of \$7,400.00 would be available for this new ministry. However, the amount to be contributed by the Baptist State Convention will be reduced \$600.00 per year for four years, by which time it is hoped that the association will be able to assume full responsibility for the chaplaincy ministry.

RECOMMENDATION NUMBER 2:

A. That the association approve increasing the number of hours worked by the volunteer coordinator from approximately 10 hours per week to approximately 20 hours per week.

The primary purpose of this recommendation is to provide more time for social ministries work in our association.

Funding for this expanded ministry is to come from the associational budget (\$1,964.00) and a cooperative agreement with the Baptist State Convention (\$3,600.00) for a total of \$5,564.00.

B. It is also recommended that the title volunteer coordinator be changed to part-time director of Christian Social Ministries, and that a new position description be written to reflect both the title change and the increased responsibilities of the person fulfilling this position.

Respectfully submitted,
Thomas Hill, Chairman,
Missions Committee

Evangelism Committee Report

Our church leaders have begun to share one dream concerning evangelism. We hope to see the increase in baptisms continue and to see those being baptized enter into a full and growing relationship with Jesus Christ. Evangelism is not complete until those who have been won are also taught and, in turn, lead others to know Jesus as Lord.

In the area of programs, we have had a common plan for this year. We have been at work preparing for a serious evangelistic campaign for 1982. All of the churches in the Piedmont area of North Carolina are urged to conduct a revival between the dates of April 4-18, 1982. Sometime during those dates each church will be encouraged to have a meeting of as many services as practical. Massive promotional efforts will undergird the efforts of the local church. The campaign is called, "Here's Hope."

To plan for and train for these meetings, the Mount Zion Baptist Association shared in a series of meetings to interpret the need for revival and to outline the major parts of the "Here's Hope" emphasis. A lay evangelism school was conducted

for pastors who were encouraged to conduct a school in the local church before April of 1982. In addition, other training schools were held to prepare for each part of the "Here's Hope" campaign.

"Prayer and Awakening" was the theme of the thirty-fifth statewide evangelism conference held February 2-3, 1981, in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, North Carolina. About 2,400 pastors and lay persons attended this conference.

The thirty-sixth statewide evangelism conference will be held in Greensboro, North Carolina February 8-9, 1982.

On April 1, 1981, W.C. Lamb, director of evangelism for the Baptist State Convention of North Carolina, became evangelism consultant of the Hawaiian Baptist Convention.

Respectfully submitted,
Dale O. Steele, Chairman,
Evangelism Committee

Ordination Committee Report

The ordination committee met four times during this associational year. It was the unanimous decision of the committee to recommend that the following men be ordained:

James Phillip Smith - October 6, 1980 by First Baptist, Mebane

Garry Wayne Baldwin - November 23, 1980 by Grove Park, Burlington

Phil Waugh - March 8, 1981 by First Baptist, Alamance

Everette Rumley - September 27, 1981 by First Baptist, Burlington

One other request was made but the request was withdrawn before the committee could meet.

Respectfully submitted,
Ralph E. Jones, Jr., Chairman,
Ordination Committee

Music Report

I am looking forward to 1981-82 being a year of real growth in our associational music program. I appreciate the work of Larry Thompson, who has served faithfully in this capacity for several years.

During the coming year, we are planning to implement several new programs and projects. These include the setting up of a zone director system to help provide a closer contact with the individual minister of music; the beginning of a music resource center at the associational office; and some sort of regular fellowship gathering for those who lead our churches in their music ministries.

There are many wonderful things happening in our churches musically. Through the use of music at our associational meetings, we hope to share with all of you what God is doing in the music ministries of the churches of the Mount Zion Baptist Association.

Respectfully submitted,
Alan Riley, Director,
Associational Music

Finance Committee

Like the finance committees of our churches the associational finance committee has had to deal with a year of financial challenge. We want to commend the churches

on their giving this year and challenge each congregation to move forward in faith with their finances.

Your associational finance committee has endeavored to present an associational budget both realistic and faithing. This proposed budget was formulated earlier in order that each church might have opportunity to present the work of the association to their finance committees for further consideration.

The associational finance committee respectfully requests that each church:

- 1) Consider increased giving (by percentage) to the work of associational missions. This is truly HOME missions.
- 2) Give their gifts to the association monthly. This will help to cut down on our present cash flow problem
- 3) Look with pride at the multiple ministries of the Mount Zion Association. Look with faith and vision at the possibilities yet untouched in our area. Mount Zion is one of the strongest and most visionary associations in North Carolina. Let's keep it that way with greater involvement of both money and manpower.

Your associational finance committee has stewardship materials available to assist you with budget preparations or stewardship education during the year. Please call on us when we can be of assistance.

Thank you churches of Mount Zion Association for all that you are doing financially. Let's truly move forward in faith this year. We have available all that we need to do all Christ desires us to do if we seek first His kingdom!

Respectfully submitted,
James H. Ballard, Chairman,
Finance Committee

Coordinating Council Report

The Coordinating Council, comprised of the moderator, the four vice moderators, and the director of missions, has met monthly during the past year. In addition to offering counsel and advice to the associational staff, the council has been aware of and participated in all matters of concern that relate to the ministry and well-being of the association.

The council acknowledges with gratitude the support for associational missions that our churches have provided, and it encourages each church to participate fully in the life of the association.

The Coordinating Council offers the following recommendation to the association:
RECOMMENDATION:

That the quarterly meeting of the association now scheduled for April 12, 1982, be rescheduled for April 19, 1982. April 12, 1982, is Easter Monday, and it also falls within one of the two weeks that have been set aside for "Here's Hope," a statewide evangelistic emphasis, in which most of our churches will be participating.

Respectfully submitted,
J. Howard Silver, Chairman,
Associational Coordinating Council

Woman's Missionary Union 1980 - 1981

Woman's Missionary Union reached the highest level of recognition again in 1980-81 as we were distinguished on the associational W.M.U. Achievement Guide. Our emphasis this year has been "Continuing Life-Changing Commitments," and this has been carried out in all our age level activities. For enlistment our North Carolina

goal was 10,000 more by November 4. In our association there were 79 new W.M.U. members added in our various churches. We were in the top 10 associations reaching our goal.

We are happy to recognize the following W.M.U. organizations for their achievements in 1979-80:

DISTINGUISHED	ADVANCED	MERIT
Mebane, First (13 consecutive years)	Altamahaw Burlington, First	Antioch Graham, First
Fairview	Cane Creek	Hillsborough, First
Kinnett Memorial (2 consecutive years)	Glen Hope Hocutt Memorial Grove Park	Northside Oak Grove Sweptonville

The seventy-fifth annual session of the Mount Zion Baptist Association W.M.U. met at First Baptist Church, Graham, on March 17, 1981 with 367 in attendance representing 37 churches, 19 pastors and our director of missions. This being our diamond jubilee, we were thrilled with the presentation of our W.M.U. history by Mrs. Mildred Overman and Miss Beverly Alford. Miss Nancy Curtis, W.M.U. director of North Carolina, challenged us with dreams that can come true in Bold Missions. Others on the program challenged us with committing our lives to missions at home and abroad.

Mission Action opportunities this year were in migrant ministries; prison ministries, including North Carolina Correctional Center for Women, North Carolina Prison Department in Graham and Hillsborough; literacy ministry; refugee ministry and Emergency Care Home for children. One Big "A" club was reported at Kinnett Memorial Church.

Let us remember daily in prayer these missionaries from our own association: Mr. and Mrs. Charles Knight and family, Benin, West Africa; Miss Phyllis Thomas, Chile, South America.

Report of the Resolutions Committee

RESOLUTION OF APPRECIATION

WHEREAS, the 1981 sessions of the Mount Zion Baptist Association have been hosted by a number of our churches, and

WHEREAS, the objectives of our association have been enhanced by the cooperative spirit of these churches, and

WHEREAS, our association has been led by very capable leadership,

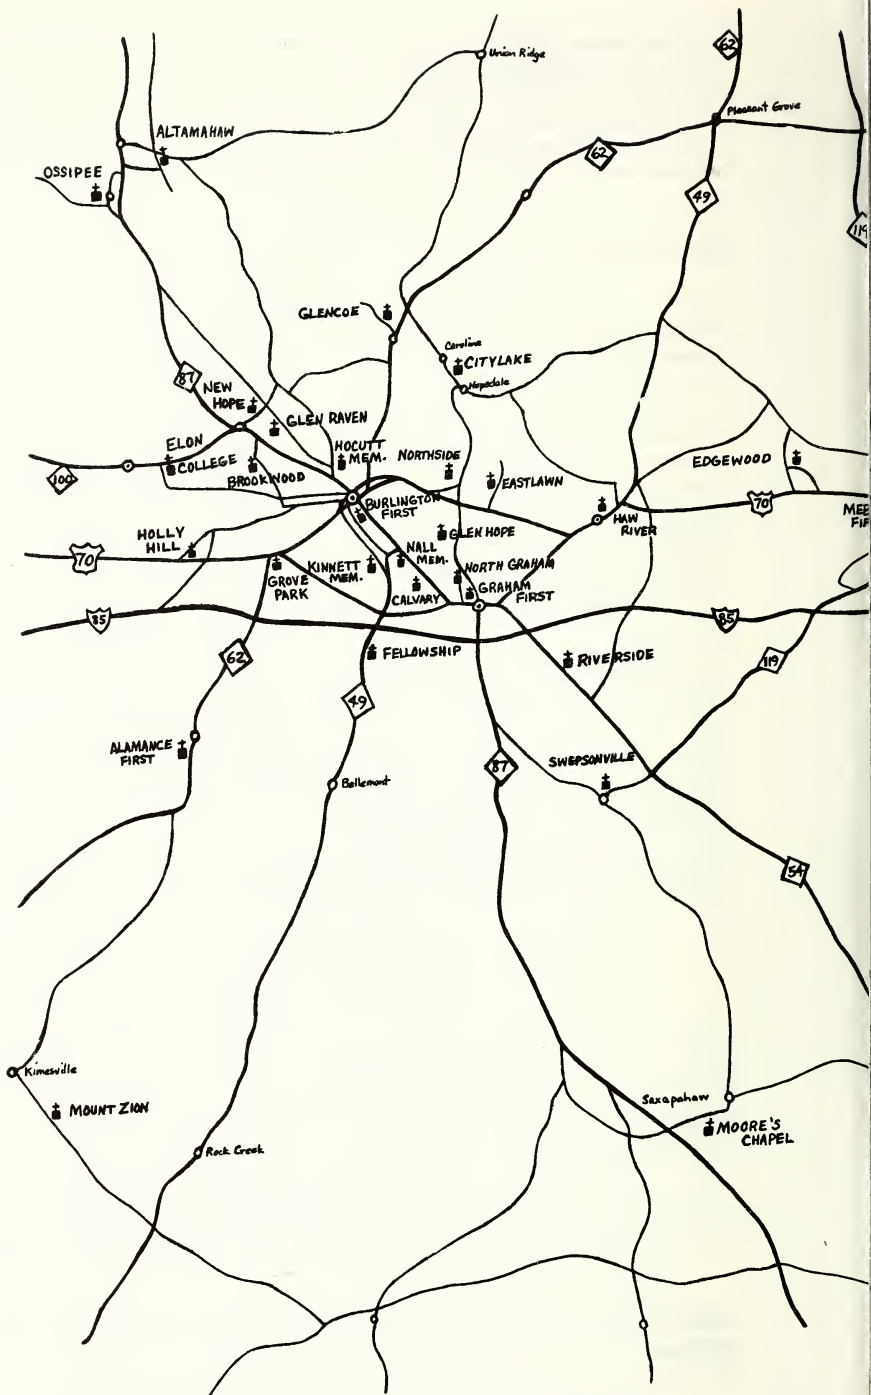

BE IT THEREFORE RESOLVED, that we express our sincere appreciation

1) to the First Baptist Church of Graham, the Grove Park Baptist Church, and the Mars Hill Baptist Church for hosting this year's quarterly meetings,

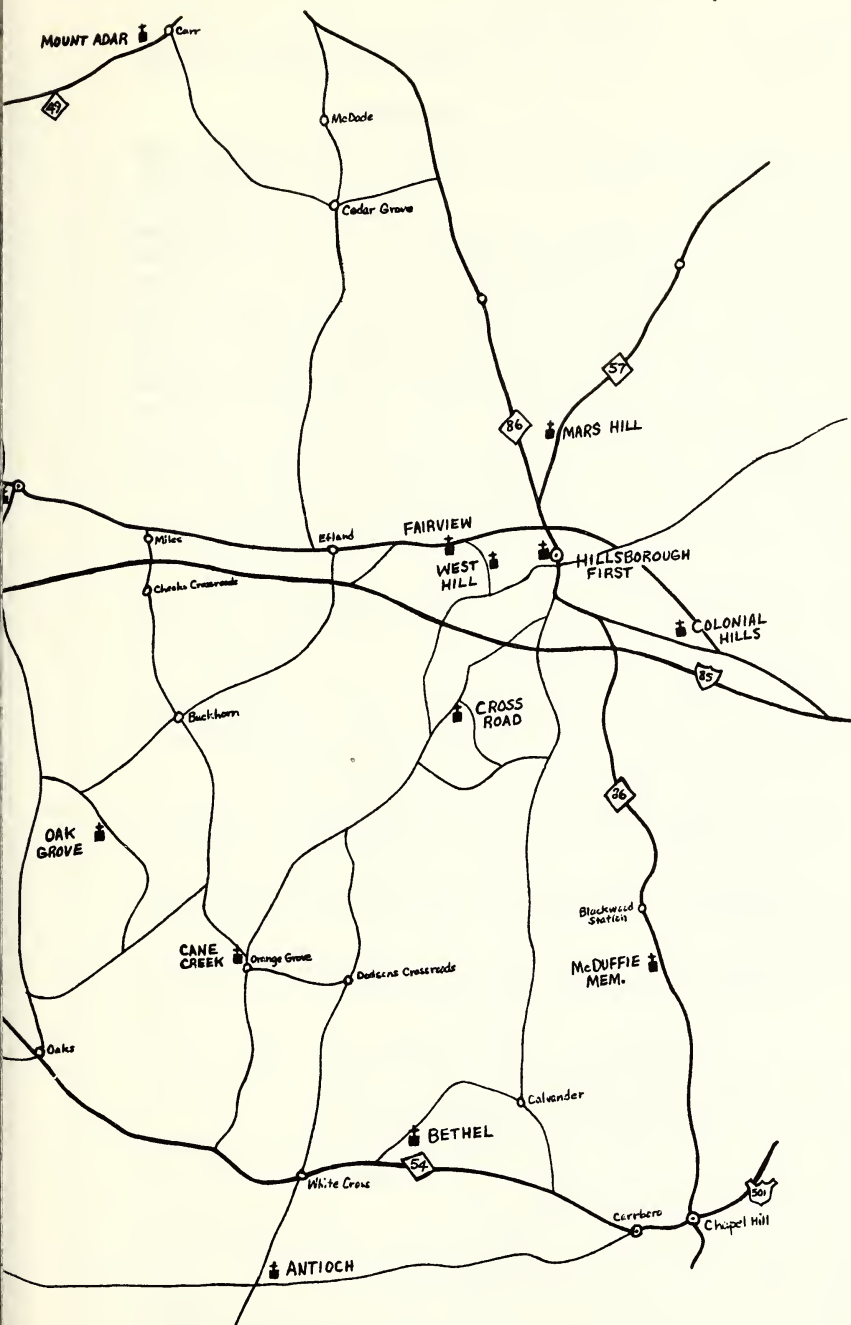

2) to the First Baptist Church of Haw River, the Antioch Baptist Church, and the Oak Grove Baptist Church for hosting the one hundred twelfth annual session.

BE IT THEREFORE FURTHER RESOLVED that we express our love and appreciation

1) to our director of missions, Dr. J. Howard Silver; our secretary-associate, Mrs. Mona S. Silver; and our secretary-bookkeeper, Mrs. Dianne Smith for their

Location of Churches in

Mount Zion Association

- outstanding service to our association, and
2) to our associational officers, committees, speakers, and musicians for their inspirational leadership.

RESOLUTION ON RACIAL INTOLERANCE

WHEREAS, recent months have witnessed an appalling increase across the United States in the number of racially motivated acts of violence against both persons and property, and

WHEREAS, organizations such as the Ku Klux Klan and neo-Nazi groups have experienced a resurgence of growth and a greater level of tolerance throughout the nation in general and in our own region and state in particular, and

WHEREAS, the growth of such groups, together with the acts of violence they spawn are indicative of a rising tide of racial intolerance among our people,

BE IT THEREFORE RESOLVED, that we call on Christians everywhere to repudiate all forms and expressions of racial intolerance, remembering that Christ calls us to live as peacemakers, loving one another and recognizing our equality as brothers and sisters in his family, and

BE IT THEREFORE RESOLVED, that we encourage churches to take strong steps to combat the spread of racism in their communities by giving voice to the reconciling words of the gospel from both pulpit and pew, and by taking appropriate public action against all racially motivated expressions of violence and intolerance, and

BE IT THEREFORE FURTHER RESOLVED, that we remind ourselves that our joint effort with the General Baptist Convention ("Here's Hope") to make a united evangelistic appeal to the people of our state will be irreparably damaged if we remain silent and tolerant toward racial injustice, and

BE IT THEREFORE FINALLY RESOLVED, that we commit ourselves afresh to the reconciling work of Christ, whose gospel reminds us that, in this overcrowded world, "there is enough room for the people but not for the walls that divide them."

RESOLUTION ON PUBLIC EDUCATIONAL MATERIALS

WHEREAS, recent months have witnessed an increase of challenges to the evaluation of curriculum materials utilized by various public school systems in the United States, and

WHEREAS, some of these challenges appear motivated by a sectarian attitude not compatible with our historic Baptist concern for maintaining the separation of church and state, and

WHEREAS, our Baptist commitment to soul freedom and other attendant freedoms derived from it provide rich soil and essential rootage for a free search for truth, and

WHEREAS, we realize that our society is enriched by the cultural, ethnic, educational, regional and religious diversity of its people,

BE IT THEREFORE RESOLVED, that we recognize and accept the tension between individual rights and group rights in a pluralistic society, and

BE IT THEREFORE FURTHER RESOLVED, that we affirm the value of the American system of public education while acknowledging the tension between pluralistic education and family beliefs, and

BE IT THEREFORE FURTHER RESOLVED, that we resist efforts by any group to limit educational materials and processes to those which promote one particular world view to the exclusion of other world views, and

BE IT THEREFORE FURTHER RESOLVED, that while we continue to oppose selfish nationalism, obscene speech, sexual immorality, substance abuse and all other manifestations of sin in our world, we cannot expect our educational materials not to portray the world as it is, and

BE IT THEREFORE FINALLY RESOLVED, that we encourage parents to become better informed about their children's education, to support their children in the pursuit of wisdom and truth, and to help them understand and interpret educational materials in the light of Christian principles.

RESOLUTION ON SOCIAL CONCERNS

WHEREAS, recent changes in our national budget reflect an alarming change in our national priorities, and

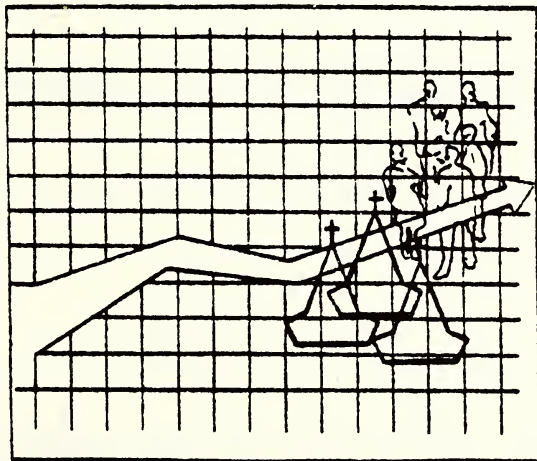

WHEREAS, various programs of economic support for the poor and the elderly are being reduced, while defense spending escalates at a rate unprecedented in times of peace, and

WHEREAS, this reordering of funds takes advantage of those who are least able either to provide for themselves or to defend their interests in the halls of government, and

WHEREAS, for too long the church has been too willing to relegate to local, state, and federal agencies most responsibility for social welfare efforts,

BE IT THEREFORE RESOLVED, that we call on churches everywhere:

- 1) to seek out persons whose resources are less than adequate for their needs and who will desperately need food, clothing, and shelter in coming months,
- 2) to recognize that Bold Missions Thrust should witness and minister to "the less of these" as well as to the lost, and
- 3) to be an advocate for the poor, the hurting and the elderly wherever they are in God's creation.

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

DEDICATION

The Reverend Clyde H. Stanfield was born in Rockingham County, North Carolina in 1898. He became a Christian at an early age and was licensed to preach by the Baynes Baptist Church in 1930.

Reverend Stanfield served 17 churches during his 42 years of ministry. He was pastor of the Altamahaw Church in the Mount Zion Association for 13 years, and in 1955 he was elected moderator of the association. In addition he was active in the Burlington Ministerial Association and the Masonic Lodge.

After attending Whitsett Institute, he attended Wake Forest College and Southern Baptist Theological Seminary in Louisville, Kentucky.

At the time of his death, December 27, 1981, Reverend Stanfield was a member of the Baynes Baptist Church which first recognized his gifts for ministry and in which he preached his first sermon.

We express gratitude to our Heavenly Father for the privilege of knowing and serving with Reverend Stanfield. The strength of his personality and his faithful ministry still bless us and brighten our pathway, and to him and his memory this book of minutes is affectionately dedicated.

ARTICLE I — NAME

The name of this body is the "Mount Zion Baptist Association."

ARTICLE II — PURPOSE

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the counties of Alamance and Orange in North Carolina.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its constitution and bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgment of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the Association. He referred to our finance committee report to be given on Tuesday evening by Sherry Carter. He asked that we study this and come prepared to vote on this budget on Tuesday evening.

10. Rev. Joe Hicks presented report of the Constitution and Bylaws Committee, as shown on pages 15-17 in our Book of Reports. He asked that it be studied and that messengers come on Tuesday evening to vote on these changes.

SWEPSONVILLE BAPTIST CHURCH

20. Moderator Charles R. Lemley called the meeting to order at 7:00 p.m. welcoming messengers and guests.

21. The hymn, "Jesus Saves" was sung by those present led by Chris Burns of Holly Hill Baptist Church.

22. Paul West, our host pastor, gave a special welcome and led in prayer.

23. The following reports were given:

A. Coordinating Council - Howard Silver called attention to the full report on page 30 of the Book of Reports. He made a motion that our association prepare a "Handbook" to assist employees and volunteer workers which has been recommended by the Coordinating Council. This motion passed.

B. Missions Committee - Tom Hill, chairman, presented this report on pages 27-28 of our Book of Reports. He stated we would have a recommendation in January to present about the emergency care home. This report was received as information.

C. Finance Committee - Sherry Carter, chairman, made a motion that we adopt the proposed budget for 1983 with the \$12,000.00 contingent item for the emergency care home. This was adopted. The question was asked about the secretary-bookkeeper being paid for her overtime, rather than taking compensatory time off. Another question was asked if the \$2,000.00 given by one church was included in the \$10,150.00 for the prison chaplain. This \$2,000.00 was a designated item, so it would not be included in this \$10,150.00 for our 1982 budget. Harold Ball made a motion that the personnel committee review staff salaries again when the emergency home situation is resolved. This motion passed. Jeff Brendle asked whether the \$12,000.00 allocated in the budget for the emergency care home would come from the operating budget or whether churches would be asked to provide additional funding for this item. Howard Silver stated that we hope this would be the case, in that churches would come forward and give enough to take care of the emergency care home as an operating budget item.

D. Constitution Committee - Joe Hicks, chairman, made a motion that changes in Articles IV, VI, and IX as well as Bylaws V, VI, and VII be accepted, these changes shown on pages 15-17 of our Book of Reports. This motion was adopted.

24. The group sang, "O For a Thousand Tongues to Sing."

25. Beverly Alford, W.M.U. Director, referred those present to her report on page six of our Book of Reports. This was for our information.

26. Seminary Extension report was given by Curtis Tyler. This is a ministry to inmates at the Hillsborough prison unit, and in the new year teaching will be done at the Alamance prison unit.

27. David Morton introduced R.A.L. Walker, head of Chaplaincy Services, Department of Corrections, state of North Carolina. He spoke briefly to the messengers expressing pleasure that people in our association care for the ones who are incarcerated in our two county prison units at Graham and Hillsborough.

28. During time for miscellaneous business report was given of 145 messengers and guests present from 32 churches.

29. The hymn, "Jesus Paid It All," was sung by those present.

30. A message in music was brought by Chris Burns as he sang, "No One Cared for Me Like Jesus."

31. The doctrinal sermon, "The Sovereignty of God," was brought by Dr. Gene Akins, pastor of Kinnett Memorial Baptist Church. He also led the benediction.

All of the above reports were accepted as information.

38. The hymn, "My Jesus I Love Thee," was sung by those in attendance.

39. During miscellaneous business the moderator recognized Mrs. Cleo Perry, Director of Alumni Affairs, Meredith College, who spoke briefly.

40. David Morton, Director of Christian Social Ministries, reported a revival was being planned next month within the Alamance prison unit, a first for the county. He expressed appreciation to Dr. Jack Gross for laying valuable groundwork in beginning this ministry. This report was adopted.

41. Reports - Part II

A. Evangelism - Dr. Roy Taylor said we need to decide what evangelism really is and then to be about the business of helping lead others to Christ. We must take seriously the Great Commission.

B. Ordinations - Dr. Howard Silver reported the following were recommended for ordination to the gospel ministry: James Baughn by the Altamahaw Church; Norman Harris by Mount Adair; Everett Lea Rumley, Jr. and George Dana Slack by Burlington, First.

C. Campus Ministry is shown on page 11 of our Book of Reports.

D. Place and Preacher Committee - The following was reported for 1983:

All of the above reports were accepted as information.

42. The hymn, "We're Marching to Zion," was sung by those present.

43. Rev. Norman Harris presented the report of the Resolutions Committee, and this report is shown elsewhere in the minutes. Motion was made to accept this report and it passed.

44. Attention was called to the historian's report on pages 13-14 of the Book of Reports, the history of McDuffie Memorial Baptist Church. This report was accepted as printed.

45. The hymn, "When We All Get to Heaven," was sung by the congregation.

46. Alan Riley rendered special music with guitar accompaniment.

47. Director of Missions, Howard Silver, expressed appreciation to many people who have helped make our associational meetings what they have been during these days. Three years and seven months ago he was elected Director of Missions for our association. He focused on two aspects: (1) the association is a fellowship of Christians called to go by the spirit of God. His prayer is that we will never let anything destroy our felling of fellowship. He asked that we nurture the kind of fellowship that characterizes the people of God; (2) while we are a fellowship we are also churches in fellowship on missions. What is the difference between missions done at home and missions done elsewhere? If we are called to go and make disciples and teach them, then this must begin here at home. We need to see associational missions as we see home missions and foreign missions. What we must do must begin at home.

48. The one hundred thirteenth session was adjourned with prayer by Dr. Silver. There were 76 people present for this morning session.

Quarterly Associational Meetings

The following is a condensation of the January, April, and July, 1982 meetings.

On January 11, 1982 the association met with Graham First Baptist Church with Terrell Duncan, moderator, presiding. There were 78 people present from 25 of our churches, including three representatives of Baptist Children's Homes. Howard Silver, director of missions, introduced two new pastors: Arthur Bishop, Edgewood and Norman Harris, Mount Adar. He also reminded those present of the "New Member Training Clinic," a part of "Here's Hope," to be held at Mebane, First January 18 with Jeff Brendle as leader; and a stress seminar for pastors and staff people January 25 at Holiday Inn beginning at 9:00 a.m., led by Neil Chafin, School of Pastoral Care, Baptist Hospital. Special guests introduced were Larry Sawyer, Director of Family Services of the Children's Homes, and Chris and Jack Bennett who have re-opened our Emergency Care Home. Mrs. Louise Booth, W.M.U. director, called attention to our Home Mission Institute and Mission Action Workshop January 28, 7:00 to 9:00 p.m., at Kinnett Memorial. Howard Silver brought a special message on "Baptist Distinctives." Ralph Jones, along with several pastors, administered the Lord's Supper.

April 19, 1982 the associational meeting was held with Fairview Baptist Church with Tom Hill, vice moderator IV, presiding. Howard Silver announced the following new pastors: Tom Pierce, Nall Memorial, and Dana Slack, City Lake. He made the following announcements: Church Building Conference April 20, Graham, First; Family Enrichment Conference, May 3-4, Mebane, First; Burlington Literacy Group, April 26, Grove Park; Bible School Workshop, April 26, Eastlawn. The following recommendations were presented by Missions Committee: A. Combining of part-time Prison Chaplain and part-time Social Ministries Director into one position. Officers for 1982-83 as proposed by the Nominating Committee and Committee on Committees were duly elected and they appear elsewhere in our printed minutes. The Coordinating Council presented the following recommendation which was adopted: That our association in cooperation with Council on Christian Life and Public Affairs of Baptist State Convention be authorized to plan, schedule, and offer a conference or forum on "The Christian's Responsibility as Peacemaker." Motion was made that our association schedule such a conference and the motion passed. Representatives of several churches related how their people had responded during the "Here's Hope" revivals, how the Holy Spirit had worked among their people and that a sweet fellowship had prevailed throughout. These reports were quite timely since our theme for our April meeting was "Evangelism." Benediction was given by Howard Silver.

Our July 12, 1982 Key Leadership meeting was held with Mount Zion Baptist Church. A fellowship meal was enjoyed by the 129 people representing 27 churches. Conferences were held for all church officers led by associational officers. Dr. Silver introduced David Morton, our new Prison Chaplain and Director of Christian Social Ministries, and presented a plaque to Terrell Duncan, moderator of our association for the past two years. Guest speaker was Dr. Cecil Ray, general secretary-treasurer of our state convention. He shared some important things with us as North Carolina Baptists, and challenged us to pray about four great crises Southern Baptists face: 1. Churches understanding what it means to be a church for Jesus Christ today; 2. A minister's sense of purpose; 3. There is a polity crisis - how we do our work; 4. We have a lifestyle crisis. We can't do Bold Missions living like we do. A question and answer period followed by Dr. Ray's remarks. Dr. Carlton Prickett closed the meeting with prayer.

Respectfully submitted,
Edna J. Smith, Clerk

Director of Missions Report

Reports of our various ministries found on other pages of this "Book of Advanced Reports" describe what we have accomplished during the past year. While we have begun an important and needed new ministry, we were not able to accomplish all that I had anticipated and hoped for.

We were not able to keep our emergency care home open and operating during most of last year. The home has been closed 10 of the last 15 months. Decisions to close the home were made by Baptist Children's Homes inasmuch as it has the responsibility of staffing, operating, and managing the home. For more detailed information about the status of the Emergency Care Home, see the Missions Committee report found on page 33.

There is a high level of trust and a genuine sense of fellowship among our churches. These qualities are the very essence of associational life, and I'm grateful for every effort that has been made to this end. Whatever else an association is, it is first of all a fellowship of churches, and nurturing and strengthening our fellowship

must always be our primary priority. A steady increase in requests for assistance through the associational office, and the numerous opportunities I have to offer counsel and guidance to our pastors and churches are tangible evidences of the vitality of our associational life.

I'm pleased to report that the past year was the first year since I have been Director of Missions that we have not had to borrow money from the bank to meet current operating expenses. Borrowing money nowadays is expensive and when we have to do so, to that extent, it limits our ability to minister.

One of my goals for our association is to lead us into an awareness of the urgency and validity of associational missions that is commensurate with our commitment to home and foreign missions. The need for missions ministry is no less urgent and the opportunities for ministry are no less numerous - proportionately speaking - within our association than in other areas of our homeland. To be sure, there are valid missions needs elsewhere. But we cannot and must not fail to respond to legitimate missions needs within our association. After all, I wonder whether this is not our first obligation and primary responsibility in carrying out the "Great Commission."

If the people in our churches who share the responsibility for allocating funds for missions ministries were really to sense the urgency of this aspect of truth, it would usher in a new day for associational missions. It is an axiom that our collective perception of associational missions takes precedence over our planning and programming for missions ministries at the associational level.

February 1, 1982 marked the beginning of a significant extension of our cooperative ministry. On that date we began a part-time chaplaincy ministry to the inmates of the two prison units within our association - Graham and Hillsborough. That this is in keeping with God's will for us, I have not the slightest doubt, and I express heartfelt gratitude to our churches for making this ministry possible.

Even though it is a part-time ministry now, it is needed and it is effective. Through our prison chaplaincy ministry we offer a measure of the hospitality, acceptance, and forgiveness that God in Christ has bestowed upon us to a segment of our society and culture that has - for the most part - been without a well coordinated ministry of competence and compassion. My prayer and hope for this new ministry is that it may become full-time very soon, and I believe that God is leading to that end and that he will supply the needed resources.

Christian Social Ministries continue to expand. You enable us to respond to numerous emergency needs for food, clothing, lodging, and travel. Moreover, you enable us to minister to many seasonal and migrant farm workers who come through our area each year. In addition, there is a continuing ministry of presence and personal concern at the health clinic in Prospect Hill.

Christian Social Ministries are offered as an expression of our love and concern for people who are in need. And with the current state of the economy, it is likely that needs for emergency assistance will increase.

As we look to the future, I welcome with enthusiasm the Long Range Planning Committee requested by the Coordinating Council. This committee's work, when completed, will give coherence and direction to our association's ministries for years to come.

I express sincere appreciation to our associational staff: David Morton, Mona Silver, and Dianne Smith for their cooperation and assistance. Also, I thank Ricki Clapp and Ann Perry of the Mount Zion Church, Janice Byrd of the Holly Hill Church and Edna Smith and Lucille Nash of the Northside Church for their volunteer assistance in the associational office. A special word of thanks is due Annie Ivey of First Church, Burlington, for her ministry at the health clinic in Prospect Hill. Finally, to Shirley Bradley of the Grove Park Church and to numerous other ladies of the Woman's Missionary Union, I express my gratitude for their tireless labors in many areas of associational ministries.

I'm grateful to the association for the privilege to serve as Director of Missions, and it is my joy to have shared "your fellowship in the gospel from the first day until now."

Respectfully submitted,

J. Howard Silver,
Director of Missions

Missions Committee Report

The Missions Committee calls attention to the reports of associational ministries found elsewhere in this "Book of Advanced Reports." These reports contain useful and interesting information, and you are encouraged to review them carefully.

While no new missions were started last year, our churches are encouraged to consider the possibility of beginning new work where it is needed. The committee stands ready to offer its counsel and support regarding new work.

The committee expresses its appreciation to Reverend David Morton, our prison chaplain and director of Christian Social Ministries, for the excellent work he is doing; to Reverend Bruce Martin for guiding the campus ministry at Elon College; and to Reverend Curtis Tyler for teaching Seminary Extension classes at the Orange County prison unit.

Also, the committee is grateful to those individuals, mission groups, and churches for financial assistance that enabled Chi Choan Chang, a refugee from Vietnam, to attend a special language institute at North Carolina State University last summer. He is now a student at the University of North Carolina at Charlotte.

Three of our churches had groups of people doing missions work in West Virginia last year. Men from Fellowship Church did church planting work in Summerville. A group from Grove Park Church - along with individuals from several of our other churches - did evangelistic and Vacation Bible School work in Arnoldsburg. A group of men from Mars Hill Church did construction work in the Hedgeville-Martinsburg area. The Missions Committee commends these churches and individuals for their response to missions needs in West Virginia, and it encourages other churches to consider the possibility of participating in "Mountain State 200," an effort of the Baptist State Convention of North Carolina to assist with church growth in West Virginia.

Much of the Missions Committee's time, energy, and effort last year was devoted to our Emergency Care Home ministry. Perhaps a brief history of events relating to the Emergency Care Home since July, 1981 will be helpful.

Prior to July, 1981, the Emergency Care Home had ministered to children regularly for several years. Our association provided the house and maintained it while Baptist Children's Homes staffed, operated, and managed the home.

The Emergency Care Home was closed in July, 1981 by Baptist Children's Homes. It remained closed until late January, 1982 when it reopened and remained open until May 21, 1982 when it was closed again by Baptist Children's Homes because the house parents resigned.

Our association was notified at that time that in order for the Emergency Care Home to be reopened, our association would have to be responsible for one-half (½) of the total operating costs of the home amounting to about \$48,000.00 per year. This meant that our association would have to provide an additional \$24,000.00 per year in order to continue the Emergency Care ministry.

After careful and prayerful consideration by both the Missions Committee and the Finance Committee it was decided that our association could not provide more than \$12,000.00 in additional funding for this ministry. This decision was communicated to the administration of Baptist Children's Homes in the form of a proposal on June 8, 1982 which contained the following stipulations:

- 1) That Mount Zion Baptist Association - in addition to providing and maintaining the house at 604 South Broad Street, Burlington, North Carolina - would contribute \$12,000.00 per year, beginning January 1, 1983, to the operating costs of the Emergency Care Home. This amount would be payable at the rate of \$1,000.00 per month to Baptist Children's Homes for each month that the home is in operation - that is - when the home is *actually caring* for children. The association would not consider itself to be obligated for this monthly contribution while the home is closed as a result of administrative, personnel, or other problems over which the association has not control;
- 2) That Mount Zion Baptist Association receive a report at least every three (3) months indicating the number of children ministered to through the Emergency Care Home, and also pertinent data relating to the continuing need for this ministry;
- 3) That Baptist Children's Homes submit to Mount Zion Baptist Association at least every three (3) months a report indicating the local operating expenses of the Emergency Care Home, along with data relating to the amount of money - if any - that Baptist Children's Homes is reimbursed by Departments of Social Service and other sources for care of children provided by the Emergency Care Home;
- 4) That Mount Zion Baptist Association be informed as soon as possible of any existing or potential problems relating to the efficient and regular operation of the Emergency Care Home.
- 5) That future house parents of the Emergency Care Home be responsible for working with Mount Zion Baptist Association to cultivate wholesome and open relationships between Baptist Children's Homes and the churches of the association; and finally,
- 6) That this proposal be contingent upon acceptance by Baptist Children's Homes and the approval of Mount Zion Baptist Association assembled in regular meeting.

The administrative staff - including the trustees - of Baptist Children's Homes has had the above proposal under consideration since June 10, 1982. And while the Missions Committee had anticipated having a definitive word from Baptist Children's Homes by this date, that word is still forthcoming.

The Missions Committee is aware of the urgent need for an Emergency Care ministry for children in our area. Moreover, the committee is reluctant to see such a vital ministry terminated.

Therefore, the Missions Committee feels that one more effort should be made to elicit Baptist Children's Homes formal response to the proposal by our association. Consequently, a specific recommendation regarding the future of our Emergency Care ministry will be presented to the association at the quarterly meeting in January, 1983.

In the meantime, sensitive to the fact that the Emergency Care Home has been closed for 10 of the last 15 months, and that even though the home has been closed, the association has continued to maintain the building and premises at a cost of approximately \$250.00 per month, and realizing that it will be at least three months before the home can be reopened, the Missions Committee has sub-leased the home to Lutheran Family Services, Raleigh, North Carolina, for a period of 90 days - October 1, 1982 until December 31, 1982. The association receives from Lutheran Family Services \$400.00 per month - \$200.00 rent and \$200.00 for the use of equipment and furnishings.

This report is submitted as information, containing no recommendations. However, the Missions Committee will present a specific recommendation(s) regarding the Emergency Care Home at the next quarterly meeting, January 10, 1983. Any

agreement entered into with Baptist Children's Homes to re-establish our Emergency Care Home ministry will be based upon the stipulations contained in the original proposal as outlined above.

Respectfully submitted,
Thomas Hill, Chairman,
Missions Committee

Finance Committee Report

The Finance Committee would like to commend the churches on their gifts to associational missions this year and challenge each congregation to move forward in faith with their finances.

Included in the 1983 proposed budget is a \$12,000.00 item recommended by the Missions Committee for the Emergency Care Home. Explanation of this item is included in the Missions Committee report.

In view of the contingent status of the Emergency Care Home and the Missions Committee's desire to enter into a workable contract with Baptist Children's Homes, the Finance Committee proposes the \$12,000.00 item remain a part of the 1983 budget contingent on Baptist Children's Homes accepting the proposed contract being drawn up by Mount Zion Baptist Association.

The 1983 budget, including the \$12,000.00 for the Emergency Care Home, reflects a 13.6 percent increase over 1982. The Finance Committee recognizes the need for a greater commitment on the part of the churches within the association if we are to meet this proposed budget and desires to inform the churches individually of present associational missions needs.

Respectfully submitted,
Sherry Carter, Chairman,
Finance Committee

Coordinating Council Report

The Coordinating Council has the responsibility of coordinating and directing all the work and activities of the association. It serves also as an advisory council to the Director of Missions.

The council acknowledges with gratitude the support for associational missions that our churches have provided, and it encourages each church to participate fully in the life of the association.

It is with regret that the council records a decision by the Glen Raven Church to withdraw from the association and the Southern Baptist Convention. In communicating its decision to the Coordinating Council, the church made it clear that it withdrew not because of our association, but because of certain programs and activities of the Southern Baptist Convention.

The constitution of the association charges the Coordinating Council with the responsibility of long range planning. Convinced that a carefully developed well coordinated, long range plan for associational ministries will provide coherence and direction for our work and witness for several years into the future, the council requests that a Committee on Long Range Planning be nominated and that the committee make a report of its progress at the next annual meeting.

During the July Quarterly Meeting, the Coordinating Council recommended that Reverend Joe Hicks, pastor of the Mount Zion Church be nominated to fulfill an unexpired term of our associations' representative to the General Board of the Baptist State Convention. The recommendation was approved, but by the time this action

was communicated to the Nominating Committee of the Baptist State Convention, the committee had already nominated Reverend Paul West, pastor of the Swepsonville Church to fulfill the unexpired term. Action by the convention's Nominating Committee was not communicated to our association until after our July meeting.

The Coordinating Council offers the following recommendation: That the association authorize the preparation of an "Associational Handbook." In the opinion of the council, such a book would provide useful information about the life and work of the association that hardly could be included in the constitution. Moreover, it would contain job descriptions and other data to assist associational employees and volunteer workers in the performance of their duties. In addition, it would offer elected officers and committee members guidance in fulfilling their responsibilities. In this regard, the "Handbook" would serve as a valuable training aid.

Respectfully submitted,
J. Howard Silver, Chairman,
Coordinating Council

Director of Christian Social Ministries Report

On June 1, 1982, I assumed the position of part-time Director of Christian Social Ministries with Mount Zion Baptist Association in conjunction with the Baptist State Convention of North Carolina and the Home Mission Board of the Southern Baptist Convention. This position was formerly called the Volunteer Coordinator and held by Martha Lou Gaskins.

The Mount Zion Baptist Association has traditionally been involved in social ministries to the associational area. These have been performed by the W.M.U., Brotherhood, and other individuals and groups in our cooperative. In taking this position June 1, it was felt by this social minister to contact, secure information, negotiate, and evaluate other social service agencies throughout this area and project service projects for community needs to the association. In doing so, the association secured many new resources in helping the public. The association also offers services to these agencies adding to their abundant resources. Examples of resources found in our association include numerous food, clothing, and crisis closets sponsored by individual churches. These closets have already proved to be helpful within our public.

Within the Alamance and Orange county areas are numerous agencies in great need of volunteers. Some of these agencies are: Hospice of Alamance, Inc., Suicide and Crisis Prevention of Alamance, Volunteers for People, and the list goes on. Each of these agencies are in cooperative with the Mount Zion Baptist Association and each have special needs for volunteers in serving people.

The migrant ministry is still a growing one as new faces move into our communities during the growing seasons. In conjunction with the Employment Security Commission, the association is able to minister to these special people. Many have become involved with this ministry just this summer. Care kits are continually being made and visits are made each week to the Prospect Hill Clinic.

August 28, 1982, a picnic was held at the New Lea Bethel Baptist Church for migrants and farmers. Food, recreation, and entertainment were appropriated by the association where many benefited from this venture. We will continue to look at new avenues and ponder new ways of ministering to these working people.

To look at the Christian Social Ministries of the association, it would be hazardous to say that we are well developed. This is to say there is much more that needs to be done. We have barely scratched the surface in social ministries in the Mount Zion Association when we compare the needs and the resources to what has been done. Time is the answer to building a strong social ministry to our public. Other elements in need to build this basis comes from responsibility of people associated within Mount Zion as well as the consistency from which they minister.

I thank each of you who have been responsible and consistent within this ministry and you know who you are. I express my thanks to you and to the Missions Committee, volunteers, and the Mount Zion Baptist Association for its continued support.

Respectfully submitted,
David V. Morton, Director,
Christian Social Ministries

Sunday School Report

As we begin a new year in our association let us remember that a part of the Great Commission that Jesus gave to us was to "teach." Sunday School is the only organization whose whole purpose is to teach the Bible. A great emphasis ought to be made by pastors and laymen alike to make sure that the Bible teaching organization of each church functions effectively.

Approximately 44 percent of our Sunday Schools can be considered small (150 enrollment or less). The small Sunday School often has problems with staffing each class with qualified teachers or in some instances even being able to have the full organizational structure. One of the goals of the coming year will be to offer help to these churches with small Sunday Schools. To help accomplish this goal a Small Church Sunday School Conference for pastors and Sunday School directors has been planned. Many common problems are shared by the small churches. These can be discussed and hopefully some solutions and growth will take place as a result of this conference.

Also, we will be having two conferences that will aid in the training and preparation of Sunday School leaders in all the churches. An Age Group Conference Curriculum Workshop and in September of 1983 a Sunday School Preparation Week Conference will be held. Each church is encouraged to have *all* of their Sunday School leadership attending.

Another aspect of the overall Sunday School program is Vacation Bible School. Under the capable leadership of Reverend Harold Ball two V.B.S. clinics were held this past year with excellent attendance at both. Again this year two V.B.S. Clinics will be held. Brother Harold will be enlisting the help of a number of persons to assist him in these clinics. They will be trained so that they can in turn train the workers in our churches.

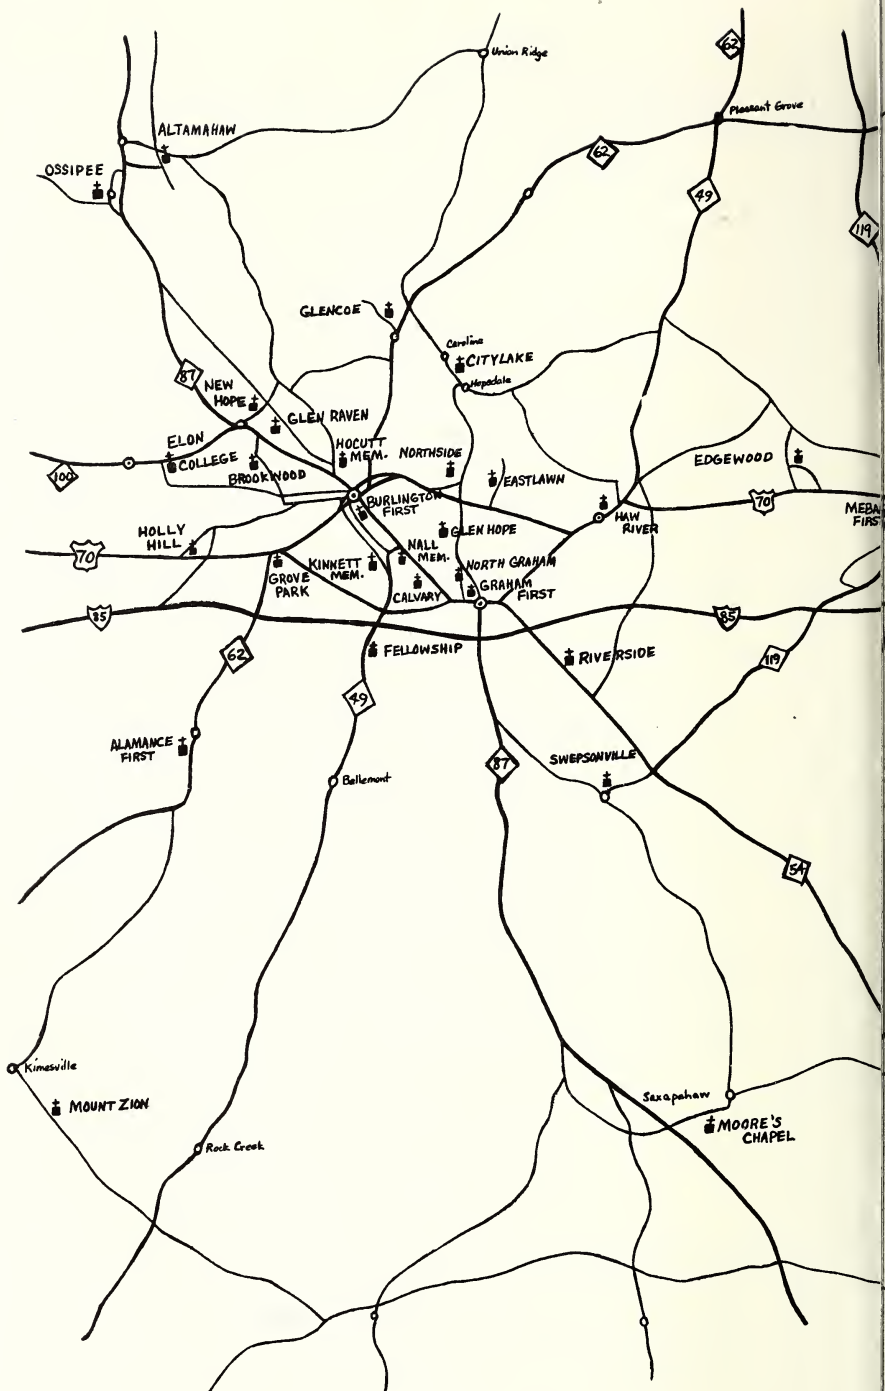

Sunday School can be the greatest outreach organization in the church. Let's make our Sunday Schools Bible-centered, evangelistic, and more effective in this new year. To REACH and to TEACH, always the goals of Sunday School.

Respectfully submitted,
Bill Cashman,
Sunday School Director

Brotherhood Report

Assuming the role of Brotherhood Director in April, 1982, I have been going to training sessions to better prepare myself for the job. My main goal for the coming year is to attend a Brotherhood meeting of each church to learn what they are doing and see if there is any way the association can help.

I hope to have one associational workshop and an associational golf tournament during the coming year.

As I attempt to do the job of Associational Brotherhood Director I request your prayers and support so that we can have one of the best programs in the state.

Woman's Missionary Union

1981 - 1982

The Great Commission found in Matthew 28:19-20 provides the foundation stone for Woman's Missionary Union. Jesus' purpose in coming to this world in human flesh, and our purpose as his disciples, is to seek and to save that which is lost. W.M.U. is a church mission organization.

The emphasis for 81-82 was on making Life-Changing Commitments. The watchword was Isaiah 6:8. These guidelines have been carried out in all of our age level activities. The Mount Zion W.M.U. was recognized as Distinguished at the State W.M.U. Annual Meeting in Greensboro.

We are happy to recognize the following W.M.U. organizations for their achievements in 1980-81:

<u>DISTINGUISHED</u>	<u>ADVANCED</u>	<u>MERIT</u>
Fairview (2 consecutive years)	Altamahaw	Alamance, First
Glen Hope	Burlington, First	Colonial Hills

(14 consecutive years)	Hocutt Memorial	Mars Hill
	Northside	Sweptsonville

The seventy-sixth annual session of the Mount Zion Baptist Association W.M.U. met at the Altamahaw Baptist Church on March 16, 1982 with 285 present representing 34 churches, 11 pastors and our Director of Missions. Miss Phyllis Thomas, missionary to Chile, was our mission speaker. Others on the program challenged us with committing our lives to missions in our churches, association, state, home and foreign fields.

Mission action opportunities this year were in migrant ministries; prison ministries, including North Carolina Correctional Center for Women, North Carolina Prison Department in Graham and Hillsborough; literacy ministry, refugee ministry, the Emergency Care Home, and Elon Baptist Student Union ministry.

Let us remember daily in prayer these missionaries from our own association: Mr. and Mrs. Charles Knight and family, Benin, West Africa; Miss Phyllis Thomas, Chile, South America; Reverend and Mrs. Richard Hipps, Brazil, South America; and Reverend and Mrs. Bain Daniels, Columbia, South America.

"Only to the degree that you are missionary will you be able to lead others to be missionary."

Music Report

On any given Sunday in the churches of Mount Zion Baptist Association, you will find a host of wonderfully dedicated people expressing their love and devotion to the Master through music. They come from many different backgrounds, and with many different talents. Some are young, some are old; some sing in a choir or ensemble, others play organ, piano, handbells or some other instrument. They do have one very important thing in common: a love for God and a desire to use the talents and gifts that He has blessed them with in service to Him. And by doing so, our spirits are uplifted and our worship is enhanced as we listen each Sunday.

There are over 2,000 persons enrolled in the Music Ministries of the churches in our association. I know that you will want to join me in expressing our appreciation to those who perform this vital service.

During the past year, we have begun a music lending library for our association. At the associational office we keep current copies of music publications from the Sunday School Board such as *Glory Songs* and *Choral Praise*. For more information, contact the associational office.

If there is any way that we can be of service to you in the music ministry of your church, please feel free to call.

Alan Riley, Director,
Associational Music

Evangelism Committee Report

This has been an encouraging year in our association in evangelistic endeavors. Much preparation went into planning and implementing of the "Here's Hope" revivals. I know of no greater attempt in the history of our State Convention to reach the lost than was made through this thrust. Many of our churches have exceeded the numbers baptized in past years. This is reason for rejoicing. However, we must not slack up. We must see the "Here's Hope" thrust as but a step in accomplishing the greater goals of our Convention - that being to reach all the world with the Gospel by the end of this century.

Respectfully submitted,
Roy Taylor, Chairman,
Evangelism Committee

Seminary Extension Report

The Seminary Extension Department has continued this year with its unique ministry to the inmates in the Hillsborough Prison Unit with the teaching of the Book of Revelation.

Because provisions have been made in the associational budget for this ministry, we will now be able to expand this ministry to include the Alamance Unit in this year. We have also certified one new teacher for this year.

Great things are happening in our association and we rejoice in being part of them.

Respectfully submitted,
Curtis Tyler, Teacher,
Seminary Extension

Ordination Committee Report

The Ordination Committee met four times during this association year. It was the unanimous decision of the committee to recommend that the following men be ordained to the Gospel Ministry:

James Baughn by the Altamahaw Baptist Church

Norman Harris by the Mt. Adar Baptist Church

Everett Lea Rumley, Jr. by the First Baptist Church, Burlington

George Dana Slack by the First Baptist Church, Burlington

The First Baptist Church, Hillsborough, has requested the committee to examine Lee Ray Greene, a student Southeastern Seminary. A date is to be set in the future.

Respectfully submitted,
Ralph E. Jones, Jr., Chairman,
Mount Zion Ordination Committee

Prison Chaplain's Report

In conjunction with the Christian Social Ministry, the Prison Chaplaincy brings new needs to the surface in our association. The prison ministry is sponsored by the Mount Zion Baptist Association and the Baptist State Convention.

Dr. Jack Gross began the ministry in February, 1982 to the Orange County and Alamance County Prison Units. From February to June, Dr. Gross laid valuable groundwork to being this vital ministry. During those months, Dr. Gross secured and gained rapport (with staff and inmates), respect, and a working relationship with each of the units. Dr. Gross tendered his resignation and David V. Morton began chaplaincy services June 1, 1982.

Beginning June 1, negotiation was begun with the Division of Prisons of North Carolina to adequately propose, write, and secure contracts for professional chaplaincy services to each of the prison units. It was felt by all parties involved in this negotiation that Chaplain Morton should have time to expose his gifts for ministry in this area of prison chaplaincy before a final agreement in contract would be secured. Negotiation began once more in July to finalize these agreements in covenant, with each of the prisons, the Division of Corrections, and the Mount Zion Baptist Association. August, 1982, the final agreement was signed by each party with the Orange County Prison Unit. The final covenant with the Alamance County Unit will be finalized prior to this printing and publication.

The responsibility of the chaplain of prisons for the Mount Zion Baptist Association entails many areas. These areas include counseling with staff and inmate populations. This area consumes perhaps 85 percent of this chaplains endeavor. It is also the responsibility to enable a working worship plan for each of the units. In this way, worship, Bible study, and prayer services are available to the populations. This not only includes the Christian factions of the population, but also the Muslim participants on the units. The chaplain became a part of the units advisory councils whereby many public citizens become involved with the inner workings of the unit. As chaplain, the units are at liberty to call upon this minister in case of emergency.

My pleasure has been in developing a chaplaincy program at the two units. Each has its own characteristics and each expects many things from the chaplain. As I speak of needs of inmates, the predominant one is found in the lack of volunteers from the public. My hope is to see adequate volunteers to sacrifice time, effort, talent, and love to the inmate. I invite you to share in this ministry so the prison can have knowledge of a community who is driven by the example of love through Christ.

My personal thanks extend to individuals who have walked where prisoners have walked and felt much of the pain and suffering of these. These are ones who have led our worship experience, and the study of the Bible, and have been community volunteers. You are aware who you are and for this I and the association thank you.

My thanks further go to those who have interest in ministering to the prisons and have shown it in loving ways. To the W.M.U. for furnishing cards, cheer kits, books, magazines and prayers; you have expressed that love. And lastly, to Jack Gross and Howard Silver for the start of something new, valid and loving.

Respectfully submitted,
David V. Morton,
Prison Chaplain

Campus Ministry Report

Thanks to the help of the W.M.U.'s of Mount Zion Baptist Association, Baptist Student Union at Elon College has experienced rapid growth. The food and fellowship they provide is the groundwork for a meaningful program each Wednesday on campus at Elon College.

The progress of this ministry has been seen on many levels. An organizational structure was established last spring with President, Vice President, Growth and Outreach Committee, and Music Committee being elected. The beginning of the new year has seen these elected representatives assume their responsibilities, creating more student involvement in the program. The students are beginning to see B.S.U. as a "ministry" on campus and themselves as ministers. It is exciting to witness the transformation of lives and the awakening of an identity for this group.

Our purpose at B.S.U. remains the same: To make disciples from among those who are now becoming mature adults. It is both a challenge and a thrill to guide America's future leaders in the knowledge of God as they also gain the knowledge that will shape our land. Thank you, Mount Zion Association, for this vital ministry.

Respectfully submitted,
Bruce O. Martin, Chairman,
Campus Ministry Committee

Youth Coordinator's Report

It has been a pleasure working as Youth Coordinator this year. Our major project was youth rallies held in conjunction with the Southern Baptist Convention Youth Week, March 14-20, with rallies at First Baptist Church, Burlington, Grove Park Baptist Church and the Eastlawn Baptist Church.

We also worked with the fellowship of Christian Athletes in conducting the Week-end of Champions at Williams High School auditorium. This was a huge success.

Also, throughout the year, conferences have been held for youth ministers for feedback, helps, and general fellowships.

Our most exciting experience was the introduction of a Youth Workers Trainer, Miss Kathy Everette, who was in charge of working with volunteer youth workers in formulating, developing, and implementing youth ministry. She served in seven churches.

Thanks for a great year.

Respectfully submitted,
Garry Baldwin,
Youth Coordinator

History of McDuffie Memorial Church

By the summer of 1922 much interest and enthusiasm was evident for organizing a Baptist church in rural Orange County in the Blackwood School community. Small groups had been gathering for services, and in the fall Rev. J.F. McDuffie held a series of revival meetings in the school building (where he was also a teacher) located four miles north of Chapel Hill.

So it was that plans were set in motion and 60 years ago on September 23, 1922, a committee from Bethel Baptist Church met to organize a church there. Services and Sunday School classes were held in the Blackwood School until a church could be erected. Only 15 charter members were in the original group and they unanimously approved the name, "McDuffie Memorial," in honor of the beloved Rev. McDuffie who is credited with bringing about the organization of this church and helping to build more churches than any other pastor in the Mount Zion Association.

A few months later in the spring of 1923 a forward thrust by the young congregation, encouraged by the pastor, Rev. McDuffie, resulted in the purchase of a two-acre lot adjacent to the school property for the price of \$100.00. Again the pastor lent his support and with a "soliciting" committee undertook the task of raising funds to construct the church.

Within a few months a building was under construction next door to the school, so news of its progress was easily within sight and hearing and reach of the students who could carry the news back home to their families.

The first Sunday in November 1924 marked an important date, for at this time Sunday School was conducted as the first services in the new church. The "red-letter" day for this little band of faithful Baptists who had supported the pastor's efforts came a week later on the second Sunday in November when preaching services were conducted in the afternoon. A dream had been realized, and it was a proud day for the church which was pastored by the same dedicated servant until 1936.

The beginning was meager, but seed had been planted that were to grow. Members were few, money scarce but when Rev. McDuffie began his pastorate, the church was only able to pay him \$100.00 annually with the Home Mission Board supplementing it with \$50.00 for the first two years.

Even though Rev. McDuffie was loved as a pastor and an organizer of Baptist churches, he was admired as a teacher and was associated with two major schools of his time. In 1897 (on the property of old Cane Creek Baptist Church) Rock Springs Academy came into being and McDuffie was instrumental in having its name changed from the original name of Orange Grove School. In the Bethel community he is remembered for his interest and labor in the old Andrews Academy as well as for his pastoring in that section of our association.

It was this same man who stood shoulder to shoulder with Charles E. Maddry, John C. Hocutt and other early leaders, a man who believed in the development of education through the years. When he needed a speaker for the dedication of Mount Adair's new building, he engaged one with ability, Dr. Davidson, corresponding secretary of the State Mission Board.

Since 1981 McDuffie Memorial has been pastored by Rev. Phil Waugh, son of Rev. J.H. Waugh and Mrs. Mae Waugh of Burlington. Before accepting the present position, Phil and his wife, Cindy, served as journeymen in Taiwan. Today the church membership stands at 119 with enrollment in Sunday School reaching 72. Serving as Sunday School Superintendent is David L. Duncan while deacons are: David L. Duncan; Bill Turner, chairman; Glen Whittfield and Crudup Duncan.

Among the church organizations is Women's Missionary Union, supporting Mission Friends, Girls Auxiliary, Baptist Women, Local, State and Foreign Missions through prayer and giving. Royal Ambassadors meet monthly for their mission study.

Historical Sketches of Mount Zion Churches

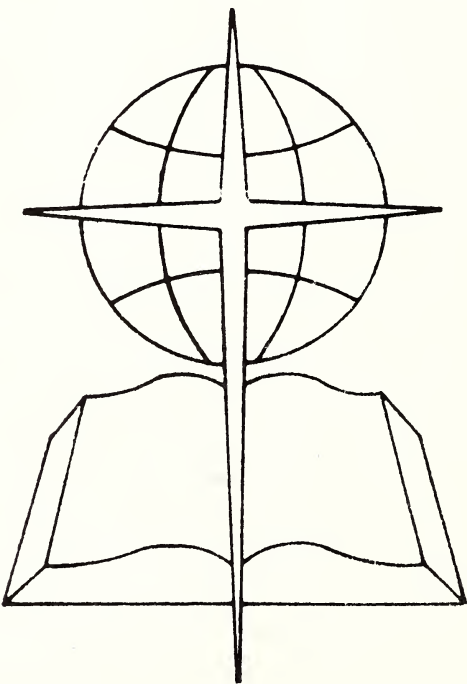

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplorable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

Dedication

The Reverend Julius H. Waugh was born in Iredell County, North Carolina in 1916. At an early age he accepted the Lord and joined the Western Avenue Baptist Church. Shortly after joining the church and even though he was visually impaired, he announced that he was going to be a preacher and musician when he grew up.

He graduated from the Moorehead School for the blind in 1935 and went on to work his way through Campbell College and Elon College in North Carolina, earning a B.A. degree. He then entered Southern Baptist Theological Seminary, Louisville, Kentucky, from which he was graduated with a B.D. degree.

After seminary he was called by First Baptist Church of Burlington, North Carolina to be the pastor of Southside Mission. In April of 1944 he led in organizing the mission into Southside Baptist Church. The name of the church was later changed to Kinnett Memorial Church, and he was called by the church to be its pastor.

In October of 1944, the Reverend Waugh and Julia May David were married. As their lives unfolded, they became the parents of four children - three sons and a daughter.

"Jay" and "May," as they were affectionately known, became partners in ministry. They served the Kinnett Memorial Baptist Church admirably until Jay resigned in October 1960 in order to respond to a call to evangelism and Bible teaching.

The Jay Waugh Evangelistic Association was organized in January 1961 by friends to make "Jay" available to any church, large or small, to share God's message or to teach His Word. It was through this channel that he was able to promote the ministry with the blind and visually impaired. Sixteen years later there was much rejoicing when the North Carolina Baptist State Convention passed a resolution from the Jay Waugh Evangelistic Association in November 1977 calling for a special ministry with the blind and visually impaired. It was taken to the floor of the Southern Baptist Convention in 1978 and passed. Provisions were then made to promote a ministry with the blind and visually impaired through the Home Mission Board and Christian Social Ministries.

The years 1979-1981 were spent in New England on the pioneer mission field revitalizing a church that was about to disband.

In September 1981 he returned to North Carolina to become the first consultant for Blind Ministries in the Southern Baptist Convention. This was the crown of his life-long dream, but like Moses, he only was permitted to look over into the promised field of service.

On November 3, 1982, he answered his Lord's last call, "Come home...thou good and faithful servant." Jay, always out front, led the way, and all his children are following in his footsteps of service for our Lord.

We, the Baptist churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the state and Southern Baptist Convention, according to the following articles:

ARTICLE I — NAME

The name of this body is the "Mount Zion Baptist Association."

ARTICLE II — PURPOSE

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the counties of Alamance and Orange in North Carolina.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its constitution and bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgment of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the Association. In any other case a church may be received under watchcare of the Association.

ARTICLE IV — MEETINGS

6. Minutes of the July quarterly meeting were read by the clerk and approved without change. The clerk made a motion that the messengers registered, and those who would register in the following session constitute the body for this 114th annual session. This motion was adopted.

7. Special music was presented by Margaret Miller as she sang, "God Can Work Miracles."

8. Mrs. May Waugh and friends came representing the Special Ministries Department of our convention in the area of visually handicapped. She called attention to the display in the vestibule and offered her services to any interested group or church desiring additional information.

9. Treasurer's report was given by Mr. Bill Donaldson, found elsewhere in this annual.

10. Mrs. Sherry Carter, chairman of Finance Committee, referred to the ministry proposals for 1984 prepared by her committee for messengers, and asked that these be studied. Messengers would vote on these proposals on Tuesday evening. She presented certificates to the following churches with 100 percent increase in cooperative program giving during our Bold Mission Thrust Phase I, 1977-1982: Alamance First, Altamahaw, Antioch, Burlington First, Fellowship, Glencoe, Glen Hope, Holly Hill, Mt. Adar, Mt. Zion. The following churches had 100 percent increase in total church receipts from 1977-1982: Alamance First, Elon College First, Fellowship, Hillsborough First, Mt. Zion.

11. Dr. Roy Taylor, chairman of evangelism, advised that in the next three years in our convention we will place great emphasis on "revivalism". In 1986 we will plan simultaneous revivals throughout our association. To be called as a witness for our Lord is the greatest challenge of our life. Certificates of recognition were given to the

following churches who increased baptisms by 100 percent for the years 1977-1982: Alamance First, Antioch, Bethel, Burlington First, Colonial Hills, Elon College First, Fellowship, Glencoe, Grove Park, Mars Hill, North Graham, Ossipee, Swepsonville.

12. The Ordinations Committee reported the following people ordained during the 1982-83 year: Wanda Kidd, Hillsborough First; Steve Rumley, Burlington First; and Fred Treadwell, Haw River First.

13. In the absence of our chairman, no report was given on seminary extension.

14. In the absence of music director, Rev. Alan Riley, we were referred to his written report. During this past year a music lending library has been established, a children's choir leadership clinic and a music reading clinic held.

15. Rev. Garry Baldwin, youth coordinator, enthusiastically reported successful youth rallies March 14-20 in three churches, as well as good participation in the Weekend of Champions at Williams High School. He called attention to planned youth rally on Friday evening, October 21, from 11 P.M. to 1 A.M. at Grove Park church. The theme will be, "Midnight at the Oasis," and will feature Steve and Annie Wamberg, with Harvest Homes Productions of Omaha, Nebraska. At this meeting Garry submitted his resignation as Youth Coordinator, as he has accepted a pastorate with Westport Baptist Church in Denver, North Carolina. Our association accepted his resignation with deep regret.

16. Rev. David Weeks gave the Place and Preacher Committee report as follows: January 9, 1984 - Ossipee Baptist Church; April 9, 1984 - McDuffie Memorial Baptist Church; July 9, 1984 - Grove Park Baptist Church; 115th annual session - October 22 - Hillsborough First; October 23 - Riverside. The doctrinal sermon will be brought by Dr. Tom Elliott, with Rev. Curtis Tyler as alternate. Rev. Joe Hicks will deliver the annual sermon with Dr. Carlton Prickett as alternate.

17. Mrs. Mable Lassiter, historian, presented the history of Ossipee Baptist Church closing with these words, "God is at work there among His people, a fellowship of warm-hearted members who did not give up but continued under stress to move forward for our Lord."

18. In the area of christian higher education we were privileged to hear Mr. Henry Stokes from Wake Forest University. He mentioned that scholarships are available for Baptist students and urged our churches to take advantage of the Baptist Historical Collection office at Wake Forest and put our records on microfilm at no charge. Our seven institutions of higher learning in North Carolina are valued at \$300,000,000.00. He requested friendship, interest, and concern that Wake Forest be faithful to its religious concerns.

19. The hymn, "He Leadeth Me," was sung by the congregation.

20. There was no miscellaneous business.

21. Howard Silver thanked the ladies of Mt. Zion Baptist Church who helped with meal preparation. He asked for comments about the new time schedule for our first meeting. Dr. Carlton Prickett led the prayer and blessing.

Monday Evening, October 17, 1983

23. Mr. John Jennings of our host church welcomed those present. He read Matthew 28:16-20 and led in prayer.

24. Howard Silver recognized Bob Phillips, campus student minister, U.N.C., Chapel Hill, and Larry Sawyer from Baptist Children's Homes during the evening service.

25. Robin Davidson, christian social ministries director, mentioned several areas of need in our association, such as literacy, adopt a grandparent program, our B.S.U. at Elon College, adopt a student program, migrant ministry, helping the mentally

handicapped, and our single population. Much has been done, and much more needs to be done. Robin challenged us to be "grace people" to others in need of what we can give.

26. Campus ministry report was given by Rev. Bill Cashman. He introduced Cindy Wright, president of Elon College B.S.U., and thanked the W.M.U.'s in our churches for their support this year with meals. There were over 50 students attending some of the meetings, with three professions of faith and several rededications.

27. Rev. Rodney Stilwell, our prison chaplain, advised we have over 300 in our prisons in Orange and Alamance counties. He sees his ministry as threefold: 1) to reach out to the men residing in each unit; 2) to reach out to the staffs of the prisons, and 3) an effort to contact the area's congregations to make them aware of their opportunities and responsibilities to minister to these people.

28. Special prayer was led by Roy Taylor for the following: Dr. Charles Lemley, our moderator; Dr. Ralph Jones, pastor F.B.C. Graham; Mrs. Elizabeth Anderson, sister of Mrs. Nancy Ashley, clerk of Edgewood; Mrs. Laura Nash, Hocutt Memorial; family of deceased Louise Williams, Fellowship; special request for a lady and her husband voiced by Rev. C. J. Bordeaux, West Hill.

29. The congregation sang the hymn, "How Firm a Foundation."

30. Missions Committee report was given by Mr. Tom Hill. He asked for reports of what each church is doing in the area of missions, urging each church to form a Mission Committee. He brought the following recommendations from the missions committee and moved for adoption: (1) That hours for our christian social ministries director be increased from 20 to 32 per week; (2) That our association affiliates itself in an appropriate way with two ecumenical church groups within our association - OCIM, Orange Congregations in Ministry, and ACAC, Allied Churches of Alamance County, in order to have wholesome working relationships with fellow Christians, and prevent duplication of ministries, maintaining all the while our distinctive Baptist witness and tradition; (3) That we plan and sponsor a World Missions Conference in the fall of 1985. After a second to this motion, there was some discussion concerning recommendation No. 2. The messengers present, however, voted to adopt all three recommendations from the Mission Committee.

31. Beverly Alford, W.M.U. Director, called it a privilege to work with women and youth in the area of missions in our association. She called attention to our 75th anniversary W.M.U. History printed this year and available to our churches, asked that each person pray about our Lottie Moon Christmas Offering, and urged the setting of worthy goals. She commended those churches who attained recognition on the W.M.U. Achievement Guide, stating our association was recognized as distinguished on the state level again for the past year.

32. During time for miscellaneous business, Rev. David Cooke, associational Sunday School director for 1983-84, informed us of special high attendance day in Sunday School set for October 30 called "Great Day in the Morning" throughout our state convention. The attendance goal of our state is 335,083. Each church director is asked to report directly to Cooke on that Sunday.

Mrs. May Waugh, consultant for visually handicapped with our convention, advised of 19,291 blind or visually impaired people in North Carolina of which 318 are in Mt. Zion Baptist Association, two at Kinnett Memorial, one at Elon College First, and one at Grove Park. She further advised of available tapes of *Biblical Recorder*, *Royal Service*, and *World Missions Journal*.

At this time, Mrs. Mona Silver, chairman of enrollment reported the following: afternoon session 112 messengers, 34 guests, total 146; evening session 150 messengers, 43 guests, total 193.

Rev. Bill Cashman, director of B.S.U. for 1983-84, requested our association to be thinking in terms of bringing to Elon College at least a part-time paid person to work

with our Baptist students. There is a real need for an ongoing ministry there, not just one day each week. He brought this as a recommendation to the Missions Committee.

33. The hymn, "Jesus Saves," was sung by the congregation.

34. Baptist hospital report was given by Mrs. Kathy Crawford by showing slides of various areas of hospital work.

35. Special music, "Here Am I, Send Me," was rendered by Margaret Miller.

36. Howard Silver introduced Dr. Alton Hood, medical missionary to Thailand, who spoke of his work there, illustrating with slides. As a token of its appreciation for Dr. Hood and his ministry, the association gave him a resource book on surgical procedures to assist him with his work. A second book on order had not arrived in time to present to him at the meeting.

37. Closing prayer was led by Rev. Harold Ball.

Tuesday Evening, October 18, 1983

44. The Brotherhood report is also found elsewhere in this annual.

45. Rev. Paul West, chairman of Committee on Committees, brought the following names of persons to serve on the new associational Strategy Planning Committee: Mr. Terrell Duncan, Northside, chairman; Miss Beverly Alford, Grove Park; Mrs. Gerry Ball, Eastlawn; Rev. Jeff Brendle, Fellowship; Rev. Richard Bruce, Cross Roads; Mr. Raymond Campbell, Glenn Hope; Dr. Tom Denton, Hillsborough First; Mrs. Maynard Ellington, Grove Park; Rev. Joe Hicks, Mt. Zion; Rev. 46. Mrs. Edna Smith, chairman of Nominations Committee, presented the following names to fill vacancies: Vice moderator III - Dr. Gene Akins, Kinnett Memorial; Youth coordinator - the Rev. Steve Rumley, Burlington First. Motion made to accept this recommendation from this committee carried.

47. During miscellaneous business Mrs. Shirley Bradley announced a short meeting of representatives of churches who would be helping with birthday parties at the prisons immediately following our evening program. Howard Silver announced a special seminar to be held Tuesday evening at 7:30, November 22, Mebane First, to be held by Mr. Paul Hoyle C.P.A., concerning social security regulations and laws. As of January 1, 1984 all church employees will come under social security regulations.

48. The hymn, "The Old Rugged Cross," was sung by the group.

49. Miss Lenna Rudd, chairman of Memorial Committee, made a motion that our annual this year be dedicated to Rev. J. H. Waugh. This motion carried. Rev. Phil Waugh, pastor of McDuffie Memorial Baptist Church, was present to represent his family. Lenna also referred to complete list of deceased of our churches, copy of which is included in our annual. She led in a special prayer.

50. Howard Silver thanked the Coordinating Council for their support and expressed appreciation to the association on behalf of this council. He presented certificates to the following churches who increased their giving to associational missions during Bold Mission Thrust-Phase I: Alamance First, Antioch, Bethel, Colonial Hills, Eastlawn, Elon College First, Fellowship, Grove Park, Hillsborough First, Holly Hill, Mt. Adar, Mt. Zion, Nall Memorial, North Graham, Riverside, Swepsonville. Three churches were recognized for increasing 100 percent in all three areas this year - baptisms, cooperative program, and associational missions. These were Alamance First, Elon College First, and Fellowship. The Coordinating Council feels we should also be in touch with tele-communications, known as ACTS and TELNET. The coordinating council made a recommendation that a task force be appointed to check into ACTS and TELNET and return to our association to tell us what is best for us to do. Motion made that this be done and motion carried. A complete report of director of missions is found elsewhere in this annual.

51. Rev. Dana Slack presented the report of the Resolution Committee, and this report is shown elsewhere in this annual. Motion was made to accept this report and it passed.

52. Mrs. Mona Silver, chairman of enrollment, reported a total of 104 messengers and 28 guests present for this meeting. There was a total of 481 present during all meetings with only three churches not represented.

53. Special music - "Set My Soul Afire, Lord," was sung by Alan Riley.

54. The annual sermon was brought by Dr. Tom Denton, alternate, pastor of Hillsborough First. He used as his subject, "The Sheep and The Shepherd," basing his remark on portions of John 10.

55. Following Dr. Denton's message, the association shared the Lord's Supper.

56. "Bless Be the Tie," was sung as a benediction. This adjourned the 114th session of Mount Zion Baptist Association.

Missions Committee Report

The Missions Committee invites your attention to reports of associational ministries found elsewhere in this "Book of Advanced Reports."

The committee also expressed its appreciation to each church and to every individual who helped to make 1982-83 a good year for associational missions.

Through June of this year, the committee spent most of its time and energy arranging for the termination of the emergency care home ministry. On January 18, 1983, Baptist Children's Homes announced that the emergency care ministry would be discontinued in Burlington. Since our association was not able to continue this ministry without the assistance and cooperation of Baptist Children's Homes, arrangements were made with Lutheran Family Services Incorporated to use the house at 604 South Broad Street, Burlington, for their own program of ministry. These arrangements were completed June 30, 1983.

Aware of the tremendous growth and change that are expected to occur in the Hillsborough area of our association, the Missions Committee offers its encouragement and assistance to any church or group of churches that would consider beginning a mission work there.

Moreover, each church is encouraged to form an active Missions Committee to work with the association in discovering and responding to new missions opportunities.

The Missions Committee offers the following recommendations:

1) That the Director of Christian Social Ministries be authorized to increase the time she works from the current 20 hours per week to 32 hours per week. The intent of this recommendation is to enable the association to respond to increasing opportunities for Christian social ministries.

2) That our association affiliate itself in an appropriate way with the two ecumenical church groups within our association - OCIM, Orange Congregations in Ministry and ACAC, Allied Churches of Alamance County - in order to have wholesome working relationships with fellow-Christians and to prevent any duplication of ministries, maintaining all the while our distinctive Baptist witness and tradition.

The intention of this recommendation is not to merge our association with these groups, but rather to cooperate with them and they with us. This would be in keeping with trends emerging elsewhere, enabling Christians of various denominations to form "networks" for effective ministry.

3) That our association plan and sponsor a World Missions Conference in the Fall of 1985. The purpose of this conference is missions education and inspiration.

Missionaries representing each aspect of our overall missions task would be available to visit and speak in our churches.

The intent of this recommendation is to keep before us one of the stated purposes of our association, which is: "To promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association."

Respectfully submitted,
Tom Hill, Chairman
Missions Committee

Director of Missions Report

Baptists need and like to hear of their accomplishments, and we take pride, justifiably so, in what God is doing through us. It is unnecessary, however, to review here what is covered in reports to be found elsewhere in this "Book of Advanced Reports." Suffice it to say that each associational ministry - with the exception of

emergency care - has grown both in extent and influence during the past year. We are grateful for God's blessings upon these ministries, and we express gratitude to those persons who give time and energy in order to make our ministries effective.

Trust, fellowship, and cooperation among our churches continue at a high level. This is gratifying because without these characteristics, whatever else we may be, we would not be a Baptist association. In essence, a Baptist association is a "Fellowship of kindred minds," and cherishing, strengthening, and nourishing this fellowship is of paramount importance.

A church is not important because of its size, its location, or its budget. A church is significant because it is a part of the "Body of Christ." One of our deepest and dearest Baptist principles is that each church has something precious to give to and receive from the other churches. We simply must not lose sight of this truth. Our association is the best way we know to express and experience our uniqueness as part of God's people.

One of my dreams for our association is for us to recognize and recover our treasure as the people of God, and to share freely and gladly in God's gracious calling and His abundant gifts for our common ministry.

A word of commendation is due our churches for their faithful support of the association. Another year has passed without our having to borrow money to meet ongoing operating expenses. Prior to two years ago, borrowing was a routine practice, but I hope that we shall not have to resort to it in the future. Borrowing money is expensive, and when it can be avoided, it is not the best stewardship of the resources God has entrusted to us.

It was with reluctance and regret that we concluded our emergency care ministry for children that had meant so much to our churches. But there was no way to continue this ministry under the conditions stipulated by Baptist Children's Homes. Every possibility of doing so was explored carefully and thoroughly.

However, all was not loss. Our termination of the emergency care ministry made it possible for a new ministry, sponsored by our Lutheran friends, to begin. In a letter to the association, dated July 8, 1983, the Director of this new ministry wrote:

"I want to thank Mount Zion Baptist Association for your assistance in helping Lutheran Family Services establish a new Group Home in Burlington....

"I realize that it must have been a very difficult decision to end an established ministry, especially one as important and rewarding as an Emergency Care Home for Children. The association should be proud that it was able to run a quality facility for so many years."

One inherent genius of a Baptist association is its ability to adapt to change. It may well be that in God's plan for us our emergency care ministry was completed, and that we are now to direct our resources and responsibilities for local missions elsewhere. In any event, a vital ministry is still offered in the facility that our association acquired, prepared, and used for eight years. This in itself is an achievement of no little significance.

Another ministry that you provide has not had much publicity. Nevertheless, it has profoundly touched the lives of many needy people. I quote again from a letter received from Mr. Jim Powell, Director of the Community Health Center at Prospect Hill:

"I would like to take this opportunity to thank Mount Zion Association for the ministry you are providing for the patients at the Prospect Hill Health Center...

"Not only have your people helped with child care and in-center activities, they have met many needs in the community as well. We will never know the full impact this ministry may have on the lives involved but I'm sure that when Christ said, 'Inasmuch as ye have

done it unto one of the least of these my brethern, ye have done it unto me,' He was speaking of deeds such as your association is doing."

It is difficult to elaborate on this without doing it injustice. Be assured, however, that you and your church, through the association, make it possible for such ministries to happen, and can there be any doubt that they are in keeping with the mind and Spirit of our Lord?

Through the associational office, your staff has carried on a ministry of assistance and encouragement to individuals and churches. The continual increase in the number of requests for assistance, information, and other resources is an indication of the growing freedom people feel to call or come by the associational office. In addition, I maintain a full schedule of counseling, listening, teaching, consulting, visiting, speaking and preaching. Your providing an associational center and staff personnel are in and of themselves a vital ministry.

Looking to the future, there are several trends, some more obvious than others, that already are affecting our life together as an association.

First, there is - and will continue to be - marked change and unprecedented growth in our association south of Hillsborough. Many new opportunities for ministry and witness will challenge us. Our responsibility is to discover appropriate ways to participate authentically in this change, and we need to give high priority to beginning a new church work in that area. It is not too early for a church or a group of churches to think and pray about sponsoring a new work there.

Another trend, though certainly not new, is the continuing strife in our denomination concerning Biblical interpretation. How this strife will work itself out, no one is able to say. However, one of the most helpful things churches could do in this regard is to provide opportunities for our people to rediscover who Baptists are, and reclaim the historic position that Baptists at their best have always taken concerning the interpretation of the Scriptures. I call upon our churches to schedule and structure indepth studies of Baptist history, and involve as many people in these studies as possible.

A third trend with increasing momentum is "women in ministry." While I do not presume to write for any church - or our association for that matter - I do call upon us to be sensitive to and grateful for the way the Holy Spirit is leading in the lives of women, more and more of whom are being called into prominent leadership positions within our churches and denomination. It seems appropriate to focus not upon one's gender, but upon one's personhood; not upon whether one is male or female, but upon whether God had laid His hand of high calling upon a capable and dedicated servant. As clearly as I am able to see at the moment, this attitude toward "women in ministry" seems to be in keeping with the mind of our Lord.

Still a fourth trend is that of cooperation among churches of different denominational preferences. Already this trend is occurring in our area. Orange Congregation in Ministry in Orange County and Allied Churches of Alamance County are examples of this trend. God is at work through people other than Baptists, and I call upon us to cooperate with them to the extent possible while maintaining our own uniqueness as a part of the people of God.

A fifth trend, as John Naisbett points out in his provocative book *Megatrends*, is that decisions of real consequence in the future will be made from the "bottom up," and not from the "top down," as has been the custom. This means that people want to participate in decisions that affect them. Certainly this is true of the people and churches comprising our association.

Those of us who share leadership responsibility in the association invite and welcome your suggestions, thoughts, and ideas that will enable the association to respond to your needs and, at the same time, be on the "cutting edge" of authentic

Christian ministry in the days ahead. We pledge to you an attitude of openness, sensitivity, cooperation, and accountability as, together we strive to be "a fellowship of kindred minds" on missions in our association.

In view of these and other trends the future is here. And, as someone has said, "The future ain't what it used to be." We can be assured, however, that whatever the future holds God is at work, and He calls you and me to work with Him, sharing His great redemptive purpose.

In conclusion, I express grateful appreciation to a dedicated and cooperative associational staff and to a host of volunteers who enable the association to do its work.

Coordinating Council Report

The Coordinating Council, in addition to its responsibility of coordinating the work and activities of the association, serves as an advisory council to the Director of Missions.

The council recognizes with gratitude the support churches have provided for the association during the past year. Moreover, it is aware that the association belongs to the churches, and it welcomes suggestions that will enable the association to be more effective as it seeks to undergird and strengthen the churches and their ministries.

The end of 1982 marked the completion of Phase I (1977 -1982) of Bold Mission Thrust. Many of our churches accomplished one or more of the following goals during this period: (1) Doubling baptisms; (2) Doubling gifts to the local church; (3) Doubling gifts to the Cooperative Program; and (4) Doubling gifts to the association.

Churches doubling baptisms are: First Baptist Church, Alamance; Antioch Baptist Church; Bethel Baptist Church; First Baptist Church, Burlington; Colonial Hills Baptist Church; First Baptist Church, Elon College; Fellowship Baptist Church; Glencoe Baptist Church; Grove Park Baptist Church; Mars Hill Baptist Church; North Graham Baptist Church; Ossipee Baptist Church; and Swepsonville Baptist Church.

Churches doubling gifts to the local church are: First Baptist Church, Alamance; First Baptist Church, Elon College; Fellowship Baptist Church; First Baptist Church, Hillsborough; and Mount Zion Baptist Church.

Churches doubling gifts to the Cooperative Program are: First Baptist Church, Alamance; Altamahaw Baptist Church; Antioch Baptist Church; First Baptist Church, Burlington; Colonial Hills Baptist Church; Eastlawn Baptist Church; First Baptist Church, Elon College; Fellowship Baptist Church; Glencoe Baptist Church; Glen Hope Baptist Church; Holly Hills Baptist Church; Mount Adar Baptist Church; and Mount Zion Baptist Church.

Churches doubling gifts to the association are: First Baptist Church, Alamance; Altamahaw Baptist Church; Antioch Baptist Church; Bethel Baptist Church; Colonial Hills Baptist Church; Eastlawn Baptist Church; First Baptist Church, Elon College; Fellowship Baptist Church; Grove Park Baptist Church; First Baptist Church, Hillsborough; Holly Hill Baptist Church; Mount Adar Baptist Church; Mount Zion Baptist Church; Nall Memorial Baptist Church; North Graham Baptist Church; Riverside Baptist Church; and Swepsonville Baptist Church.

It is significant to note that three (3) churches achieved all four of these Bold Mission Thrust goals. They are: First Baptist Church, Alamance; First Baptist Church, Elon College; and Fellowship Baptist Church. The council commends these

churches for their achievements and recognizes also that many other churches, while not achieving 100 percent increases in these areas, have nevertheless, made significant progress in this direction.

The council offers the following recommendation to the association:

That the moderator be authorized to appoint a "Task Force on Tele-Communications" to study and make recommendations to the association regarding what response the association should make to "Baptist Tel-Net" and "ACTS," two telecommunications developments within our denomination.

The intent of this recommendation is to enable us to make the best possible use of resources, financial and otherwise.

Coordinating Council

Quarterly Associational Meetings

The following is a condensation of the January, April, and July 1983 meetings:

On JANUARY 10, 1983 the associational meeting was held with Northside Baptist Church with Tommy Hearne, Vice Moderator I, presiding. New pastor and wife, Becky and Steve Hardy of Holly Hill Baptist Church, and Lou Ann Dennison, music director of Cane Creek Baptist Church, and husband, Carl, were introduced by Howard Silver, Director of Missions. Gifts of appreciation were presented to the following staff members who had resigned: Diane Smith, secretary-bookkeeper, to attend Technical College at Alamance, and David Morton, prison chaplain, to work in state champaigny program. Motion made by Personnel Committee and carried to employ Ann Perry as secretary-bookkeeper. Beverly Alford, W.M.U. Director, announced Home Mission Institute and Mission Ministries Workshop scheduled for January 27 at Eastlawn Baptist Church. "Catch the Spirit of the new W.M.U." is slogan for Southern Baptist missions involvement this year. Missions Committee recommended the following, and motion made and carried: (1) Pending Baptist Children's Homes approval that contract be executed and Emergency Care Home be reopened April 1, 1983; (2) lease with Lutheran Family Services for use of house at 604 S. Broad Street, Burlington, be extended until March 31, 1983; (3) that should Baptist Children's Homes decline to enter into contract with our association to reestablish emergency care ministry, the Missions Committee be authorized to explore possible alternative use of this facility. Motion was made by Finance Committee to increase basic staff salaries five percent over 1982, representing an increase in the 1983 budget by \$1,684.76. Motion carried. Motion also made and carried to increase 1983 budget from \$400.00 to \$800.00 for additional clerical assistance. Motion made directing associational staff to arrange non-profit charter bus trip to meeting of Southern Baptist Convention in Pittsburgh, Pennsylvania in June. Doctrinal sermon brought by Harold Ball, pastor of Eastlawn Baptist Church, on "The Bible for Today." There were 131 present from 28 churches.

APRIL 11, 1983 Dr. Ernest Upchurch, former director of church development in our state, brought a message on "The Church Reaching Out in Mission" as we met with Bethel Baptist Church, with Charles Lemley presiding. After being informed that Baptist Children's Homes would not reopen the Emergency Care Home, motion made and carried to grant to Missions Committee (1) authorization to extend current sub-lease agreement with Lutheran Family Services for the house until June 30, 1983; (2) between now and June 30, 1983 negotiate with owner, J. Thomas Lindley, and Lutheran Family Services toward being released from current lease agreement; (3) negotiate equitable price for furnishings and equipment in house at 604 S. Broad

Street, Burlington, and funds to be set aside for future associational ministries. We voted to join with Home Mission Board to do long range planning and \$1,500.00 to be allocated in 1984 budget for this purpose. Officers for 1983-84 as proposed by Nominating Committee and Committee on Committees were duly elected, and appear elsewhere in our printed minutes. Lisa Horne and Cindy Wright from Elon College B.S.U. shared something of the work there. Howard Silver paid special tribute to Bruce Martin, pastor of Elon College, First, for directing the B.S.U. work there.

Our JULY 11, 1983 Key Leadership meeting was hosted by City Lake Baptist Church with a fellowship meal. Charles Lemley, Moderator, presided over a short business session. Tom Hill, Missions Committee chairman, reported our association has been released from our obligation to J. Thomas Lindley and been paid for furnishings and equipment at 604 S. Broad St., Burlington, by Lutheran Family Services. He requested prayer for the Hillsborough area where a survey has been made. Special prayer was given for Rev. J.M. Wright, founding pastor of Fellowship Baptist Church; school problem; Clyde Stutts and wife from Asheboro serving in McCook, S.D., and Rose Slack, wife of our host pastor. Conferences were then led for Church Clerks, Church Training directors, Music directors, Baptist Men and R. A.'s, Sunday School, Woman's Missionary Union, Evangelism, Christian Social Ministries, Prison Ministry, and Youth leaders.

Youth Coordinator's Report

It has again been a pleasure to work as Youth Coordinator this year. One of our most successful projects was our youth rallies held in conjunction with the Southern Baptist Convention Youth Week, March 14-20. The rallies were held at First Baptist Church, Burlington; Grove Park Baptist Church; and Eastlawn Baptist Church. High attendance and commitments marked successful rallies.

We also worked again with the Fellowship of Christian Athletes in conducting the Weekend of Champions at Williams High School Auditorium. This was a huge success with over 1,000 in attendance.

Along with these youth emphasized events we had a series of conferences for youth workers with over 12 churches represented.

Thanks for a great year.

Garry Baldwin, Youth Coordinator

Prison Ministry Report

In the past two and one half months the association has begun a new chapter in its ministry at the Alamance and Orange county prison units. This new chapter was marked by the end of Jack Gross' interim work and the beginning of my ministry as unit chaplain. The period of transition went smoothly and is now becoming more stable.

The ministry that I see developing for our association is threefold in its scope and purpose. First, it attempts to reach out to the men residing in each of the units. By contacting them, informally and formally, I seek to establish relationships. Second, the ministry I am developing reaches out to the staffs of the prisons. Third, I am making an effort to contact the area's congregations that they might become more aware of their opportunities and responsibilities to minister to these people.

In each of the three concerns of the ministry there has been encouraging results already. I have received a genuine welcome from the inmates and staffs of the prisons, as well as an eagerness on the part of many churches and individuals to help in many ways.

The inmates have responded to our ministry. The seminary extension class on "The Gospel of Mark" has been a positive addition to the Christian witness. One inmate in particular has been touched by the Christian care he has received from our ministry. After declaring to me in the opening minutes of our first conversation, "Preacher don't expect me to attend anything you have around here-cause I'm not!" he has decided to find out more about the faith he had always rejected. As the course continued he felt received by the others and there has been a change in his willingness to discuss the Christian faith and his life. I attribute part of his openness to a local church's reaching out to his wife and children. The area congregation visited the family, took the children shopping for school clothes, and invited them to Wednesday night supper and services. The inmate has been touched by the witnesses to Christ as they have reached him at a difficult time in his life.

The staffs at the units have responded in an equally receptive way. They have encouraged the work I have undertaken and the active participation of various church groups. They recognized that the chaplain our association sponsors is another person to aid them in a difficult and stressful type of work. One of the unit's captains has gone on record as stating that a chaplain is worth more than two or three custody officers to the inmates.

Another area of the ministry has touched the lives of our local congregations. In responding to the ministry's needs, many have sought to help in various ways. A women's group is planning a birthday project that will send a greeting card to every inmate during the month of his birthday. The card will include an invitation to a get-together evening for all those who have a birthday that particular month. Also, two churches have sponsored the families of inmates who have had difficulty in sending the children to school. Their aid was in the form of clothes and school supplies. Hymnals and books have been donated to the prison libraries. Several men from a church have committed themselves to become inmate sponsors. Periodically they will pick an inmate up from the unit to enjoy an activity together, e.g. a picnic, a dinner, a ballgame, a shopping trip. Other churches have pledged financial support as well.

There are many needs in addition to the ones described above. The position needs to be expanded to a full-time basis. The men need more contact with local church congregations. Church programs need to be recycled for the men at these two units. The list for ministry opportunities in the future is limited only by one's commitment and imagination.

Respectfully submitted,
Rodney Stilwell, Prison Chaplain

Director of Christian Social Ministries Report

On June 1, 1983 I assumed responsibilities as your Director of Christian Social Ministries. The objective of Christian Social Ministries is to assist churches within the association in expressing Christian love and concern through ministering to social, physical, spiritual, and emotional needs of people. Christian Social Ministries attempts to enable churches and associations to discover needs, and match resources to meet these needs. In other words, because we have received the gift of grace in the form of unconditional love; we must be "grace people" to others.

Realizing there was (and is) much that could and needed to be done in the area of Christian Social Ministries, and being aware it couldn't be done in 20 hours per week, I have focused on area that I perceive as having the greatest needs at this time.

Some of the focus has been on new works, and some on a continuance with work that was existing before assuming the position as CSM Director. The following are new works:

An adopt-a-grandparent program involving ministry to the elderly - Mount Zion Baptist Church has begun such a program utilizing their Acteen group by "adopting" some elderly residents of a local nursing home. Thanks to the Acteens and their leaders for being "grace people" to the elderly in their community.

The Hillsborough community is a rapidly growing area. With this growth comes the realization of many needs that are not being met. Much of my future work will be focused in this area of ministry. I hope you will be "grace people" with me as we find new and creative ways to minister to this growing population in Hillsborough.

The Baptist Student Union is a vital part in the lives of many students at Elon College. Bill Cashman and Bruce Martin offer leadership to the group, as the W.M.U. ladies of our association provide lunches when the group meets. As a result, over 50 college students' lives have been touched - by grace. Student ministry will continue to be part of my work as CSM director, with a focus on the church community being "grace people" to their "own" student members.

Many of the continuing ministries remain successful. The migrant ministry is one - beginning this year with the donation of approximately 250 health kits to the migrant population within the Prospect Hill area. On July 17, a picnic was given for the migrants in cooperation with the association, the Hispanic Club of the Blessed Sacrament Church, and the Employment Security Commission. Over 200 were touched by this ministry. Much thanks goes to Annie Ivey, Shirley Bradley, and the W.M.U. of our association for their involvement in these ministries. Another sincere thanks goes to the following churches for giving money to a migrant worker, who with the \$350 given was able to accompany the body of his deceased brother back to Mexico: Mebane, First; Graham, First; Mount Zion; Alamance, First; Eastlawn; Kinnett Memorial; Burlington, First; and Grove Park. That's grace.

Many churches in the association were involved in the CROP Walk in Alamance County. I appreciate your unique involvement in a worthy cause, and your efforts to "feed" the hungry of our world.

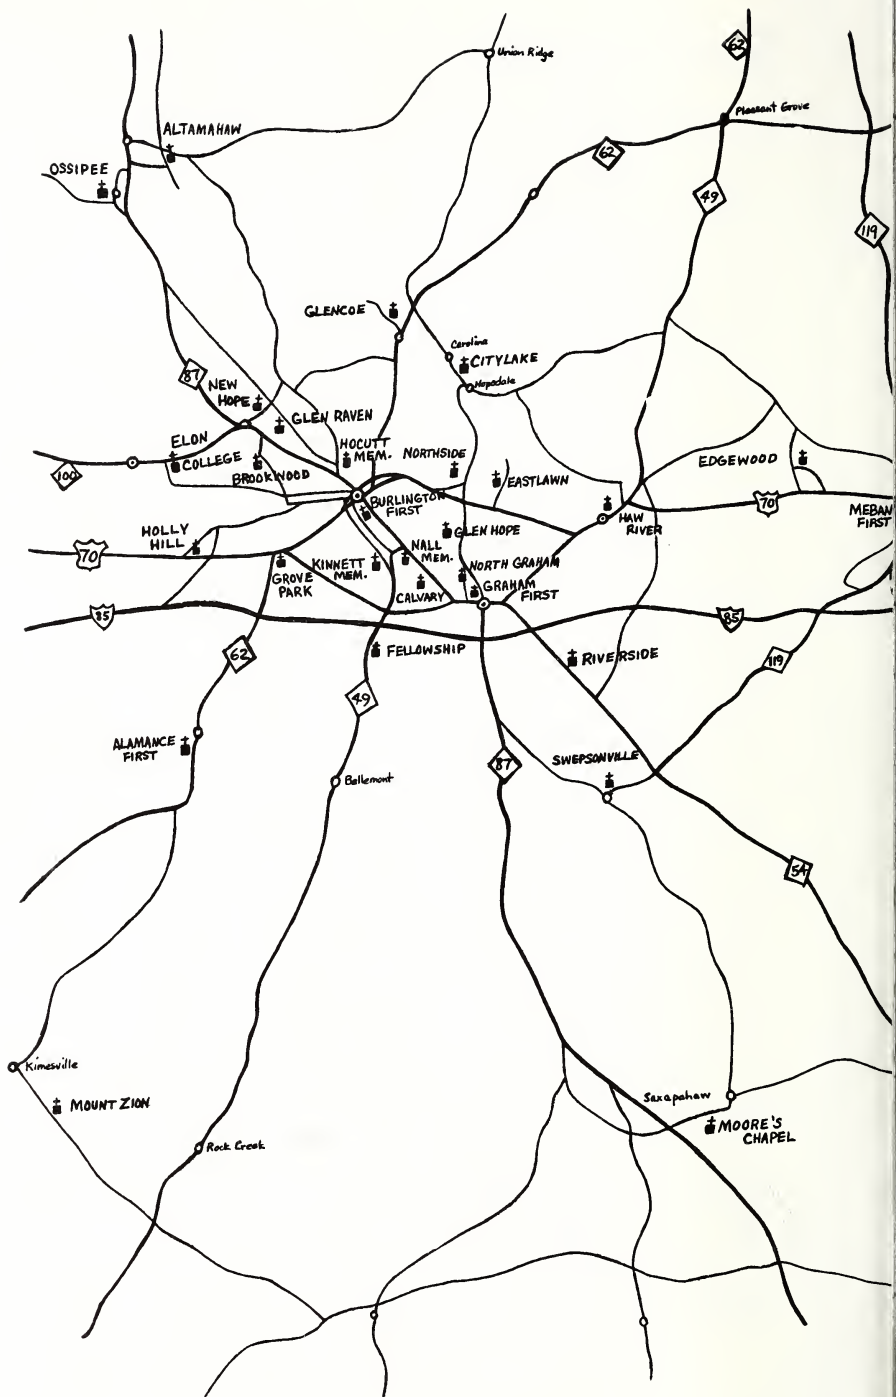

Illiteracy is a problem in North Carolina, involving 2 million persons in our state who cannot read or write. On March 29-31, 1984, a literacy training workshop will be held at First Baptist Church, Mebane. Please come and learn how you can be a "grace person" to the many illiterate persons in our community.

Many churches have offered assistance through their food, clothing, and crisis closets. For example: Northside and Hocutt Memorial provided some food and clothing for a family that had been "burned out" of their home. Even more recently, many of the churches in our association pulled together resources to help Earl and Lillie Mae Harden after their house was destroyed by a fire. That's grace...upon grace.

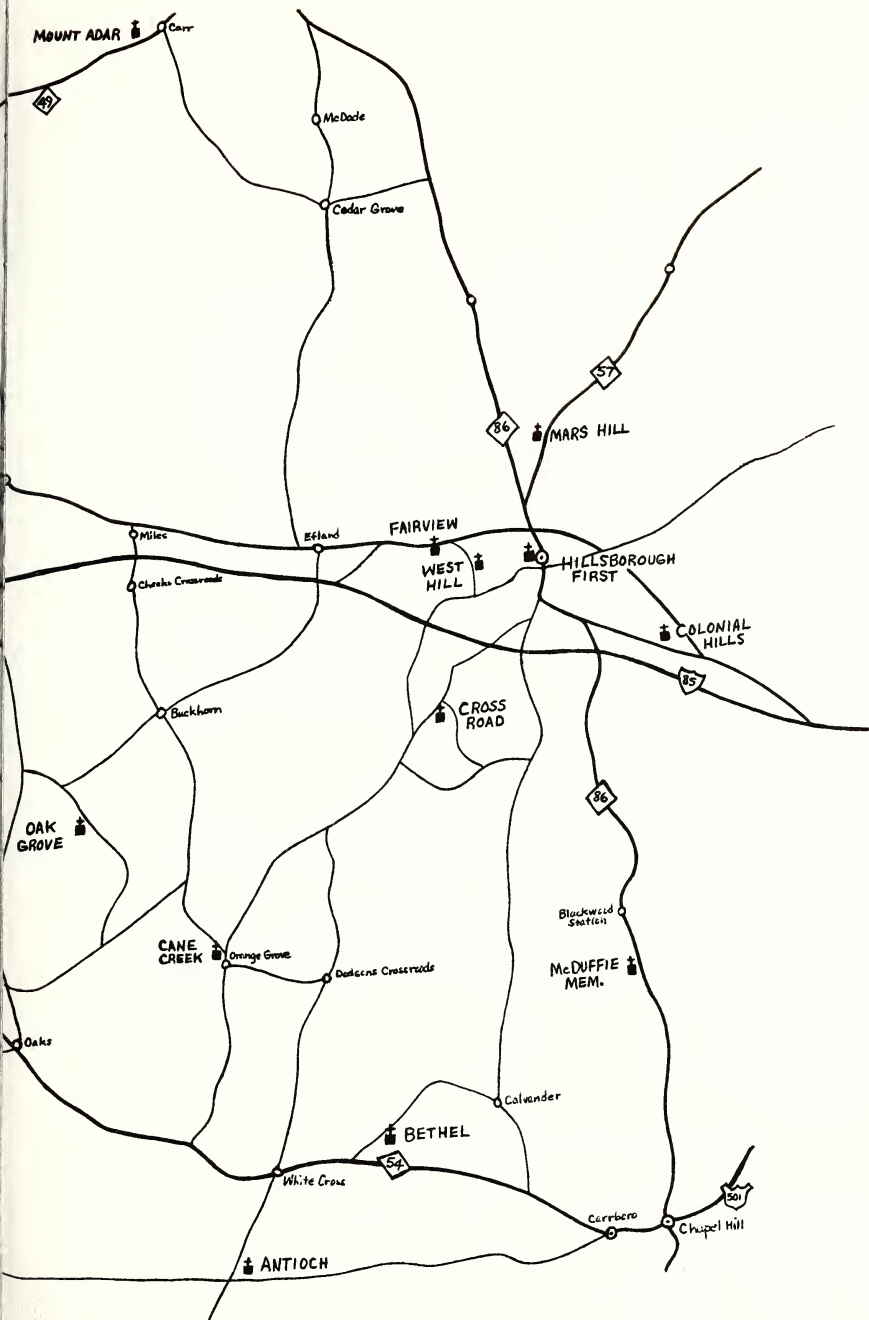

As you can see there is much that has been done, and much more that needs to be done. Time and the continual use of our talents, abilities, and skills to be "grace people" to others in need of what we've got is the answer.

Thanks to each of you who have offered yourselves in ministry to persons who need God's grace. Thanks to Mona, Howard, Ann and Rod for being supportive co-workers. To the Mission Committee, Personnel Committee, and the Mount Zion Association, I give my sincere thanks for being "grace people" to me and many others.

Robin Davidson, Director,

Church Training Report

Throughout our conventions, our associations, our churches, people are realizing that evangelism and Bible teaching alone are not producing disciples who will witness and minister and build up the church. A church's function is also to teach and train, edify and instruct. Church Training's goal is to help believers understand and apply Biblical doctrine, live according to Biblical teaching, and develop their gifts so they are able to effectively witness and minister - all for the purpose of Christian growth and "the building up of the body of Christ." (Eph. 4:12)

The Southern Baptist Church Training program makes Biblically sound materials available to help churches. If a church chooses not to use this material, it must spend additional time and energy to develop its own program of training (frequently putting most of the responsibility on the pastor, instead of training others to lead) or be unfaithful to the Biblical mandate for training. (Eph. 4:11-16) Without program of training, new believers will continue to become lost to "the world" or to "winds of doctrine," or will remain infants on Christ, never helping the church to function as it should.

If we are honest, we admit that Mount Zion Baptist Association has few, if any, training programs that reach the goals outlined. We do have, however, what has been referred to as a "viable" organization, or one capable of life. Let's work and pray together that 1984 will be a year of new life and growth in our church training program, a year of "Bold Growth in Discipleship."

Kathryn Ellington,
Church Training Director

Brotherhood Report

This has been a very good year for the Brotherhood. We have had three new Baptist Men's groups started in the association. I have had the pleasure of attending several Baptist meetings and having some programs. I hope next year will give me the opportunity to visit even more churches.

I will be looking for a new R. A. Leader this year to replace Andy Brown. Andy has a new job opportunity and will be moving to Nashville, North Carolina. If anyone would like this position, please let me know.

Respectfully submitted,
Lonnie Tingen,
Brotherhood Director

Place and Preacher Report

The Place and Preacher Committee of the Mount Zion Baptist Association makes the following recommendations:

That the January 9, 1984 Quarterly Associational meeting be held at the Ossipee Baptist Church; that the April 9, 1984 Quarterly Associational meeting be held at the McDuffie Memorial Baptist Church; that the July 9, 1984 Quarterly Associational meeting be held at the Grove Park Baptist Church; and that the 115th annual session be held at First Baptist Church, Hillsborough on October 22, 1984 and at the Riverside Baptist Church on October 23, 1984.

The committee further recommends that the doctrinal sermon be brought by Dr. Tom Elliott, with Rev. Curtis Tyler as alternate; and that Dr. Carlton Prickett deliver the annual sermon with Rev. Joe Hicks as alternate.

Respectfully submitted,
Bruce Martin, Chairman,
Place and Preacher Committee

Finance Committee Report

The Finance Committee would like to commend the churches for their commitment to associational missions.

The proposed budget for 1984 reflects little change except in the following categories:

1. A \$1,500 item for Associational Strategy Planning, which was approved at the April 1983 meeting.
2. An average six percent salary increase for administrative personnel. Also, the position of Director of Christian Social Ministries would be increased from 20 to 32 hours per week.
3. \$2,000 to establish a food bank in northern Orange County.

We challenge each congregation to move forward in faith with their finances. Stewardship materials are available to help you with budget preparations and your Finance Committee stands ready to assist you as we strive together to do the Lord's work through the Mount Zion Association.

Respectfully submitted,
Sherry Carter, Chairman,
Finance Committee

Evangelism Committee Report

This year has seen our association increase its evangelistic endeavors. Planning has begun for next year.

The years 1984 and 1985 will see an increase in Revival emphasis, not only for our association but for the convention as well. On April 16 and 17, 1984, there will be a Revival Workshop. This will help us plan and schedule an areawide crusade to reach our community with the Gospel.

Respectfully submitted,
Roy Taylor, Chairman,
Evangelism Committee

Ordination Committee Report

The Ordination Committee met four times during this year. It was the unanimous decision of the committee to recommend that the following persons be ordained into the Gospel Ministry.

Wanda Kidd - First Baptist Church, Hillsborough
Lee Ray Green - First Baptist Church, Hillsborough
Steve Rumley - First Baptist Church, Burlington
Fred Treadwell - First Baptist Church, Haw River

Respectfully submitted,
Ralph E. Jones, Jr., Chairman
Ordination Committee

Sunday School Report

Several churches in our association are participating in the 8.5 by '85 campaign as we try to have 8.5 million enrolled in Sunday School by 1985. Also we had churches bring in state-approved workers to lead their teachers and workers in special training.

Another arm of the Sunday School is Vacation Bible School. Once again Rev. Harold Ball conducted two V.B.S. Clinics with good attendance at both. V.B.S. is growing in our association. With V.B.S., Mission V.B.S., and Back Yard Bible Clubs, we are seeing increased enrollments each year. Last year the increase was over seven percent. This is always good news.

Sunday School can be the greatest organization in the church. Let's continue to make our Sunday School Bible-centered, evangelistic, and more effective as we try to Reach and Teach people for the Lord Jesus Christ.

Respectfully submitted,
Bill Cashman,
Sunday School Director

History of Ossipee Baptist Church

Few churches have suffered the disappointments that mark the 50-year history of Ossipee Baptist Church, and few churches have used those disappointments as stepping-stones with as much motivation as this membership has done.

It was in 1933, toward the depression's end, that concerned Christians realized the need for a local Baptist Church to be organized in the Altamahaw-Ossipee areas. Rev. Grover C. Phillips whose family lived in the community led the organization assisted by Rev. McGee.

On that date, Sunday, July 19, 1933 13 charter members gathered in the Old Altamahaw school house and appropriately called the new church "Gethsemane." The charter members included Rev. Phillips, his wife, and their six children: Edna, Paton W., Woodrow, Sarah, Robert and Jennings in addition to Mrs. C. B. Parker, Mrs. Jenny Taylor, Mrs. Mollie Truitt, Mrs. Fannie Wilson and Mrs. David L. Cook.

Only a year later six acres of land were purchased by Rev. Phillips from the John Kernodle estate. With the donation of this land to the church, the church was relocated in Ossipee and its name changed to "Tabernacle."

A conflict in the church arose among members, and when it could not be solved, the doors of the church were closed, marking a sad day in history. About a year later with renewed hope the doors reopened with Rev. L. D. Curl being called as pastor. It was during his pastorate that the church resumed its third name in 1938: Ossipee Baptist Church. Rev. Curl resigned in January 1939.

The congregation was not long without a pastor for Rev. H. P. Gauldin was called at a salary of \$10 weekly which later was raised to \$15. However, in May 1942 he resigned. From then through 1952, the church was listed annually in the Piedmont Baptist Association minutes, but it transferred in 1952 into the Mount Zion Baptist Association and has remained active since that time.

On June 7, 1942 during the dark days of World War II, Rev. Allie R. Snipes became the pastor after transferring from First Baptist of High Point and being ordained to the ministry. During the remainder of the year the church reported the membership to be 92 with 93 enrolled in Sunday School. War clouds continued to hang over our country, families were often relocated and young men were answering the call into military service. Rev. T. J. Tribble pastored 1943-45 with drastic drops in gifts and membership.

He was followed in 1945 by Rev. Walter Brown but he remained only a short while with Rev. Luther King being called and ordained after coming to Ossipee. The church was reaching out by licensing Bill Rainey and James Edmonds to preach during 1946-47. An increase in both gifts and membership was noted.

Once again the fellowship had its faith tested when the church building burned to the ground in 1947. Times were hard and the burdens heavy, but God rallied His love to support His people. They met in an old mission building but only a year later the church was rebuilt with the erection of a parsonage in 1949. God stood by those who continued their faith in Him.

Rev. King ended his ministry in 1950 followed by Rev. Aubrey Quakenbush coming in 1952 to serve 20 months. During his tenure of service, there were 107 members on roll, 10 baptisms, 122 enrolled in Sunday School and 90 in Vacation Bible School. Although no gifts were reported to the Cooperative Program or association, Ossipee Church made contributions to State Missions and the Baptist Hospital.

The Rev. Frank McGuire, who pastored the flock from February 1954 to April 1956, was followed by Rev. Jack Clark, a "native son" who was reared in the village of Ossipee and went out into full-time Christian service from the Ossipee Baptist Church. Under his youthful leadership, progress was evident and many new programs were begun. In 1956 a Woman's Missionary Society was started with 18 members under Mrs. Clark's supervision. Other goals in the following two years included a Brotherhood, Training Union, Sunbeams, G. A.'s and in 1959 the R.A.'s were organized. During Rev. Clark's pastorate the church began giving to the Cooperative Program and associational missions as well as to special offerings of the Southern Baptist Convention. Our association was honored to have Rev. Clark serve as clerk from 1958-60.

Rev. Harvey Rumpfelt followed as shepherd but church activities and interest again seemed to hit a low. In 1956 Rev. Nicholas Demcheck came, and during his ministry steps of progress were noted, including a building program: building educational space, remodeling the sanctuary and installing a baptistry where the first baptismal service was held March 31, 1968. On Rev. Rumpfelt's resignation in 1968, Bill Gordon served as supply until Rev. William Rollings accepted the call which kept him on the pastorate from 1969-1971.

The church reached fulfillment of a goal when the debt was paid off on February 4, 1973 while Rev. W. D. Hudson was the shepherd. Although church gifts increased, the Brotherhood ceased to function until its reorganization in 1983. Acteens was added in 1972. Sunday School enrollment reached 180 by the next year and church membership rose to 226. Things seemed to be on the way upward. Tommy Richardson was licensed by the church in 1974 to preach and served as supply pastor when Rev. Hudson resigned and was replaced by Rev. Albert Taylor in June 1975.

Again the up and down in activities is seen with a membership of 241, Sunday School enrollment at 181 and gifts increasing in spite of this drop. However, a decrease came with the Training Union ceasing and even though the Baptist Women's Group was down to only nine members, their faithfulness prevailed.

Rev. Taylor left in February 1971 with Dale Brooks taking the helm, being ordained by the church in October of that year. He remained until July 1981. The stamina of the membership continued to hold and in 1982 it remained at 1982 with mission gifts exceeding \$4,500. Renovation during summer months included new carpet and padded pews in the sanctuary.

On October 3, 1982 there were changes with a new pastor, Rev. David L. Weeks, beginning his ministry. His family moved into the parsonage the next month. Along with the leadership of his wife, Carolyn, interest in church activities was revived, resulting in many new phases of church life for the Ossipee fellowship. The Brotherhood was revived, Mission Friends started and G. A.'s, Acteens and R. A.'s reorganized.

Senior Adults of the membership were honored this year with a banquet, the first World Hunger offering made and a Vacation Bible School that attracted an attendance of 108. Progressive steps at Ossipee Baptist Church point out that the offerings have grown, the budget is being met and the church kitchen remodeled.

God is at work there among His people, a fellowship of warm hearted members who did not give up but continued under stress to move forward for our Lord.

Music Report

During 1983 we have established an excellent base for future growth in the area of Church Music. Our music lending library is off to an excellent start, and churches may now refer to a growing list of current music available for loan at no cost from other churches in our association. As this ministry continues to expand, it will become even more helpful to churches who have been hard hit by the enormous increase over the past few years in the cost of music.

There were several notable fellowship and learning events that took place this past year. Our Key Leadership Conference held in July was extremely well attended and provided an excellent forum for ideas, plans and fellowship. In August our association co-sponsored along with the Baptist State Convention a Children's Choir Leadership Clinic at Graham Baptist. Also in August, there was a Music Reading clinic to help introduce the lending library.

Plans for the coming year include an Associational PraiseFest this May, a one-day workshop for Volunteer Music Directors, and at least two seasonal Music Reading Sessions.

If there is any way that I can be of service to the music ministry of your church, please do not hesitate to give me a call.

Respectfully submitted,
Alan Riley,
Associational Music Director

Campus Ministry Report

The Baptist Student Union at Elon College experienced a banner year in 1982-1983. Attendance was at an all time high with over 50 students in attendance at some meeting. There were three professions of faith during the school year and several rededications. We were able to send representatives to the student conference last fall at Ridgecrest and the spring conference at Caraway. This year we sent a record number to the student conference in September. As this record shows things are continuing to progress.

In the 1983-84 academic year the B.S.U. will be directed by the Rev. Bill Cashman of Brookwood Baptist Church. Under his leadership we are confident that the work among students, sponsored by the Mount Zion Association, will continue to prosper. We ask that you continue to support this ministry with prayer and invite you to join with us any Wednesday at noon at the Oaks Lounge behind Hardee's.

Once again, we wish to express our gratitude to the W.M.U.s of Mount Zion Association for their hard work and good cooking which has added so much to the success of this ministry.

Respectfully submitted,
Bruce O. Martin,
Chairman, Campus Ministry Committee

Woman's Missionary Union Report

Woman's Missionary Union is at the heart of a church's mission in response to the Great Commission. The emphasis for '82-83 was on Life-Changing Accountability. The watchword came from Ephesians 2:10. Through Woman's Missionary Union, women, girls, and preschoolers learn about missions and become personally involved through praying, giving, and doing. Many of our churches have experienced growth in their organizations during this past year.

Our Mount Zion W.M.U. was recognized as Distinguished at the state W.M.U. Annual meeting at Ridgecrest. We are happy to recognize the following W.M.U. church organizations for their achievements in 1981-82:

The 77th annual session of the Mount Zion Baptist Association W.M.U. met at the First Baptist Church in Mebane on March 15, 1983 with registration totaling almost 300. Mr. and Mrs. Ray Green, journeymen in Tanzania, were our missions representatives. Others on the program challenged us to be missionaries in our churches, association, state, home and foreign fields. Mr. Ernie Clemmons from Fellowship Baptist Church challenged us through "Accountability through church missions projects in South Dakota." Our theme was "Life-Changing Accountability."

Mission action opportunities this year were in migrant ministries, prison ministries, literacy ministry, refugee ministry, the Elon Baptist Student Union ministry, and other local service organizations.

Sharon Knight, missionary to Benin, led our Baptist Women's Prayer Retreat at Elon, First on October 16, 1982. Mary Ellen Garrett, retired missionary was in our association for the Week of Prayer for Foreign Missions in December. Acteens held a Mother-Daughter banquet in December at Burlington, First. A Home Mission Study Institute and Mission Action Workshop were held on January 27, 1983 at Eastlawn. A G.A. activity was held at Eastlawn on April 16 and at Glen Hope on August 13. A Mission Friends Leaders Workshop was held in March. Ten women from our association attended W.M.U. week at Ridgecrest this summer. The W.M.U. Leadership Training was held at Edgewood on September 27. Associational officers attended training seminars in Greensboro and High Point in May and July.

The 75th anniversary, Diamond Jubilee, of the Mount Zion W.M.U. was celebrated in 1981. A 75-year history of the W.M.U. in our association has been written in three parts and published this year. Copies are available from W.M.U. Directors. We are delighted to have copies available of the rich missions heritage of our association.

Let us remember to pray daily for the missionaries from our association:

Mr. and Mrs. Charles Knight, Ivory Coast

Miss Phyllis Thomas, Chile

Mrs. Mae Waugh, Consultant with the Blind, B.S.C.

Rev. and Mrs. Richard Hipps, Brazil

Rev. and Mrs. Bain Daniels, Colombia

Grove Park and Hocutt sent summer missions teams to West Virginia this summer. North Carolina and West Virginia Baptist Conventions are in a mission partnership. They both conducted Bible Schools and participated in survey work.

The Bold Mission Thrust asks us to preach the gospel to every person on earth by the year 2000. God wants to use our availability. Each one of us are missionaries daily for him.

Respectfully submitted,
In His Service,
Beverly Alford, W.M.U. Director

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

Dedication

Mr. Richard Homer Andrews was born in Orange County, North Carolina on May 18, 1893. A distinguished churchman and public servant, his life covered more than 91 years. The majority of those years were spent in service to others, using a variety of talents, as a result of his genuine and humble Christian faith.

Mr. Homer, as he was known by young and old alike, graduated from the University of North Carolina in 1915 with a Doctor of Pharmacy degree, the first one to earn that professional degree. His career as a pharmacist spanned the years of his adult life and included owning his own drug store, Acme Drugs (now Alamance-Andrews Drugs) and service as an active pharmacist until illness curtailed his activities. He was a life member of the North Carolina Pharmaceutical Society. In the larger business community, Mr. Homer was active in the Burlington Merchants Association and the Chamber of Commerce.

Mr. Homer's public life included service as Burlington's postmaster for 29 years before retiring from that post in 1964. He was a member of the Alamance County Board of Commissioners and served as Chairman of that board. He served as a director of Community Federal Savings and Loan, a member of the White House Advisory Council on Aging, and was honored often by the Cherokee Council of the Boy Scouts of America for more than 50 years service to scouting. Alamance County named him Citizen of the Year in 1954 and Senior Citizen of the Year in 1972.

As recognition of Mr. Homer's dedication to education the R. Homer Andrews Elementary School was named in his honor. On the day of the dedication of the school, October 3, 1976, Mr. Homer was present and erased all evidence of a generation gap by keeping the children spellbound by his warm wit and winsome comments. A video tape of that day will preserve the event for generations of students to come.

Mr. Homer's church and family were his dearest treasures. He was a member of Burlington's First Baptist Church for 56 years and served in every leadership position. He was a life deacon and continued to attend faithfully as long as he was able. He was one of the first to have a positive vision and one of the strongest supporters of his church. His ideas were forward thinking and his faith strong. His leadership skills were used by the Mt. Zion Baptist Association and the North Carolina Baptist State Convention in a variety of offices.

Mr. Homer's wife, Nina Ingle Andrews, was a partner and companion until her death in 1976. Czarina Underwood Andrews, who survives, was Mr. Homer's wife and helpmeet until his death on June 7, 1984. Five sisters still live in Chapel Hill and visited him every week bringing homemade pies and cakes as they loved to do.

Obviously, this tribute and dedication to R. Homer Andrews centers on what he did. But the real tribute is what Mr. Homer was. His commitment to Jesus Christ and love for His Lord were extraordinary gifts that bore eternal fruit. His love and patience, joy and peace, kindness and gentleness, and faithfulness made him a great friend to all.

(Revised October 23, 1984)

PREAMBLE

We, the Baptist churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the state and Southern Baptist Convention, according to the following articles:

ARTICLE I — NAME

The name of this body is the "Mount Zion Baptist Association."

ARTICLE II — PURPOSE

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the counties of Alamance and Orange in North Carolina.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its constitution and bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which failed to cooperate with the Association shall be contacted by a committee appointed by the Coordinating Council of the Association to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

Section 3. Churches desiring to affiliate with the Association shall make a written request to the Coordinating Council of the Association at least three months prior to the October meeting. If, in the judgment of the Coordinating Council and the Committee on Membership, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the October meeting of the Association. In any other case a church may be received under watchcare of the Association.

ARTICLE IV — MEETINGS

Section 1. The Association shall meet quarterly on the Monday after the second Sunday in January, April and July. In October the Association shall meet on Monday and Tuesday after the third Sunday.

Section 2. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

Section 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings.

Section 4. Each church is entitled to 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

ARTICLE V — AUTHORITY

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist body, whether church or auxiliary organization.

ARTICLE VI — OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be *Moderator, Vice Moderator I, Vice Moderator II, Vice Moderator III, Vice Moderator IV, Clerk, Treasurer, Music Director, Auditor, Historian, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, and Coordinator of Youth Activities.*

Section 3. Officers shall assume their duties at the close of the October meeting and serve through the next October meeting, or until their successors are elected.

Section 4. Any person having served two terms as Moderator shall be ineligible for re-election for a period of two years.

ARTICLE VII — TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one of whom should be an attorney, serving terms of six years each on a rotating basis. Upon nomination by the Committee on Nominations, one new trustee shall be elected at the April meeting in each EVEN year to fill the vacancy created by the expiration of the term of one of the three. No trustee is eligible for a second term of service until after a lapse of two years. The expiration date of each trustee's term of office shall appear in the Associational minutes.

ARTICLE VIII — THE COORDINATING COUNCIL

The Coordinating Council shall be composed of the Moderator, the four Vice Moderators, the Director of Missions, and three members at large appointed by the Moderator annually for a period of one year. The Coordinating Council shall be responsible for coordinating and directing all the work of the Association, including long range planning. Students feel it is their program, and they are growing in unity. A new program called "Encounter" has been initiated which has developed a more creative Bible study time. She has asked some help from some pastors and feels grateful for their response. Her full report is found elsewhere in this annual.

Harold Ball, chairman of the Telecommunications Task Force, brought two recommendations from his committee: (1) That the association enter into an agreement with the Southern Baptist Radio and Television Commission to broadcast on local cable television twenty-four hours a day, seven days a week through the American Christian Television Service; and (2) That \$5,000.00 be allocated from the future ministries fund (savings account from sale of associational home) to be applied to the total amount of equipment and installation necessary to get on the air. The estimate, furnished by Radio and Television Commission and the cable company engineer, to begin broadcasting will be \$15,000.00. The difference between the amount needed (\$15,000.00) and the amount from the future ministries fund (\$5,000.00) should be generated from the participating churches on a pro-rata basis. Motion was made and seconded to approve these recommendations, and the motion carried.

Each person is asked to reach five people or families. On November 8, at 7:00 P.M. there will be a workshop at Mebane, First for pastors, Sunday School directors, and ministers of education. Charles Lemley presided at Mebane First, and reports were given by Beverly Alford for WMU; David Cooke, Sunday School; Kathryn Ellington, Church Training; and Robin Davidson, Christian Social Ministries. Frank Haith, Chairman of Nominating Committee, presented a slate of officers for 1984-85, and Gene Akins, Chairman of Committee on Committees, presented names for these committees for the new year. These were duly elected and appear elsewhere in our printed minutes. A request was presented from the chairman of the Campus Ministry Committee that the constitution be changed to read that 5 persons would serve on this committee rather than 4. This request was referred to the Constitution Committee for action at the October Annual Meeting. The name of Paul Hoyle was added to Finance Committee.

Our JULY 9, 1984 Leadership met with Grove Park Baptist Church, with Charles Lemley presiding. Howard Silver introduced Phillip and Ruth Moore, new pastor and wife of Cross Roads Church. He presented gifts to Tom Gaskins, pastor of Hocutt Memorial, who recently received his doctorate from Luther Rice Seminary, and Rod Stilwell, part-time prison chaplain, who graduated from Southeastern Baptist Theological Seminary with the highest academic rank of his class. Tom Hill, Missions Committee Chairman, reported several people from two churches going to the Bronx area to do plumbing and painting in a day care center, and apartment visitation in the evenings to help begin a Bible study; that some thought has been given to starting a truck stop ministry; and we are hoping to start three new churches in our association. Rod Stilwell spoke of establishment of Yoke Fellow Chapter for our prison work. Robin Davidson, CSM Director, told of planned migrant picnic for July 22; Elon College BSU has started a Thursday night Bible study on their own; in August a Backyard Bible Club planned for an apartment complex in Hillsborough area. Paul Lewis, summer worker, reported a need for Bible studies, child care, and a chaplaincy ministry in the Hillsborough area. Mrs. LaJune Moore of Glen Hope Church was elected clerk for our association for 1984-85. The body voted to ask Tom and Jean Hill as well as Ray Jernigan to represent our association at a twelve year anniversary celebration at a Baptist Church Tom helped organize in Belem, Brazil. They will make the trip this fall, and there will be no cost to our association. There were brief overviews of our programs for 1984-85 given by our department directors. Conferences were then led for Church clerks, Church Training directors, Music directors, Baptist Men and R.A. leaders, Sunday School, Woman's Missionary Union, Evangelism, Christian Social Ministries, Youth workers, and New Work.

Respectfully submitted,
Edna J. Smith, Clerk

History of Mount Zion Baptist Church

Members of Mount Zion Baptist Church might well refer to their historical heritage as a pattern of timeless moments, so unfalteringly Mount Zion has stood in her rural setting since organization in the late 18th century.

She is older by 23 years than Alamance County and younger by half a century than the American Union. Seeds for Baptist work in the territory were planted as early as 1755 when the Philadelphia Baptist Association's mission project was sending preachers into the Carolina virgin area.

Theirs was a threefold purpose: to seek the souls of the pioneer settlers, to preach the gospel everywhere and to aid the poorly instructed by teaching the right ways of God. Since the early settlers had been for the most part of Baptist and Quaker faith, the soil was suitable for the seeds sown.

By 1755 efforts of early religious liberty apostles were reinforced by a "company" or "church" whose beginning was initiated by the preaching of George Whitfield, English evangelist who made numerous trips to America to preach along the East Coast. His work and dedication touched the life of a pioneer called Shubal Stearns (pronounced Starnes). This convert with his wife, parents, brothers and others found a new home in Sandy Creek, Randolph County, arriving November 18, 1755.

History tells us that immediately they erected a house of worship and on November 22, 1755 the first Baptist church in all these territories was organized. A flame was lit to the glory of God that was not to be extinguished!

Three years later in 1758 delegates gathered from 6 other Baptist churches and organized the 3rd Baptist Association in America, referring to themselves as "Separate Baptists." Soon they merged with Benjamin Miller and John Gano who had been preaching throughout the Carolinas, and the flame became brighter, illuminating otherwise darkened areas.

It appears that from this group of preachers, several divided the land of the territory into "fields" with Elder Joseph Breed going to the Little River (Montgomery County) area, Elder Daniel Marshall to Abbott's Creek and Elder Stearns preaching at Sandy Creek Church and its missions, then spoken of as "arms." He continued to evangelize southward to the Savannah, from Brunswick in the east to Rowan toward the west. History holds that the Southern Baptist Convention had its start with these contributions and works of early evangelists and preachers.

Mount Zion is one of the missions growing out of Sandy Creek under Elder Stearns. Others were Shady Grove, Rocky River and Millstone. Yet, little is known of Mount Zion's own history until 1824 when the Sandy Creek Association met there on October 23, and days following. David Patterson who lived near by and who had held membership for several years with Sandy Creek Church was registered a delegate. A protracted meeting followed and numerous converts were gathered which suggests plans for this church could have been laid early since it was organized in April 1824, according to early records, with 25 brothers and sisters. In October of that same year at the meeting of the Association on the fourth Sunday, the Mount Zion Church was duly received.

It is probable that the following were constituent members: David and Mary Patterson, Thomas Aldridge and wife, Henery and Sarah Kivett, John and David Coble, John Collins, H. Enniss, D. Clapp, Rachel Wright, Jennett Polk, Martha Cole, Peggy Johnson, Letty Jackson, Lucey Robinson, Rachel Riley, Mrs. Baracks, Elder Samuel Hyner and wife and four Negroes: Rosanna, Joseph, Sister Bennett and one other.

How happy this new congregation must have been with their simple beginning, for the seed of their work producing growth for the Lord, evidently under the early preaching of Shubal Stearns who died in 1771. Others picked up the torch and filled his vacancy through the years until Mount Zion became a stronger church.

Clerks of the church have been David Patterson, E.B. Brothers, Dr. A.J. Patterson, J.A.J. Patterson, R.L. Patterson, R.L. Spoon, S.C. Spoon and F.L. Spoon, the latter serving since 1891 until 1917. On this date the trustees were F.L. Spoon, S.A. Coble, John G. Kimery, S.Y. Allred and Jr. R. Foster with Martin Kimery and S.A. Coble serving as deacons.

Mount Zion Baptist Church has carried the torch of mission forward in obedience to the Great Commission. Her people, through the years, have been proud people but children of the Master who were willing to be used for the glory of God. This church has been a mother of other Baptist Churches:

First: May 28, 1872, the arm of Mount Pleasant took measures looking to a separate organization, no doubt realizing that traveling to and from their homes for services could be lessened. Members taking letters for this purpose were Elder Enoch Crutchfield, Henry Kivett and others.

Second; In August 1880, other interest prompted E.G. Brothers (who had been an active member since 1844) with his wife and daughters and others felt strongly that a new beginning should be made nearer the Brothers plantation. Thus, the Macedonia Church was organized under the ministry of Elder Jesse L. Smith, Associational Missionary for the Sandy Creek Association, remaining a member of that group until 1860 when it changed to the Piedmont Association just prior to the Civil War.

Third; In 1886 Dr. A.J. Patterson, Henry M. Crutchfield, T.M. Robertson, J.W. Kinney and others took letters and in due time the Liberty Baptist Church was constituted.

Mount Zion remained in the Piedmont Association from 1896 until 1973 when it withdrew and joined the Mount Zion Association. During these years, the Piedmont Association met at Mount Zion in 1898, 1910 and in 1947.

The founders of Mount Zion, David and Mary Patterson were eulogized on Sunday, May 13, 1917 when a special historical service was conducted by the pastor, Rev. W.H. Eller, assisted by the former pastor, Rev. R.R. Gordon. A stone tablet was placed between the doors of the church at that time in honor of the Pattersons. On this occasion the present building, constructed in 1911, was dedicated as the third structure, the first being a simple log church containing a gallery for seating Negro slaves and a second building erected in 1858 and enlarged in 1871.

Between 1945-47 several Sunday School rooms were added with other additions made in 1956. A remodeling of the sanctuary resulted in the church being bricked, heat and air conditioning installed and a new piano and organ purchased to enhance the worship services. Progress was noted by the congregation with a Fellowship Hall being built in 1974 with additional classrooms needed for increased membership. Upgraded renovations of the sanctuary came in 1983 with improvements also being done on the Mount Zion parsonage.

Within the past 6-10 years progress has been evident in every phase of church membership, activities and goals, giving us reason to know that the Lord has had His hand in Mount Zion's existence. The Baptist Women have been reorganized, Brotherhood, G.A.'s, R.A.'s, Acteens and Mission Friends organized into active groups.

The Lord has added 165 new members during this ten-year period, 128 by baptism to give the church a current membership of 338. Mount Zion's giving to the association has increased from \$27 in 1974 to \$3,410 in 1983. At the same time total mission giving has increased from \$4,138 in 1974 to \$29,940 in 1983, evidence that the membership has learned the beauty and values of committed stewardship. This progress has been brought into focus at a time when the congregation, under the leadership of Rev. Joe R. Hicks, has seemed to enjoy an added thrust of interest in their church which is steeped in tradition and rich in Southern Baptist History.

Director of Missions Report

Much of what has been accomplished through your association during the past year is reflected in the other reports that are found elsewhere in this "Book of Advanced Reports." It is not necessary to review them here. However, I hope that you will take the time to read them carefully. Not only do they reflect a significant investment of time, energy, thought, prayer, planning and financial resources, but they reflect ministries that are of high quality and people oriented. More and more people are being reached through these ministries and their lives are being changed.

In addition to what is covered in the other reports, a vital ministry of assisting, resourcing, encouraging, counseling, and consulting has been provided through the associational office. The very nature of this ministry makes it difficult to describe. It cannot be done through a program. It must be done with individuals, couples and small groups of people. According to our best estimate, there has been a 25% increase in the number of requests for these services during the past year.

I commend our churches for their faithfulness in supporting associational missions during the past year. Consequently, another year has passed without our having to borrow money for operating expenses.

Our affiliation with Orange Congregations in Mission and Allied Churches of Alamance County has opened the doors to many areas of cooperation with Christians of other denominations. Associational staff persons serve on the Executive Committee of each of these organizations. The result is a stronger and more stable base for meeting human needs throughout our association. Both OCIM and ACAC have endorsed and are supporting our prison ministry.

With assistance and cooperation from the Baptist State Convention of North Carolina, efforts are being made to begin a new church in Hillsborough. While much work has been done in this area, much remains to be accomplished. Remember this effort in your prayers.

One of the stated purposes of our association is "To promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association." To this end, a World Missions Conference is scheduled for our association October 27 - November 3, 1985. I encourage every church in the association to participate in this conference. It is one of the best ways we know to keep us informed about mission needs and ministries around the world.

The tension and unrest in our national convention continues, unabated. Most of our churches and people are yet to be affected by it, nevertheless its portent for our future is ominous.

These are days when we need extraordinary patience and wisdom. Let us be loyal with our support to convention causes, and let us pray that God will show us a way out of our dilemma that will not do irreparable damage to our witness as Christians and to our work as a denomination.

In conclusion, I express gratitude to our churches for the privilege to serve as Director of Missions. Moreover, I express appreciation to a dedicated associational staff and to a host of volunteers, without whom the association could not do its work.

J. Howard Silver

Coordinating Council Report

The Coordinating Council, comprised of the Moderator, the four Vice-Moderators, and the Director of Missions has met regularly during the year past. The council provides guidance and advice for the associational staff and it participates in all matters of concern that relate to the life of the association.

With gratitude, the council recognizes the faithful support our churches have provided for associational ministries. Moreover, the council welcomes suggestions and ideas that will enable the association to be more effective in strengthening and undergirding our churches and their ministries.

The Coordinating Council offers the following recommendations:

1) That the design appearing on the front cover of the "Book of Advanced Reports" be adopted as the official logo of the association.

This design emerged from Long Range Planning sessions conducted earlier this year by the association.

2) That the Coordinating Council be enlarged from six (6) to nine (9) members. The three (3) additional members would be appointed by the moderator annually for a term of one (1) year.

The purpose of this recommendation is to broaden the base of and give greater access to the executive leadership of the association.

3) That the association move toward establishing a Center for Continuing Christian Education. The center would be located in Grove Park Church and, eventually, would offer courses of study on three levels: (1) Bible Institute level with credit from Fruitland Bible Institute; (2) College level with credit from Seminary Extension and/or a cooperating college; and (3) seminary level with credit from Southeastern Baptist Theological Seminary.

The Center would be under the direction of a voluntary supervisor or director and a special committee or commission comprised of five (5) people elected by and responsible to the association.

Grove Park Church would provide facilities for the Center without cost to the association. As envisioned, the association would incur no financial expense in connection with the Center except, perhaps, a modest amount in the budget for scholarship aid for people who, otherwise, would not be able to study.

Respectfully submitted,
J. Howard Silver, Chairman
Coordinating Council

Missions Committee Report

The Missions Committee has met regularly throughout the year in order to give direction and supervision to each aspect of associational missions. The committee invites your attention to reports of these ministries found elsewhere in this "Book of Advanced Reports."

The committee expresses its appreciation to each church and to every person who has helped to make 1983-84 an active and progressive year for associational missions.

Several churches were involved in mission ministries and projects outside the association. The committee commends these churches and encourages others to consider such possibilities. Of particular significance is the work by Fellowship Church in West Virginia where a new mission was begun.

There is still an urgent need for each church to form an active Missions Committee to work with the association to discover and respond to mission opportunities.

The Missions Committee offers the following recommendations:

1) That our Prison Chaplaincy ministry at Alamance and Orange County Prison Units be increased from current half-time status to full-time.

This recommendation has the concurrence of the Coordinating Council, Personnel Committee, and the Finance Committee. If approved, it will enable the prison chaplain to work full-time (40 hours per week) dividing the time equally between the two prison units within our association.

2) That the association explore the possibility of beginning some type of ministry to truck drivers, travelers, and other transients who frequent a large highway truck stop near Mebane.

The owner of the Truck-Stop has pledged his full cooperation if such a ministry can be established.

Most likely, this would be a ministry of presence, counseling and listening, offered by a volunteer minister. Literature distribution is also a significant possibility. Conceivably, a small chapel could be erected on the premises with regularly scheduled worship services.

Tom Hill, Chairman
Missions Committee

Associational Strategy Planning Committee Report

AN OVERVIEW

As a part of Metro Thrust 84, and in cooperation with the Baptist State Convention of North Carolina and the Home Mission Board of the Southern Baptist Convention, Mount Zion Baptist Association has engaged in associational strategy planning covering the years 1984-85 through 1988-89.

An Associational Strategy Planning committee, comprised of 28 people, including pastors, associational organizational leaders, lay persons, and the associational staff was elected on October 18, 1983. This committee was divided into six task groups and met on January 16, 1984, with Dr. Jere Allen, Director of Metropolitan Missions Department of the Home Mission Board. Dr. Allen trained the chairpersons of each task group. Then, in turn, the task groups compiled pertinent data and had their reports in the associational office by March 9, 1984.

A summary of this material was then prepared for each member of the strategy planning committee and mailed to them prior to our planning retreat which was held at Camp Mundo Vista March 30-31. Again, Dr. Allen assisted the committee by leading this retreat and being a resource person. A subsequent meeting of the strategy planning committee on May 1 provided opportunity to further refine objectives and goals.

It is helpful at this point to set forth the purpose of our association to serve as a background against which our objectives and goals may be viewed.

PURPOSE OF THE ASSOCIATION

It shall be the purpose of the association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the association; (5) to provide services to the churches as needed and desired; (6) to promote an additional channel by which member churches may participate in the Southern Baptist Convention and the Baptist State Convention of North Carolina.

With the purpose of the association in mind, the numerous needs of the association were prioritized. These needs then were divided into four broad categories:

- I. Associational Administration
- II. Evangelism and Missions
- III. Church Development
- IV. Associational Ministries

Objectives, goals and action plans emerged from each of these categories, and they are listed in the pages that follow.

Associational task forces are assigned responsibility for carrying out action plans.

OBJECTIVES AND GOALS

Associational objectives and goals for the next five years as follows:

I. ASSOCIATIONAL ADMINISTRATION

Objective: To encourage and enhance the effectiveness of associational churches through fellowship, communication, prayer, and other resources of the association.

Goal 1: Expand the distribution of the monthly associational newsletter immediately.

Action:

- (a) Make available to every church the associational newsletter in bulk quantity for distribution among church members who are not on the current mailing list.
- (b) Send a letter to each church encouraging distribution of the newsletter with the assurance that additional copies are available if needed.

Responsibility: Associational staff.

Resources: From Baptist State Convention and Home Mission Board:

- (1) Training opportunities that would enable associations to communicate more effectively with their churches.
- (2) More emphasis from state and national conventions upon the role of associations as a necessary and viable missions entity.
- (3) Preparation of appropriate and attractive publicity and promotional materials for associations, especially in conjunction with associational emphasis week. Resources of the Baptist State Convention and of the Home Mission Board in preparation and production of these materials could be wisely used in this regard.
- (4) The Baptist State Convention should consider taking the responsibility for developing a substantive format for associational emphasis week - including a week of prayer for associational missions, and insure that associational missions are given the same thrust that is currently given to state, home and foreign missions. With the proper emphasis and influence of the Baptist State Convention and the Home Mission Board, we believe associational missions would make a dramatic advance during the next 10 years.

- Goal 2:** Expand the use of telecommunications and other training materials immediately.
- Action:** (a) Establish an associational TACMO committee as soon as possible to work with and assist churches in the use of telecommunications and other training materials.
(b) Keep associational audio visual catalog current and encourage its use in churches.
- Responsibility:** Associational Task Force on Church Growth and Training and Special Task Force on Telecommunications.
- Goal 3:** Establish a speaker forum for associational missions by April 1985.
- Action:** (a) Enlist 10 lay persons who would receive competent training and would be available to speak in churches regarding the ministry of the association.
(b) Provide adequate training for those persons enlisted.
- Responsibility:** Associational Task Force on Church Growth and Training.
- Goal 4:** Establish, promote and encourage participation in an annual prayer and fellowship retreat by May 1987. This prayer and fellowship retreat should be scheduled for associational emphasis week in May of each year. Purpose of the retreat would be to undergird and encourage cooperation among churches in carrying out the ministries of the association.
- Action:** To be determined at a later date.
- Responsibility:** Associational Task Forces on Associational Administration, Fellowship and Mutual Care, Church Growth and Training, and Associational Ministries.
- Goal 5:** Lead the association to provide an adequate office and resource facility by 1990. An adequate facility will be required if the association is to implement its expanding programs and ministries.
- Action:** (a) Make a thorough study of the need for an adequate associational office facility by April 1985.
- Responsibility:** Associational Task Force on Associational Administration with support and assistance from the associational staff.

II. EVANGELISM AND MISSIONS

- Objective:** Lead and encourage churches within the association to reach the unsaved people and involve inactive church members within their respective communities.
- Goal 1:** Begin some type of new church work in the area of Hillsborough, North Carolina by 1985. (This effort is already underway.)
- Action:** (a) Enlist a church to sponsor the new work (already accomplished).
(b) Utilize a summer worker to make new work probable (already in process).

- (c) Make a "needs assessment survey."
- (d) Offer Back Yard Bible Clubs for children in area.
- (e) When possible, develop Home Bible study groups.
- (f) Nurture and develop any opportunities that may emerge.

Responsibility: Associational Task Forces on Evangelism and Outreach and Associational Ministries.

Resources: From Baptist State Convention financial assistance for new work efforts (currently being provided, and this has been helpful, but additional resources will be necessary).

Goal 2: Attempt to start a new Black church in the Burlington area by 1987.

Goal 3: Attempt to start a new church in Southeast Alamance County by 1989.

Goal 4: Begin a second new church in the Hillsborough area by 1989.

Resources: (Goals 2-4) From Baptist State Convention and Home Mission Board:

(1) Financial assistance for a "church planter" to probe these areas for new work possibilities and opportunities.

(2) Support and guidance from the Departments of Interracial Cooperation and Church Extension.

Goal 5: Encourage churches within the association to baptize at least 475 people in 1986, and to increase baptisms by at least 25% per year through 1989.

Goal 6: Plan and provide an annual associational evangelism conference, beginning in 1987.

Responsibility: Associational Task Forces on Evangelism and Outreach and Associational Ministries.

III. CHURCH DEVELOPMENT

Objective: To have at the associational level persons trained and equipped to work with organizational and department leaders in our churches.

Goal 1: Provide an on-going program of training and equipping for associational leaders.

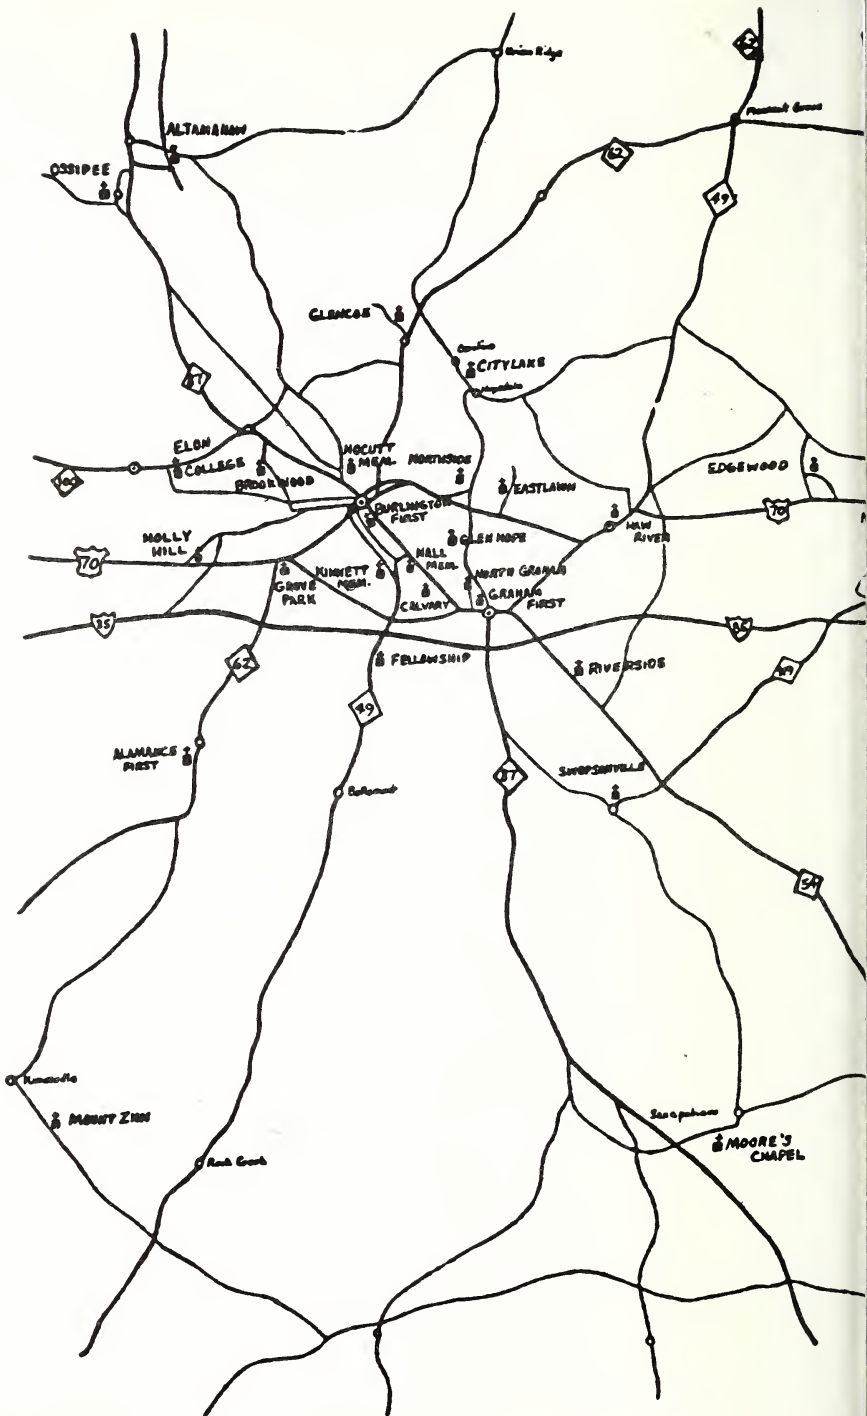

- Action:**
- (a) Prepare an associational "handbook" describing responsibilities (job descriptions) of each associational leader by January 1986.
 - (b) Schedule and offer during the July-September quarter of each year (beginning 1986) age-level conferences for teachers and organizational leaders in the churches.
 - (c) Encourage associational leaders to attend state key leadership conference at Ridgecrest each year.
 - (d) Provide financial resources and encourage associational organizational leaders to attend conferences and workshops.
 - (e) Have an associational ASSIST team trained and functioning by October 1985.

- Goal 2:** Provide an opportunity for associational key leaders to address pastors and their wives annually, to explain programs, emphases and training opportunities for church leaders.
- Goal 3:** Move as soon as possible toward the time when a church development director can be added to the associational staff, preferably by January 1988.
- Responsibility:** Associational Task Force on Church Growth and Training and Associational Staff.
- Resources:** From Baptist State Convention quality training and equipping opportunities for associational leaders provided by the various departments.

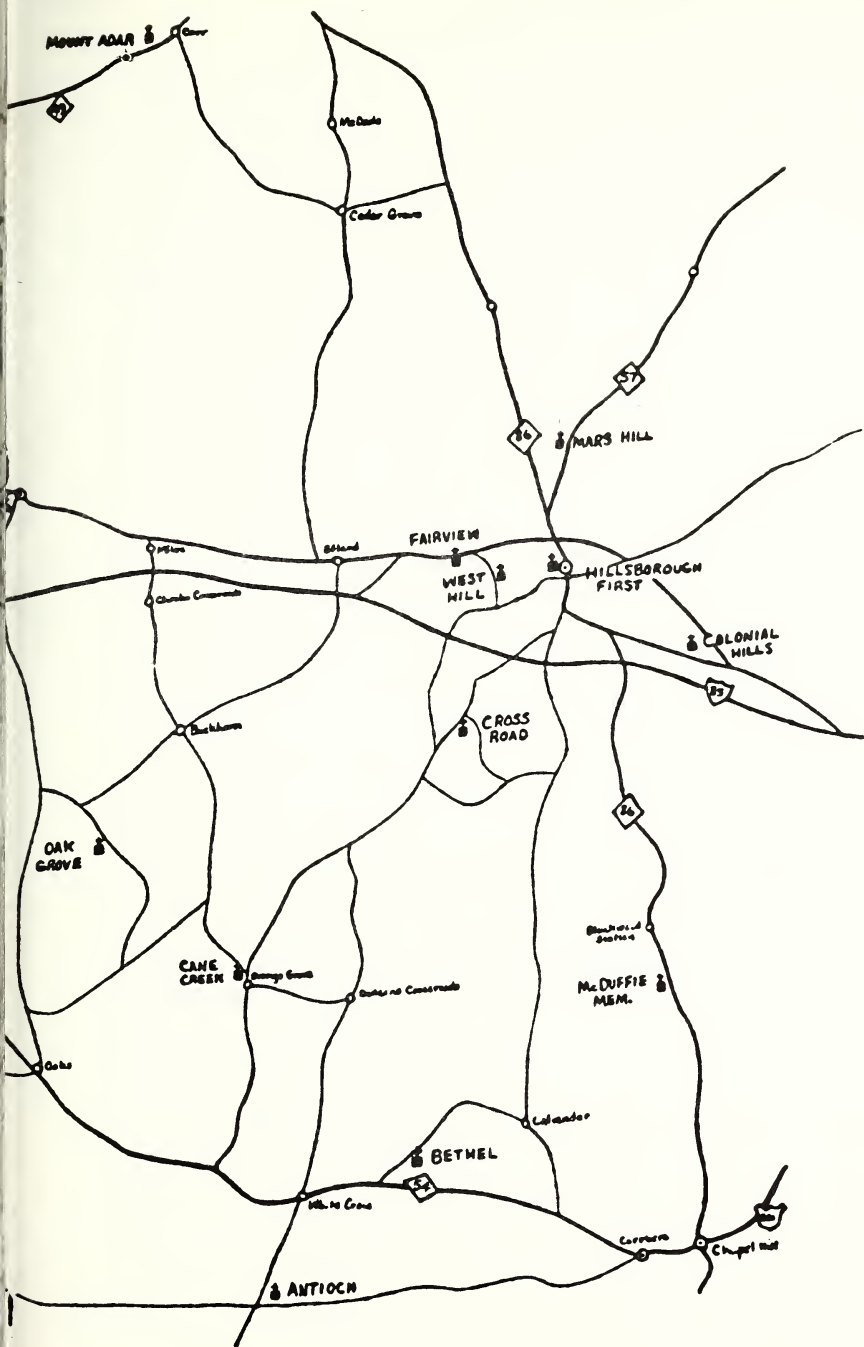

IV. ASSOCIATIONAL MINISTRIES

- Objective:** To identify and respond to authentic opportunities for associational ministries.
- Goal:** As resources permit, expand missions ministry until authentic needs are responsibly addressed.
- Action:** (a) Increase prison chaplain ministry from current part-time (20 hours per week) to full-time (at least 40 hours per week) by January 1985.
- Responsibility:** Task Forces on Associational Ministries and Associational Administration.
- Resources:** From Baptist State Convention - Department of Chaplaincy and Language.
- (b) Increase the position of Director of Christian Social Ministries to full-time (currently 3/4 time) by January 1986.
- (c) Prepare and distribute to churches by January, 1986 an inclusive directory of social services available through the association, Allied Churches of Alamance County (ACAC), and Orange Congregations in Mission (OCIM). If desirable county social services could be added to the directory later.
- (d) Provide associational churches during 1986 a series of seminars on "Developing Ministries in the Local Church." Seminars to be led by qualified denominational leaders.
- A Further Need:** While not chosen as a specific goal, the need to enlarge our ministry on the campus of Elon College is urgent. There is also a need for ministry on the campus of Technical College of Alamance, where about 1500 students are enrolled.
- Responsibility:** Task Forces on Associational Ministries, Associational Administration and associational staff.
- Resources:** From Baptist State Convention cooperative agreements for financial assistance. Cooperation and guidance in planning seminars on "Developing Ministries in the Local Church."

Copies of this report were distributed at the July 1984 Associational meeting.

Sunday School Report

What can be said that is fresh and new about Sunday School? There are those that find Sunday School as just another time the church doors are open. There are those that find themselves going to Sunday School just because that is what they are supposed to do between 9:45 and 11:00 on Sunday morning. And I am convinced that many of our members do not find Sunday School at all, or at least are not willing to take the time.

If our approach to Sunday School follows the same old pattern of acceptance of the status quo, then we will continue to follow the same old attendance pattern - 40% to 60%.

Sunday School can and must be more than just a meeting on Sunday morning! Sunday School is:

- A. The study of God's Word.
- B. A time of personal Christian growth.
- C. Fellowship among God's people.
- D. A working structure for outreach.
- E. A means of introducing the lost to Jesus Christ.

When you consider its possibilities, one cannot help but to become excited about Sunday School. For the church year, our theme in Sunday School is 8.5 X '85. In the Southern Baptist Convention, that means a goal is established to reach 8.5 million people by next September. In our state, the goal is 855,000 for the same time period. I would encourage each church, each class, and even each individual to set like goals to see their Sunday School grow. And it's not as if the numbers are important, but each number represents a person and reaching people is the command given by our Lord.

Our association stands ready to help you in any way possible. There are dates set up in our calendar for training events and information meetings. Our long range goal is for an enlargement campaign in 1986. Please call on us if we can help in any way.

Respectfully submitted,
David Cooke
Sunday School Director

Church Training Report

This has been an interesting year, a year of trying to learn what is happening; how and what should and can happen in the future in the Church Training programs in our association.

The most encouraging event of the year was an Interpretation Conference in February with Mrs. Ruth Prince of the Church Training Department of our Baptist State Convention. As a result of that conference, Church Training was started in two churches, Mebane, First and North Graham. Other churches also received information and encouragement from this conference.

Our Church Training team is functioning as it should to plan and make available training events and times of inspiration and fellowship for all our churches. The various abilities of the members of the team and their willingness to use them in working for better training are greatly appreciated. Next year's events will include "M" Night, a Masterlife interpretation conference and a Pastor/C.T. Director fellowship.

Continue to pray for bolder efforts to disciple and train those who are born in God's Kingdom.

Music Report

Our church music department has established the "Fellowship of Music Leaders" which will meet the second Thursday of each quarter for fellowship, support and planning of our scheduled activities. Anyone who works with music in the church is invited.

This year's Children's Choir Leadership Workshop was held at Grove Park Baptist Church. Plans for the coming year include several Sunday afternoon hymn sings as well as a two-day workshop in January for Directors and Adult Choir members.

Each church is urged to encourage their music directors to take advantage of training opportunities at Caraway, Ridgecrest and in our Association.

Director of Christian Social Ministries Report

As of October 1, 1984, I have been Director of Christian Social Ministries for one year and four months. One year ago I was just beginning to learn about CSM. I hope the knowledge I have gained since that time will offer a clear and valid picture of Christian social ministries in the Mount Zion Baptist Association. Allow me to expand on the ministries of our association:

The migrant ministry continues to be of importance to the people of our association. The WMU has continually been the force behind this ministry. Approximately 400 health kits were assembled by the WMU for the migrants in the Prospect Hill area. Also, weekly during the summer, WMU helped care for migrant children at the Prospect Hill Health Clinic while their mother saw the doctor. July 22, 1984 was the occasion of our annual migrant picnic. Over 125 migrant attended in spite of threatening weather. The civic and church cooperation contributed to the success of the event. Thurman Graves and George Summers of the Burlington Employment Security Commission did much of the publicity. Our WMU prepared food and drinks for the picnic, the Hispanic Club of the Blessed Sacrament Church and Ron and Ann Helms of Grove Park Baptist Church provided music, and youth groups from Fellowship and Mount Zion Baptist churches helped with recreation.

The Burlington Literacy Group, sponsored by our association continues to combat illiteracy in our community. During May 1983 to May 1984 over 900 hours were dedicated to tutoring adults in our community to learn to read. March 29-31, 1984, twenty-three persons completed a Laubach Literacy workshop sponsored by our association.

November 1983 marked a new ministry for our association. Several Brotherhood groups were involved in the weatherization ministry. This program is designed to help keep low-income families and elderly persons warm by reducing energy loss from poorly insulated homes. Duke Power Company provides the weatherization materials and trains volunteers to install these materials.

At the 1983 annual meeting, our association voted to become associate members of two ecumenical groups - Orange Congregations in Mission (OCIM) and Allied Churches of Alamance County (ACAC). I affirm the association's decision to be part of OCIM and ACAC. As a representative from Mount Zion Baptist Association, I serve on the Executive Committee of both groups. Many of you have been involved as volunteers in these ministries - ranging from Meals on Wheels, the Good Shepherd Community Kitchen, to the OCIM Thrift Shop. People are being reached on a broader basis because of the cooperative networking occurring among various denominations.

Several churches have offered assistance to individuals or families experiencing crisis. Thanks to the churches that graciously responded by providing food and/or clothing when referrals were made to the associational office. Lives were touched. Thanks to Mount Zion Baptist Church for stocking an associational pantry with food to be used in emergency situations.

Many of our Baptist churches were involved in the 1983 CROP Walk in Alamance and Orange counties. I appreciate their involvement and efforts to feed the hungry of our world.

During the month of March, 1984, Grove Park Baptist Church sponsored a series of programs concerning senior adult health and physical fitness. Each session consisted of a time for fellowship, a physical activity, a program by a guest speaker and lunch. An invitation was extended to senior adult groups and individuals throughout the association to participate. It is a future hope that an associational senior adult ministry will become an ongoing and active ministry in the association.

I'd like to thank the Mount Zion Baptist Association for supporting these various ministries through the offering of money, time and prayer. Please dream with me as we look to the future of Christian social ministries. Too, know that these are your ministries, and because of you they are reaching and touching many persons' lives.

Prison Ministry Report

The ministry has expanded like never before during the past year. Many churches and individuals have responded to the Lord's leading in the ministry to over 260 inmates, 40 staff members, and approximately 300 families they represent.

The Alamance-Orange Prison Ministry has opened the doors to many of these relationships by sharing word of its call, purpose, origin and sources of support. This increased awareness of the ministry has resulted in 4 recent newspaper articles. An informative pamphlet describing the ministry in terms of its history, goals, activities and future is helping to keep the work before the local Christian community.

I have also invested many hours in sharing the ministry with church groups, having spoken in 17 area churches in attempting to enable the people to realize their responsibility as Christians. Many groups have responded, resulting in 31 area churches participating in the ministry through donations and/or activities. Allied Churches of Alamance County, and Orange Congregations in Mission, two local ecumenical groups, gave their endorsements to the prison ministry. ACAC further supports the ministry by donating \$600.00 per year towards the chaplain's transportation expenses.

The Association has made plans to increase the chaplaincy position from 20 hours to 40 hours per week. This will boost the ministry tremendously by doubling the amount of time the chaplain can spend with the inmates and staff members and increase future possibilities through sharing its needs with more of the local Christian community.

The increased support of the Alamance-Orange Prison Ministry has been reflected in the success of several new ministry activities. Yokefellow, a Christian layperson-inmate support group, established a new chapter at the Hillsborough unit in January 1984. This group, comprised of 20 volunteers and 40 inmates, meets weekly for conversation and refreshments in an effort to establish a Christian witness through the building of trusting relationships.

A senior at Southeastern Baptist Theological Seminary, Phillip Belcher, plans to fulfill the requirements of his supervised ministry practicum by serving as an assistant chaplain at one of the prison units. Beginning in September 1984, he will volunteer 12 to 15 hours a week through December 1984.

A change in the format and leaders of the Hillsborough prison's religious services has allowed many new inmates and church people the opportunity to worship together at the unit. The Sunday evening worship service is led by a different pastor and choir every week. These volunteers have broadened the religious community's awareness of the inmates and their own Christian responsibility. The new approach has also opened the door to the participation in the prison ministry by every race and denomination.

In addition to the above activities, two Seminary Extension courses were taught at each unit by area pastors who are certified by the Seminary Extension Department.

A recent addition to the Alamance-Orange Prison Ministry involves the use of a video cassette recorder and television donated by a local church. The equipment is being used to show movies to inmates on a monthly basis.

The movies are used as subjects of discussion which is held during the film as well as at its conclusion. The experience is an informal and open one through which the inmates are challenged to reflect and ponder on the movie's characters and plot. In such a way they leave having learned something about life, suffering, faith and love. The equipment is also being used for the strengthening of inmate marriages. Four video cassettes concerning the essentials of marriage - anger, intimacy and marital conflict - are being used to help the inmates deal with the tension that marriages and families undergo during incarceration.

The greatest result of the ministry is the personal contact that has emerged between the chaplain, inmates, staff and church members. Many new relationships are being formed through the various activities of ministry. These relationships are serving as sources of Christian strength, hope, growth and grace.

Rodney Stilwell
Prison Chaplain

New Work Report

Earlier this year, the Mount Zion Association commissioned a probe of the southern part of Hillsborough township to determine the feasibility of starting a new work there. The project jointly-supported by the Baptist State Convention of North Carolina, the Mount Zion Association and Hillsborough, First, took place over a ten-week period this summer.

This area was chosen because of the rapid population growth occurring there. Between 1970 and 1980, Hillsborough experienced a 45.6% increase in population. This pattern is expected to continue with the coming link-up between Interstates 40 and 85 at Hillsborough. Already, some 700 households have been built in an area 3-5 miles from the nearest Southern Baptist Churches.

The goal of the project was not to begin a new work, but to gather information about this area's people, their needs and their interest in a church and to report those findings to the Association, along with recommendations for further action.

The study took place in four phases. The first was planning. This included setting strategies, identifying contacts in the community and developing a questionnaire for a door-to-door survey.

The second phase involved doing a community needs assessment by interviewing key civic and church leaders as to their perceptions of human needs in the community. Agencies and persons contacted included: the Board of Education, the Department of Social Service, the office of Economic Development, OCIM, child-care providers, developers, realtors and apartment managers. These responses were also coupled with responses from the survey.

The assessment revealed many human needs that provide viable ministries for a church. These needs include: child care, transportation, education, counseling and fellowship.

The third phase was a door-to-door survey. 35 volunteers from five churches contacted 669 households in the target area. 101 responses were received (for a highly respectable 15.1% return rate). 33 of 101 families expressed some interest in being a part of a new church. Quite a bit of demographic information was also gathered on the people in the target area.

The final phase of the project involved evaluating all the findings and offering several recommendations for future ministry. Detailed report on the entire project is available at the Associational Office.

That's the past. Now, as to the future - a follow-up is essentially a two-pronged approach. We will be starting some ministries in the community and will also be working with First Church in evaluating various options for future ministry.

These are times full of excitement and anxiety, possibilities and struggle. The Association, through the leadership of its Missions Committee and Hillsborough, First, has shown it has a vision for ministry. May God continue to bless and guide.

Constitution Committee Report

PROPOSED CONSTITUTION AND BY-LAW CHANGES FOR ANNUAL SESSION, OCTOBER 22-23, 1984

ARTICLE IX - COMMITTEES

Section 1. A. (11) currently reads: "Committee on Baptist Emergency Home (Bylaw VI, Section 15)"

Proposed Change: Delete this item since we no longer have an Emergency Care Home.

Section 2. currently reads: "The following committees shall be appointed by the Moderator at least 30 days prior to the October meeting to serve during the October meeting: (1) Committee on Place and Preacher (Bylaw VI, Section 11), (2) Committee on Resolutions (Bylaw VI, Section 12).

Proposed Change: Delete Section 2 but place items (1) and (2) under Section 1B.

Section 1B. would then read, "To be appointed by the Moderator at the April meeting:

- (1) Committee on Committees (Bylaw VI, Section 10)**
- (2) Committee on Enrollment (Bylaw VI, Section 13)**
- (3) Committee on Place and Preacher (Bylaw VI, Section 11)**
- (4) Committee on Resolutions (Bylaw VI, Section 12)**

Reason for Change: These committees under Section 2 (Committee on Place and Preacher, and Committee on Resolutions) have been appointed by the Moderator at the April meeting, and by making this a part of Section 1, will bring these two committees in line with the policies of the association. It will also afford the Place and Preacher Committee more time in completing their report for the annual meeting.

BY LAW VI. DUTIES OF COMMITTEES

Section 15 currently reads: "The Baptist Emergency Home Committee shall be composed of three members who will work with the director of the home and shall keep the association informed as to the needs and opportunities of the home."

Proposed Change: Delete Section 15 since we no longer have an Emergency Care Home.

Section 16 currently reads: "The Committee on Campus Ministry, composed of three members, shall consult with and advise the Director of Campus Ministry, and shall keep the Association informed regarding the needs and opportunities of Campus Ministry within the Association."

Proposed Change: The Committee on Campus Ministry, composed of FOUR members, shall...within the Association.

Reason for Change: The Director of this committee requested that there be four members, rather than three on this committee.

Respectfully submitted,
Joe R. Hicks, Chairman
Constitution Committee

Place and Preacher Committee Report

The Place and Preacher Committee of the Mount Zion Baptist Association makes the following recommendations:

That the January 14, 1985 Quarterly Associational meeting be held at Glencoe Baptist Church; that the April 15, 1985 Quarterly Associational meeting be held at McDuffie Memorial Baptist Church; that the July 15, 1985 Quarterly Associational meeting be held at North Graham Baptist Church; and that the One Hundred Sixteenth annual session be held at Moore's Chapel Baptist Church on October 21, 1985 and at Eastlawn Baptist Church on October 22, 1985.

The committee further recommends that the doctrinal sermon be brought by Rev. Jeff Brendle, with Rev. Gene Akins as alternate; and that Rev. David Weeks deliver the annual sermon with Rev. Phil Waugh as alternate.

Respectfully submitted,
Joe R. Hicks, Chairman
Place and Preacher Committee

NOTE: This report was corrected to show that Rev. Phil Waugh would deliver the annual sermon since Rev. David Weeks is no longer in our association; and that Rev. Bruce Martin would be the alternate.

Evangelism Committee Report

The Evangelism Committee of the Mount Zion Association is recommending that we as an association participate in the "Good News America" revival emphasis.

It is hoped that through this gigantic evangelistic effort, the thrust of which was commissioned by Christ in the New Testament, Southern Baptists will discover millions of lost people they can cultivate. It is also hoped that 560,000 people (1986 SBC baptismal goal) will come into the kingdom of God through GOOD NEWS AMERICA.

America has experienced earth-shaking awakenings in 1734, 1800, 1858, and 1906. We are certainly due another awakening. Could this be the time? If Southern Baptists join their hearts in prayer, give their money, believe God for a supernatural work and aggressively share Christ with their neighbors, God may choose to bless us immeasurably. God is ready! Are we?

Roy Taylor, Chairman
Evangelism Committee

Ordination Committee Report

The Ordination Committee met three times during this year. It was the unanimous decision of the committee to recommend that the following persons be ordained into the Gospel ministry:

Mrs. Kaye Crawford - First Baptist Church, Hillsborough
Mrs. Cathy Moffett - First Baptist Church, Graham
Edward E. Buffington - First Baptist Church, Burlington
Terry Lynn Prichard - First Baptist Church, Alamance

Campus Ministry Report

Susan Bennett, Youth Minister at Graham, First, and I undertook roles as co-directors of the Elon College Baptist Student Union (BSU) upon Rev. Bill Cashman's acceptance of a pastorate in Virginia and resignation as Elon's BSU Director.

During the 1983-84 academic year, the BSU at Elon College has experienced growth - not so much in numbers as in unity. Attendance has stayed consistently at 50, but the spirit of the group has changed - it has grown. This may be attributed to several causes. Firstly, BSU is becoming increasingly student-led. More responsibility for the programming of the BSU meetings (leading in devotions, sharing, etc.) is being shared among the student members. Secondly, students who attended the Baptist Student Conferences at Ridgecrest and Caraway came back excited - and the excitement was contagious. Lastly, four Elon students are presently serving on State BSU committees along with other BSU students, from campuses across the state. Thus, we are being informed as to what we as a BSU group from Elon College can do along with the larger BSU body in North Carolina to promote, support and become involved in missions in our world.

For the first time, Elon BSU raised money - \$110.00 - to help fund positions for college students working in missions during the summer. With this increasing awareness of what college students can - and are doing, several Elon students have expressed interests in working in the Summer Missions programs they have helped to support.

The growth in BSU continues with an additional program called "Encounters" for the 1984-85 academic year. The need for more in-depth programs (Bible studies, creative worships, rap sessions, concerts, etc.) brought about the birth of "Encounters." This program will be in addition to the devotional-fellowship time on Wednesdays, and will be held on Thursday evening from 6:30-7:30 p.m. From time to time we will be asking some pastors and laypersons in our association to help with "Encounters" programs.

Too, beginning this academic year, the BSU will have their own newsletter - so to keep our student membership, and the associational churches aware of what is occurring in BSU. The Elon BSU has a desire to reach out to other college students - as well as to future college students. Student-led outreach teams will be available later in the 1984 Fall semester through the 1985 Spring semester to lead in worship or do a weekend activity with youth in associational churches.

I wish to express my gratitude to Susan Bennett - co-director of BSU, the BSU council and membership, Herb House and Kevin Holland - faculty advisors of BSU, the WMU of our association for preparing the Wednesday meals, and to the Mount Zion Baptist Association for its sponsorship of BSU. Their faith and hard work has made BSU become what it is.

Telecommunications Task Force Report

We recommend that the Mount Zion Baptist Association enter into an agreement with the Southern Baptist Radio and Television Commission to broadcast on local cable television twenty-four hours a day, seven days a week through the American Christian Television Service.

We recommend that the Mount Zion churches in Alamance County be encouraged to elect two members who will serve with their pastor as members of the local organization to administer the network and to provide for local programs daily on Channel 25.

We recommend that each Mount Zion Church in Alamance County vote to participate in the following manner:

Pay 10¢ per resident member per month for the ACTS network.

Pay an appropriate share of the initial cost of local equipment to begin broadcasting.

We recommend that \$5,000.00 be allocated from the future ministries fund (savings account from sale of associational home) to be applied to the total amount of equipment and installation necessary to get on the air. We estimate (estimates furnished by Radio and Television Commission and the cable company engineer) the total costs to begin broadcasting to be \$15,000. The difference between the amount needed (\$15,000) and the amount from the future ministries fund (\$5,000) should be generated from the participating churches on a pro-rata basis.

- II.** Express our gratitude and continued prayerful support, (1) to our associational Director of Missions, Dr. J. Howard Silver, for his dedicated work, oftentimes above and beyond the call of duty; (2) to Mrs. Mona Silver, our associational Administrative Assistant, for her hard work, concern, and constant support in the work of the churches; (3) to Mrs. Ann Perry, the associational Secretary-Bookkeeper, to Rev. Rodney Stilwell, our Prison Chaplain; to Miss Robin Davidson, Director of Christian Social Ministries; to Rev. Paul Lewis, New Work Coordinator; and to all those involved with the Elon College B.S.U.

- IV.** Affirm and support, (1) the traditional Baptist belief in the total autonomy of the local church made up of baptised believers governing themselves and accountable in spiritual matters to God alone. The individual church is the final authority and holds sole responsibility for choices concerning such issues as who will occupy the pulpit, criteria for membership, whom to ordain and all other pertinent church matters; (2) the traditional Baptist belief in the priesthood of the believer, in that the individual believer has both the ability and responsibility to hear and respond to God. We accept with awe and gratitude God's direct involvement in the lives of each individual and affirm the right of each individual to respond directly to God in any manner that they may so choose. We as believers are equal in the eyes of God and because of such we will accept all as equal in competency, responsibility, and suitability for any area of Christian ministry in which we as individuals are called to service by God.

Woman's Missionary Union Report

"Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have." (Colossians 4:25 TEV)

This was our powerful watchword for 1983-84. Our theme for Woman's Missionary Union was "Partnership in Prayer and Ministry." WMU is at the heart of a church's mission in response to the Great Commission. It has been an exciting and busy year in our churches as we have sought more missions education in our churches to reach more people for Christ. It is exciting to know that we have at least one missions organization in each of our 39 churches!

Our Mount Zion WMU was recognized as Distinguished at the state annual meeting in Fayetteville. We are happy to recognize the following churches for their achievement in 1982-1983:

DISTINGUISHED

Mebane, First (16 years)	Eastlawn

Glen Hope	Northside
Altamahaw	Spring Street

The 78th Annual Session of the Mount Zion Baptist Associational WMU met at Grove Park Baptist Church on March 13, 1984 with over 250 registering. Rev. and Mrs. S.C. Ray, missionaries to Austria, spoke about their work and the partnership that North Carolina has with the European Baptist Convention. Joe Clontz spoke about his year in Togo and the new partnership that North Carolina has with Togo. Rev. Curtis Tyler of the Mars Hill Baptist Church spoke about the missions trips that his church has made to West Virginia. North Carolina Baptists have a state partnership relationship with West Virginia. Others on the program challenged us to be missionaries in our churches and in our own association.

Mission action projects included Elon BSU luncheons - weekly, migrant ministries, prison birthday parties and gifts, refugee ministry, crisis closets, rest home ministries, work at community food kitchen, literacy tutoring and many others.

Baptist Women held a prayer retreat at Hillsborough, First led by Mrs. Hope Christian of the Home Mission Board. Acteens held a Missions rally in October. On February 6, a home missions study institute was held at Burlington, First. We concluded WMU Focus Week with a Directors' tea. Girls in Action held activities on April 14 at Eastlawn and on September 15 for a Missions Adventures Fair. Baptist Young Women held an activity on May 10 at Burlington, First. New organizations were begun at North Graham and Alamance, First. Acteens from Mount Zion, North Graham and Fellowship attended the National Acteens Convention in Fort Worth, Texas in July. Ten women from our association attended the WMU Week at Ridgecrest this summer. The WMU Leadership Training was held at Glen Hope on September 25. Associational officers attended training seminars at Camp Caraway in August.

Let us remember to pray daily for the missionaries from our association:

Rev. and Mrs. Bain Daniels, Colombia.

Rev. and Mrs. Richard Hipps, Brazil.

Mr. and Mrs. Charles Knight, Ivory Coast.

Miss Phyllis Thomas, Chili.

Mrs. Mae Waugh, Consultant with the blind in North Carolina.

The Bold Mission Thrust asks us to preach the gospel to every person on earth by the year 2000. God wants us to use our availability. Each one of us are missionaries daily for him.

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplorable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:

Auditor's Report

I have concluded a review of the various books of record for the calendar year 1983. It was determined that the accounts were in balance and that conventional accounting procedures had been used.

Generally accepted auditing standards were used in this review. It was determined that no significant recommendations need be made at this time.

Respectfully submitted,
Paul Hoyle
Licensed Accountant

THOMAS ELLIOTT HILL

Mr. Thomas Elliott Hill was a Christian's Christian. He incarnated the best of what it means to be a follower and servant of Jesus Christ and his church. Tom was incorrigibly committed to Jesus Christ as Savior and Lord of life. His commitment was not simply a matter of religion; it was a way of living. His testimony was simple and genuine — what Jesus Christ had done and was doing for him. He never tired of sharing his testimony. Rather, he deliberately sought opportunities to share with others the good news of God's grace and goodness. Thus his way of life authenticated his testimony, making it vibrant and alive.

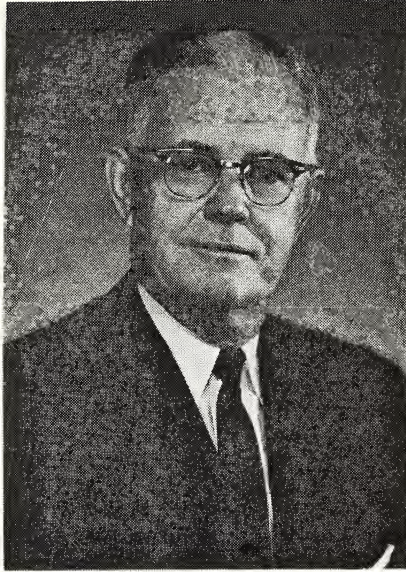

In 1969, while a member of Northside Baptist Church of Burlington, North Carolina, Tom helped to organize Holly Hill Baptist Church in the western part of the city. Tom became a member of the newly formed church, and until his untimely death in April of 1985, he provided exemplary leadership within the congregation. His ministry as a Christian was not limited to his church, however. With the same devotion and wisdom that characterized his service to his church, Tom served Mount Zion Baptist Association. He was moderator from 1977 until 1979. Since 1979, he had served as chairman of the association's Missions Committee. Moreover, he served as a volunteer with the Home Mission Board of the Southern Baptist Convention. He also served as a volunteer with Friends of Evangelism and the Metropolitan New York Baptist Ministries, Inc., in restoring the South Bronx area of New York City.

With a heart for missions that was too large to be limited, Tom went as a volunteer to Equatorial Brazil on two occasions where he served with the Equatorial Baptist Church in the city of Belem.

Wherever Tom Hill went, he went as a missionary. His concern took in the whole world. Few people know the extent to which he invested himself and his resources in service to Christ. He firmly believed that whatever he did in the name of Jesus Christ was worthwhile, and he never grew tired of sharing with others the very gifts that God had entrusted to him.

We thank God for Tom Hill, and we rejoice because Tom shared with us his very life — generously and gladly.

CARLTON S. PRICKETT

"He heard the voice of the Lord and obeyed by dedicating his life to the Master's call. God honored his faithfulness by allowing him to be his spokesman as long as he was given life."

Dr. Carlton S. Prickett was a native of Commerce, Georgia. He was a graduate of Mercer University and Southern Baptist Theological Seminary. In 1942, his Alma Mater — Mercer — honored him with an honorary Doctor's degree.

After pastorates in Kentucky, Virginia, and Alabama, Dr. Prickett was called to the pastorate of Burlington First Baptist Church in December, 1947, where he served with distinction until his retirement in 1969. Upon his retirement he was made Pastor Emeritus.

Dr. Prickett was a Baptist statesman. He served as a Trustee on the Home Mission Board and the Annuity Board of the Southern Baptist Convention, Meredith College and Wake Forest University. He also served on the General Board of the Baptist State Convention of North Carolina. In 1981, he received the Alamance County, North Carolina Citizen of the Year Award in recognition of his dedication to community service.

During his years of retirement, Dr. Prickett served 15 churches as interim pastor. He had just completed a tenure as pastor of Brookwood Baptist Church in Burlington prior to his death in December of 1984.

The Christian influence of Dr. Carlton S. Prickett falls like a soft mantle upon his friends who carry on the Lord's work — a work to which he was faithful as long as he was given life.

FREEMAN O. COOPER

Mr. Freeman O. Cooper served as Clerk of Mount Zion Baptist Association from 1971 until 1980. His service to the association was marked by dedication and devotion. Records of the association during the years Freeman served as clerk reflect careful attention and thorough preparation. He brought to the office of associational clerk the same skills and discipline that served him well as an industrial engineer with Cone Mills.

Mr. Cooper was a loyal and long time member of First Baptist Church of Haw River where he served in various leadership positions — including that of deacon, until his death in August of 1984.

A man of simple tastes, Freeman sought no attention or acclaim for himself. He chose rather to let his life and his commitment to Jesus Christ and his church testify to his faith in God.

We remember Freeman with gratitude, thanking God for the privilege of having known and served with him in the Master's Kingdom.

PREAMBLE

We, the Baptist churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the state and Southern Baptist Convention, according to the following articles:

ARTICLE I — NAME

The name of this body is the "Mount Zion Baptist Association."

ARTICLE II — PURPOSE

She expressed her thanks for all the encouragement during her work in Christian Social Ministries at the Mount Zion Baptist Association.

25. Moderator Hearne recognized Rod Stilwell, Director of the Prison Ministry. Mr. Stilwell expressed his personal recollections of the beginning of the Orange and Alamance County Prison Ministry. Rod stated that the quote "Best of Times, Worst of Times," graphically portrayed the Prison Ministry work during the past year. It has been a struggle to serve and translate the gospel to this unique ministry. It has been a difficult time personally, financial support has often wavered, but he hopes to look back and grow from the experience. The Prison Ministry report reflects the number of people reached and how we can continue to reach out.

Rod shared a personal experience of leading an inmate to Christ. Mr. Stilwell stated that God is alive and working with inmates. He asked, "But do *we* care?" He stated that God has

not given up on them and should we? Rod stated that it was his prayer that the association continue this ministry and to allow God to work through us.

Mr. Stilwell then shared with the messengers that he felt the call to leave his position as Prison Ministry Chaplain for the Mount Zion Baptist Association. He expressed his hopes that the association would call a sincere person to carry on this ministry. Rod is accepting a position with the Forsythe County Prison Ministry and will leave the Mount Zion Association with a happy heart and an encouraged life.

26. Moderator Hearne expressed on behalf of the association our best for Rod and his new venture.

27. Moderator Hearne recognized Maynard Ellington, Chairman of the Missions Committee who expressed that the opportunity for missions abounds and that we are limited only by our vision and degree of support. He shared that many new ministries had begun this past year, The Flea Market Ministry and Truck Stop Ministry in particular. He expressed that volunteers are a tremendous resource for these ministries.

Mr. Ellington shared that the Missions Committee is looking for new mission opportunities. In particular, the committee is looking at a ministry to meet the needs of the homeless downtown people in Burlington - providing them a place to stay and possibly a light breakfast. The committee is seeking new ways for new mission work in their Long Range Planning.

Mr. Ellington expressed his sincere thanks to Robin Davidson for her leadership in the Christian Social Ministries. Mr. Ellington then explained that the Christian Social Ministry work would be assumed by Ann Perry who is already employed in the associational office and who is already familiar with the Christian Social Ministries work. Some of Ann's duties will be transferred to Mona Silver. Assisting Perry will be Susan Bennett in the Baptist Student Union. Ms. Perry will assume these new duties January 1, 1986. Mr. Ellington wished her well in her endeavor in this ministry.

Mr. Ellington stated that the Prison Ministry has had a tremendous influence in our country. He expressed his thanks to Rod Stilwell for his work in the Prison Ministry which gained the attention of State Prison Officials. Mr. Ellington wished for Rod the very best. He stated that the Missions Committee will be evaluating the Prison Ministry work and seeking God's guidance in this ministry. Mr. Ellington requested suggestions for new mission action work.

28. Moderator Hearne recognized Dr. Howard Silver who gave a report for the Coordinating Council and Director of Missions. Dr. Silver expressed that the new ministries were exciting, thrilling, and encouraging but were touched with a note of sadness due to Robin and Rod leaving the association. He expressed his belief that God is in what is happening and will be in what does happen. He expressed his appreciation to Robin and Rod.

Dr. Silver shared that in regards to the Prison Ministry, the association was attempting to share the work and cost of this ministry with other denominations who have felt the burden and need for such a ministry. It is his hope and prayer that other denominations will join with us in this work.

Dr. Silver expressed that not only do we have geographical boundaries to cross but also emotional and racial boundaries which are more difficult. He stated that only the grace and strength of God will help us to be the body of Christ to all people.

Dr. Silver stated that the time is here and now when we must see the association as a fertile mission field. For too long the association has been seen as a go between, a channel or funnel for the Baptist Convention. The association is now changing and undergoing a process that will result in one's coming to appreciate the association as the first step in carrying out the Great Commission. We can begin in our own association now to pray for the day when Baptist will see the local association as their own mission field.

Dr. Silver expressed that associational missions are changing and that change is often turbulent and uncertain when we venture out to experience new ministries. He stated that now is the time to give our best to the high privilege of being Christ's ambassadors at home and around the world. He asked, "Will you help, pray, and give towards that end?" Dr. Silver then quoted Ernie Campbell, "When Christ crosses our lives, He creates a crisis." Dr. Silver shared that he had found this to be true in his own life. We must decide to live more for Christ and less for ourselves.

Dr. Silver made an appeal to those who are responsible for allocating funds for mission work to take a sincere look at the work of the local association. He requested that when local churches are allocating their resources to consider the association and its possibilities. He stated that we are only limited by the degree of our commitment. The local association is a vital entity.

Dr. Silver expressed his thanks for all that has been done for the association. He expressed his thanks to the associational staff. Dr. Silver stated that "churches do not belong to an association but that the association belongs to the churches."

29. Judy Ritchie led in singing the hymn, "We've a Story to Tell to the Nations."

30. Moderator Hearne recognized Steve Hardy who gave an update on the World Missions Conference. Rev. Hardy shared that the World Missions Conference (WMC) would begin with a World Missions Fair on Saturday, October 26, at 6:30 p.m. at Grove Park followed by guest speaker, Sara Ann Hobbs, and continuing with conferences at the 31 participating churches through November 3. He expressed his sincere appreciation to those who have worked on the WMC. He also encouraged all the churches to conduct a Foreign Mission Study prior to the WMC.

31. Steve Hardy and Bob Stephenson shared an informative and humorous dialogue to provide the messengers with an insight into what the WMC is all about and what is involved. Rev. Hardy expressed that the WMC would be a time to send new missionaries into "the fields white with harvest" whether we were able to go personally or to give so that others might go.

32. Bob Stephenson then sang the song "My House is Full But My Fields are Empty."

33. Rev. Hardy expressed that the success of the WMC depended on each of us to challenge people to come and to be involved. He shared a personal story regarding his grandfather which well illustrated the need for prayer and a burden for those who have been called into mission work.

34. Rev. Hardy requested that Dr. Silver close the meeting in prayer.

35. Dr. Silver requested a moment of silent prayer. He then concluded the silent meditation with a special request for God's will to be done during the World Mission Conference.

Tuesday Evening, October 22, 1985

36. Tommy Hearne, Moderator, called the meeting to order at 7:00 p.m.

37. Judy Ritchie led the congregation in singing the hymn, "We Praise Thee, Oh God, Our Redeemer."

38. Moderator Hearne shared with the messengers that Mrs. Ruth T. Andrews had passed away and that the family had requested prayer. He also asked that we remember Rev. Bob Costner who is terminally ill with cancer. Moderator Hearne asked for any other prayer request. He called on Rev. Harold Ball to lead in prayer.

39. Rev. Harold Ball, Pastor of Eastlawn, extended a warm welcome to the messengers and then gave a prayer.

40. Moderator Hearne recognized Howard Silver who called for any special guests or institutional visitors to please rise and be recognized. There were no special guests or representatives present.

41. Dr. Silver shared a letter of greeting from Keith Parks, President of our Foreign Mission Board, congratulating us on the occasion of our upcoming World Missions Conference.

42. Moderator Hearne recognized Curtis Tyler who reported on the Finance Committee's proposed budget for 1986. Mr. Tyler stated that he felt optimistic about the association's work and he expressed his appreciation to those who had served on the Finance Committee.

Mr. Tyler asked the messengers to please refer to a motion made at the special called meeting. A motion had been made to include a form of repayment for any funds borrowed from the Capital Fund Account. Mr. Tyler explained that this motion to include repayments was now reflected in the 1986 budget. The Finance Committee in response to this motion included \$2,400.00 in the 1986 budget to represent a repayment schedule as well as to represent good stewardship.

Mr. Tyler asked the messengers to also refer to a motion made at the special called meeting regarding the request that each associational church report to the Finance Committee the percent of their church's budget to be given to the association for the upcoming year. Mr. Tyler explained that due to the lateness of this motion in the church year, the Finance Committee prepared the 1986 budget without this percentage information but would use this procedure in the future.

Mr. Tyler then made a motion to adopt the 1986 budget as presented. David McMillan, Mebane First, seconded the motion. Moderator Hearne called for any discussion. There was none. He then called for a vote. The motion carried with no opposition.

43. Curtis Tyler then addressed the motion that had been tabled at the special called meeting. Tom Denton, Hillsborough First, made a motion to bring the item off the table. Moderator Hearne requested a vote. The motion carried.

Mr. Tyler explained to the messengers that the motion had been drawn up hurriedly without careful consideration and study of the wording of the motion. He then offered a substitute motion as follows: The Finance Committee of the Mount Zion Baptist Association recommends that an annual Special Offering for associational work be instituted beginning with the 1986 year; that the offering be received on the first Sunday in May of each year; and that the Finance Committee of the association bring a recommendation to the association at the annual meeting in October of each year specifying the particular purpose of the offering for the ensuing year. Mr. Tyler made a motion that the substitute motion be accepted. The motion was seconded by Charles Lemley, Mebane First.

Harold Ball requested that Mr. Tyler review the original motion. Curtis Tyler explained that the new motion was a little more precise.

Moderator Hearne called for any further discussion.

Tom Denton, Hillsborough First, offered an explanation for his requesting that the motion be tabled at the special called meeting. He stated that the original wording of the motion was unclear as to how the special offering would be used. He was also concerned about associational churches receiving two offerings in May which is now a reality. The State Missions Offering will continue to be received in September and a second offering for Baptist Social Service Institutions will be received in May. Rev. Denton explained that as a member of the General Board of the Executive Committee he will offer his support to change the second offering date in time. He expressed his support of the new substitute motion.

Moderator Hearne called for any other discussion. There was none. He then called for a vote. The motion carried with no opposition.

44. Curtis Tyler then made the following motion from the Finance Committee: The Finance Committee recommends that the Special Offering for 1986 be used for the purpose of establishing an operational reserve fund for the association. He explained that during the past year there had been no help with the cash flow when funds for the association from the churches were insufficient. In order to avoid borrowing from other accounts, the committee was recommending that the special offering received be used to establish a working reserve to maintain a steady cash flow. Curtis Tyler requested that this motion be adopted.

Harold Ball seconded the motion.

Moderator Hearne called for any discussion. There was none. He then called for a vote. The motion carried with no opposition.

Curtis Tyler again expressed his thanks on behalf of the committee.

45. Moderator Hearne recognized Dr. Silver who gave the report on behalf of the Constitution Committee. Dr. Silver explained that the members who had been serving on this committee had been called into other areas of ministry. However, early work had been done and brought to the Coordinating Council for consideration. He explained that the recommendations had been approved by the Council. Dr. Silver then moved that the recommendations for constitution and bylaw changes be accepted.

Joe Hicks, Mount Zion, seconded the motion.

Moderator Hearne explained that a 2/3 standing vote was required and that if there were no objections, the messengers would vote on all 5 changes at one time. There was no discussion.

Moderator Hearne then called for a standing vote that the motion be accepted with the changes as stated. The motion carried with no objections.

46. Judy Ritchie then came and led the congregation in singing the hymn, "I Love to Tell the Story."

47. Moderator Hearne then recognized Dr. Silver who made the announcement that word had just been received of Rev. Bob Costner's death. The funeral would be held on Thursday morning in Chapel Hill. He requested silent meditation in memory of Rev. Costner and prayer for Ruth Costner.

48. Moderator Hearne recognized David Cooke, Associational Sunday School Director, who gave a report on Sunday School.

He called special attention to November 7 when Pastors, Sunday School Directors, and other Sunday School workers are invited to attend a meeting at Mebane First where upcoming Sunday School events for the next 18 months will be shared. David shared that there had been an increase in enrollment in Sunday School in our association this past year. He also shared the new Baptist State Convention goal of 10 million in Sunday School by 1990.

49. Moderator Hearne recognized Kathryn Ellington, Associational Church Training Director, who reported that involvement in Church Training was not as strong as she hoped for but that we must continue to sow seeds even tho we may not see the results now.

Mrs. Ellington explained that Church Training packets were distributed on Monday night and that she plans to continue to keep our associational churches informed of new resources and materials available.

Kathryn requested that the messengers make a special note regarding "M-Night" to be held in November at Mebane First. All messengers are invited to attend whether or not their church has a Church Training Program.

50. Moderator Hearne recognized Judy Ritchie, Associational Music Director. Ms. Ritchie explained that the Associational Music Ministry was planning a number of workshops, in particular, a special workshop for organists and pianists. She requested that the messengers encourage their music people to take advantage of these music workshops.

51. Moderator Hearne recognized Robert Putt who gave the Evangelism Committee report on behalf of Dr. Roy Taylor who is presently in Africa. Mr. Putt emphasized the "Good News America - God Loves You" Revivals to be held simultaneously by Baptist churches during March 23-30, 1986. This is a SBC National Emphasis on evangelism through simultaneous revivals. He shared that in November churches would be receiving preparation manuals and materials to help prepare for this revival and that on January 9, a training session would be held for all the committees helping with the Good News Revival. Mr. Putt stated that the Good News America Revivals called for laity involvement. He requested that associational churches begin work and prayer now for this simultaneous revival.

52. Moderator Hearne recognized Harold Ball who shared the Telecommunications Task Force report. He stated that ACTS - the Southern Baptist Network was now on the air in Alamance County. Rev. Ball stated that beginning November 1, the association will be on the air with its own permanent equipment and hopefully quality will improve.

There are presently six associational churches participating and who have formed the ACTS of Alamance County Board. He encouraged participation from other churches.

Rev. Ball stated that next year, the ACTS Board hopes to have some local programming. At the present time, the equipment is not available. He also stated that by next year he hopes to bring news regarding Baptist Tel-Net.

53. Moderator Hearne then called for any corrections to the previous minutes. There were none. The minutes stand approved as presented.

54. Moderator Hearne then called for any miscellaneous business. Dr. D. D. Gross, Mount Adar, addressed the messengers regarding the ministry of the Mount Zion Baptist Association. He shared that the association was not in existence by accident. He then named many specific ministries of the Mount Zion Association. Mr. Gross stated that it seemed that the Lord worked through human needs - not waiting somewhere in a synagogue. He stated that through our association we are working as our Lord worked - meeting physical needs as well as spiritual

needs. He then expressed his thanks to the association staff and committees. Dr. Gross stated that by voting to adopt the budget, that in itself was an expression of support. He then requested that Harold Ball lead in prayer of thanksgiving and love for the Mount Zion Baptist Association and those who work in the association. The congregation stood as Rev. Ball led in prayer.

55. Dr. Silver then requested to be recognized and he expressed his thanks for the encouragement shown at this meeting. He shared that many of the ideas that are implemented are not his own but that his joy was in the opportunity to participate.

56. Dr. Silver then brought before the messengers the matter of an expanded and extended Annuity program to begin January 1, 1988. The convention voted to participate last year and if the association is to participate, a vote must be taken now as the churches will be called on to vote on this matter next year regarding their participation.

Dr. Silver made a motion that the Mount Zion Baptist Association adopt the Southern Baptist Church Annuity Plan, effective January 1, 1988 for participation by its minister (s) and all eligible association employees. Harold Ball seconded the motion. There was no discussion. The motion carried.

57. Moderator Hearne requested that the registration forms be passed in during the singing of the next hymn.

58. Judy Ritchie came and led the congregation in singing the hymn, "Face to Face With Christ."

59. Moderator Hearne recognized Miss Lenna Rudd to give the Memorials Committee report. Miss Rudd shared the following poem by Helen Steiner Rice entitled, "When I Must Leave You." "When I must leave you for a little while please do not grieve and shed tears and hug your sorrows to you through the years. But start out bravely with a gallant smile and for my sake and in my name live and do all things the same. Feed not your loneliness on empty days but fill each waking hour in useful ways. Reach out your hand in comfort and cheer and I in turn will comfort you and hold you near. Never, never, be afraid to die, for I am waiting for you in the sky."

Miss Rudd stated that time was insufficient to memorialize all of those who have gone on to be with the Lord since the last annual session. There are 136 people from 31 churches now in the presence of the Lord. These 136 represent a varying group of people from all walks of life - young, middle age, old, ministers, deacons, leaders, teachers. But for the most part, these 136 were ordinary, plain and simple people. Most of these people were those who supported their church and association day after day, Sunday after Sunday, with their prayers and finances. These were ordinary, plain people who sought to serve their Lord.

Miss Rudd reported that 3 people were to be memorialized in the 1985 annual:

Freeman Cooper of Haw River First was a deacon, Mission Chairman, Sunday School Director, and served as Clerk of the Mount Zion Baptist Association for many years. We honor him tonight as one who sought no recognition or glory for his service to the Lord.

Tom Hill of Holly Hill was killed in a tragic accident. Mr. Hill served in many capacities in his church and in the association. He served as Moderator and Missions Chairman. Tom Hill loved missions and his mission work spread worldwide. His mission influence was felt from the Bronx in New York to South American Villages.

Dr. Carlton Prickett from Burlington First served as pastor for over 20 years and then continued to serve as Interim Pastor where needed in local churches and churches throughout the state. Dr. Prickett loved missions and he loved people. Dr. Prickett served not only in his church and association but also in the area of athletics as Chaplain.

Miss Rudd then gave a very apt description of her impressions of each man's mansion as we might visualize it in heaven today.

60. Judy Ritchie then sang, "When They Ring Those Golden Bells," a fitting song in tribute to the three men memorialized at this annual session.

61. Moderator Hearne expressed his appreciation to Miss Rudd for the manner in which she always chose to memorialize those who have gone on before us.

62. Moderator Hearne recognized Jim Culbreth who presented the Resolutions Committee

report. The following resolutions were respectfully submitted by James Culbreth, Jr., Chairman and Dr. Thomas Denton:

Be it resolved that we: 1. Express sincere appreciation, (1) to Moore's Chapel Baptist Church and Eastlawn Baptist Church for the hospitality and fellowship exhibited in allowing this association to use these facilities; (2) to our Moderator, Vice Moderators, and all other associational officers providing leadership and support throughout the year.

Mr. Culbreth made a motion to accept this resolution. The motion was seconded by David Cooke. Moderator Hearne called for a vote. The motion carried.

Be it resolved that we: 2. Express our gratitude and continued prayerful support, (1) to our associational Director of Missions, Dr. J. Howard Silver, for his dedicated work, oftentimes above and beyond the call of duty; (2) to Mrs. Mona Silver, our associational Administrative Assistant, for her hard work, concern, and constant support in the work of the churches; (3) to Mrs. Ann Perry, the associational Secretary-Bookkeeper, to Rev. Rodney Stilwell, our Prison Chaplain; to Miss Robin Davidson, Director of Christian Social Ministries.

Mr. Culbreth made a motion to accept this resolution. The motion was seconded by Maynard Ellington. Moderator Hearne called for a vote. The motion carried.

Be it resolved that we: 3. Express our continued prayerful and monetary support, (1) to our Southern Baptist institutions of higher education; (2) to the following graduate level institutions: Golden Gate Theological Seminary, Midwestern Baptist Theological Seminary, Southwestern Baptist Theological Seminary, Southern Baptist Theological Seminary, New Orleans Baptist Theological Seminary, and Southeastern Baptist Theological Seminary; (3) to Fruitland Bible Institute.

Mr. Culbreth made the motion to accept the resolutions. The motion was seconded by Curtis Tyler. Moderator Hearne called for a vote. The motion carried.

Be it resolved that we: 4. Affirm, support and restate the response of the Pastors' Conference of the Mount Zion Association to certain events of this summer, to with:

We affirm our faith in the Holy Bible as the inspired record of God's revelation of Himself to us. It is a perfect treasure of divine instruction, with God as its author, salvation for its end and it is without any mixture of error. The criterion for interpreting the Bible is Jesus Christ. We also reaffirm the historic Baptist belief that every person is competent before God to read and interpret scripture with the aid of the Holy Spirit.

We reaffirm the historic Baptist belief that each local congregation is autonomous and competent to determine its own particular life and ministry and answers only to God for its stewardship of the Gospel.

We reaffirm our support of and faith in the leaders of our denomination, its institutions, and its agencies. We urge all Southern Baptists to pray with us for our elected leaders and, to the extent possible, be always ready to cooperate.

We deplore and discourage any language or action calculated to denigrate the integrity of our brothers and sisters in Christ. We also denounce the efforts of any group to take control of our beloved Convention in order that the group may prescribe its doctrinal position for other Baptists.

We urge all Southern Baptists to encourage one another in our faith in Jesus Christ as Lord and to rejoice in the diversity which makes us all many parts in the one body of Christ.

Mr. Culbreth made a motion to accept the resolution. The motion was seconded. Moderator Hearne called for a vote. The motion carried.

63. Moderator Hearne explained that following the special music, Bruce Martin, Pastor, Elon College First, would deliver the Annual Sermon.

64. The Men's Quartet from Graham First provided special music. Jack Currin, Albert Cheek, Lonnie Fields, and Charles McDaniel sang acapella, "Let the Lower Lights Be Burning."

65. Rev. Martin expressed his appreciation for the opportunity to deliver the Annual Sermon. His sermon was entitled: "The Need to be Christ-Like." His text was taken from Romans 8.

66. Following the Annual Sermon, Rev. Martin gave the benediction and the 116th annual meeting of the Mount Zion Baptist Association was adjourned.

Quarterly Associational Meetings

The following is a condensation of the January, April, July and Special September 1985 meetings:

ON JANUARY 9, 1985 Glencoe Baptist Church hosted our meeting with Moderator Tommy Hearne presiding. The Reverend Warner Doles was recognized as the new pastor at Glen Hope. Curtis Tyler, Chairman of the Finance Committee, made a motion that the budget be amended to include \$6,000.00 for New Church Work. Motion carried. Harold Ball, Chairman of the Telecommunications Committee, reported that ACTS (American Christian Television System) is now available in Alamance County on Channel 25. The Doctrinal Sermon was delivered by the Reverend Jeff Brendle, Pastor of Fellowship Church — "The Church - in Fellowship - with Christ."

APRIL 17, 1985, association met at McDuffie Memorial Baptist Church with 54 in attendance representing 21 churches. Due to the untimely and tragic death of Tom Hill (April 15, 1985) Chairman of the Missions Committee, an abbreviated session was held. A slate of officers and committee members for 1985-1986 were presented and accepted. Task Force I reported on the space needs for an associational office and were granted the authority to explore various aspects of providing this space.

OUR JULY 15, 1985 Leadership meeting was hosted by the North Graham Baptist Church with Tommy Hearne presiding. Howard Silver recognized Dana Slack who received the M. Div. degree from Southeastern Baptist Theological Seminary and presented him with a gift

certificate from the association. Mr. Silver also informed the congregation that on Saturday, July 20, 1985, the association would begin a Flea Market Ministry just off I-85 at Buckhorn Road Exit; that the renovation of the mobile unit for the Truck Stop Ministry is progressing. Individual conferences were then led for Church clerks, Church Training workers, Music Directors, Sunday School workers, Brotherhood, Woman's Missionary Union, Evangelism (Good News America) and Christian Social Ministries.

ON SEPTEMBER 9, 1985, a special called meeting was held at the First Baptist Church, Mebane with 104 in attendance representing 27 churches, and Moderator Tommy Hearne presided. Moderator Hearne explained that the purpose of this meeting is to review associational finances. After a brief address by the Director of Missions, Howard Silver, and Missions Committee Chairman, Maynard Ellington; Curtis Tyler, Finance Committee Chairman shared specific information regarding the financial condition of the association. He then recommended that the current associational budget be revised downward from \$118,240.00 to \$106,213.00. After thorough discussion, the recommendation was approved by messengers. A recommendation to purchase a typewriter for the office was offered by Chairman Tyler, and messengers approved the recommendation. A recommendation was made by Curtis Tyler that the Finance Committee be authorized to borrow from the Captial Fund account if necessary to meet expenses of revised budget. Motion was made to amend recommendation to include a repayment schedule. Messengers approved the amended recommendation. A motion was made by Curtis Tyler, representing the Finance and Mission Committees to ask associational churches to give to associational missions on a percentage basis of undesignated receipts: 4% in 1986; 4-1/2% in 1987 and 5% in 1988. Motion was amended to ask churches to respond to the association as to the % of their budgets to be given to the association and a dollar amount also one month prior to annual budget meeting of the association. A final recommendation from the Committees on Finance and Missions regarding a special offering for associational missions was tabled until the October associational meeting.

History of Glen Hope Baptist Church

Glen Hope has been named the church that was built where the people were. When Rev. Martin W. Buck, pastor of Burlington's First Baptist Church, visited the Burlington Mills community in 1924 he found families settling there who were in need of a church home. Yet, it was not until 1925 that the interest of people in that area was aroused for religious needs, and after a census was taken by Bob Councilman who was a Wake Forest student assisting Rev. Buck in Summer work, it was found that some forty Baptists were living in the community.

At this point, working conditions with the Burlington Mill units being closed, brought about the disbanding of the early start of the church which had seen groups meeting in homes, store buildings and Glen Hope School. Members of this initial body moved to the First Baptist Church, but seed had been planted. God honored the early efforts made for His glory.

On September 13, 1927 George W. Swinney brought his class of young people from Pomona Baptist Church in Greensboro, visiting the group that was meeting in Glen Hope School. Mr. Swinney was invited to preach, and it was from this meeting when one of God's servants com-

mitted his efforts to teaching the Bible that the reorganization of Glen Hope Church became stabilized. Among the early leaders were two outstanding women, Mrs. C. K. Buntton and Mrs. C. C. Brown, who influenced Mr. Junius Harden to donate land for the first tabernacle with Burlington Mills later contributing land for the present church building.

How white the fields were in the community! How God must have been calling for helpers to work in those fields when G. W. Swinney came to pastor the little congregation. The conditions were not favorable under which he accepted his job, but the desire in his heart led him to ride the bus from Greensboro many months to labor until he could move his family here. At that time there were no street lights or paved streets and conditions of the community, morally speaking, had given it the name of "Little Chigaco" due to the fact that people were migratory, coming and going, moving in and out with availability of mill work. Thus the church, even in its first months, became a lighthouse set in the midst of darkness. It remains a stronghold today, its light reaching out in all directions because of early residents who cared to keep alive the torch of the Master's love and compassion for a lost world. Beginning with 48 members, the years have brought steady additions to the fellowship.

The first brick building was constructed at the corner of Graham and North Avenue in 1931 with additions made five years later. A period of challenge, tears, and determination followed in 1949 when the building was destroyed by fire, but within a few months a new auditorium was completed and progress seemed to become a watchword from that day forward. What God had started, Glen Hope people were not willing to let die!

Glen Hope continued its mission efforts by purchasing a lot in 1959 on Sellars Mill Road where the Eastlawn Baptist Church was later built after the mission groundwork had been laid. Rev. Jack Clark, Associate Pastor at Glen Hope Church, was called as first pastor of the work at Eastlawn, and on February 28, 1962 he was relieved of duties along with 148 members of Glen Hope, this being the nucleus that was to form the current membership of Eastlawn. The beautiful chapel is named "The George W. Swinney Chapel" in honor of the first pastor of Glen Hope Church. The library there is named in memory of Curtis W. Oakes who was instrumental in beginning the mission work at Eastlawn.

The year 1970 marked major accomplishments in the church life: In order to communicate with each other in the fellowship and to keep members informed, the church began printing a weekly paper called "The Gleaner"; and with the sponsorship of a Boy Scout group, they sponsor both Boy Scouts and Cub Scouts with an addition built for their use on to the Fellowship Hall. In March the generosity of Christians for others surfaced in our church with the Altamahaw Baptist Church being granted a love gift of \$1,000.00 to lighten a financial strain. For the use of Glen Hope members, a new 44 passenger bus was purchased.

In 1976 a new addition to the present building was constructed for \$2000,000.00, providing a new pastoral study, music room, media center, trophy case, children's chapel and other conveniences. It was at this time that the Bob Fraziers, who first went out from this church in 1956 as missionaries to Indonesia, returned for another tour of service on the mission field.

Sadness came to us in 1977 when God called two of the most devoted servants, Rev. George W. Swinney who had served as pastor 42 years and Pastor Emeritus for 8 years, as well as Lonnie Rhodes who for 30 years had given his talents as Choir Director. During this period the church entered the ministry to shut-ins by purchasing tape recorders, taping Sunday services and delivering tapes weekly to homebound members.

By January 1978 the fellowship realized love can be shown in many ways, and when Maggie Pruitt, Jean Ross, Ruby Tuttle, Ruby Cross and Mildred Overman joined efforts with Reu Hudson from the Mount Zion office to "give life and love" to the first puppets, a completely new ministry was begun. The people were happy to learn that two young men who had grown up in Glen Hope but now living in Raleigh, Rev. David Horner and Dan Euliss, had started a mission under sponsorship of the Forest Hills Baptist Church of Raleigh.

The year 1979 brought many changes and happenings to Glen Hope, among them the decision by Burlington Industries to discontinue underwriting the church electric bill, a courtesy from this industry for the past 52 years. Members have deep gratitude for their helpfulness. Children sermons were put into motion by Dianne Keck, youth leader, who later led

the youth in a mission project with the Home Mission Board in Lynchburg, Virginia. A late summer furlough brought the missionary family, the Bob Fraziers, home from Indonesia. Special interest was shown in the first adult VBS at Glen Hope. The year ended on an encouraging note: the church goal for the Lottie Moon Christmas Offering was set at \$2,981.00, a dollar for every foreign missionary on the field, but the overall offering reached \$4,000.00.

In 1980 "The Gleaner" church publication now in its tenth year of activity, informed readers that BI was using the Fellowship Room as a pilot meeting place for a reading program provided their children. Women of the WMU during these months were busy working with Vietnam refugees coming to this area. News was received that Glen Hope, in contributing over \$5,000.00 to the Chapel Fund for the Retarded, had led the state in donations for "Lighting Up a Life."

May 1981 became a memorable occasion for Mildred Overman who retired after 35 years of Christian service with the church as secretary and Educational Director, also having been a leader in most phases of church life. Miss Cindy Whitesell assumed secretarial duties in April 1981. On December 20, the morning speaker was Dianne Keck Daniels who with her husband, Bane, was soon to enroll in Orientation School at Pine Mountain, Georgia prior to being sent as missionaries to Central America.

By 1983 the "Every Family Plan" was adopted by the church, a move which brought the *Biblical Recorder*, Baptist weekly publication, into every home of the membership.

Yet another "first" for Glen Hope came when the WMU was hostess for an autograph party in August with missionary members invited to an event that introduced them to the Mount Zion Associational WMU "Diamond Jubilee" history (1906-1981) written by Mildred Overman of Glen Hope, Minwall Hadley of First Church Burlington, and Mable Lassiter of Hocutt Memorial. Edna Smith of Northside Baptist, chairman of the Publication Committee, compiled the data for the book which commemorates 75 years of women's missionary work in the association. Glen Hope Church fellowship was elated to learn that legal barriers had been removed so Dianne and Bane Daniels on the mission field in Bogota, Columbia, had adopted a baby boy. Expressions of concern and compassion among the people here were put into action when the church voted to send a love gift of \$13,000.00 to South Babcock Baptist Church in Palm City, Florida honoring the Bob Fraziers, who have retired from foreign mission duties and are now living in Florida.

As the new year of 1984 came into reality, it meant many major changes in the life of Glen Hope: a time of reflection, a time of projecting plans for the future, a time of commitment. With the April retirement of Rev. C. C. Vaughn, pastor, who had become our shepherd following Rev. Swinney's tenure of service, the church faced for the first time in its history of 57 years choosing a new pastor for the flock.

Dr. Tom Graves of Wake Forest served as Interim Pastor until the Pastor Search Committee invited Rev. Warner Doles of St. John's Church in Raleigh prospective pastor to deliver the morning message on November 11, 1984. His first sermon as pastor was preached on December 10th with Rev. Bob Stephenson of Arlington Street Baptist Church, Rocky Mount called as Associate Pastor and Minister of Education. Another staff change came when Rev. Joe Bounds, Minister of Youth and Education in Aversboro Road Church of Garner, was named full-time Youth Director.

With new hands and new faces at the helm, the fellowship launched out into a program that encircled them in the same love for the Lord that has characterized the church since its beginning.

The year 1985 also brought an end to a long tenure of service by Mrs. Dan Horner ("Midge"), part-time director who for the past 46 years has served in some capacity of the Music Department. In April Mrs. Linn Pickens became part-time secretary of the church.

Since April 1984, 25 new members have been added to our number by baptism while 33 joined the fellowship by letter. Glen Hope is a cooperating Southern Baptist Church, strong in its beliefs, faithful in its commission to help support 3,000 missionaries on foreign fields, 2,000 home missionaries, Homes for the Aging, hospitals, Children's Homes, Baptist educational facilities and other Southern Baptist Work.

The theme of the past for Glen Hope continued to be the watchword for the future as they move forward as God's servants, living so that they may carry His love and compassion: "Every hour of the twenty-four, somewhere this church is preaching, teaching, building, healing and ministering." This will continue to happen as members give of themselves in devotion to sending the gospel around the world and living it here at home.

Director of Missions Report

Charles Dickens, the English novelist, begins his novel, *A Tale of Two Cities*, with the following phrase: "It was the best of times, it was the worst of times..." Dicken's paradoxical phrase is an apt description of the associational year past.

In many ways last year was our best since I have served as Director of Missions. We had more mission activities within our association and more people involved in local missions than at any time during the past six and one-half years.

Our prison ministry has reached and involved more and more people from our churches. A new ministry that started this past summer has continued to involve more people from our churches as we have attempted to establish a witnessing presence in the market place. As many as 20,000 people pass through a large flea market in our association, and our churches are represented there offering Bibles, Christian literature, a listening ear, and a valid evangelistic witness when opportunities permit.

A significant number of people — adults and youth alike — have worked hard this past summer to enable us to have a base for ministry to hundreds of truck drivers and other highway travelers who come through the area of our association daily. This ministry is hardly ready to begin, but already a significant group of people from several of our churches has made a commitment to it. All this has and is being done without one penny being used from budgeted funds of the association.

Church training and development programs have not been all that we had hoped for, but specific plans are underway to provide desired training and development opportunities for our church leaders.

One significant aspect of this effort is the starting of our Center for Continuing Christian Education. This is a fledgling ministry, but we believe that participation will increase, and that more and more of our people will become involved. Courses in Old and New Testaments, Baptist History and Polity, and other biblical courses are being offered — all at no expense to the association.

Meanwhile, new mission needs continue to come to our attention. There is a crucial need for some kind of overnight accommodations for the street people of Burlington and surrounding areas. We are trying to discover ways that our association can cooperate with other Christian groups to address this need.

Much planning and cooperation have gone into preparation for our World Missions Conference beginning October 27, 1985 and continuing through November 3, 1985. Thirty-one of our churches are participating, and we anticipate an excellent conference. It is our hope, among others, that the World Missions Conference will enable us to have the largest Lottie Moon Christmas offering for foreign missions ever.

An essential part of our associational responsibility continues to be fulfilled through the varied ministries of the associational office.

The one problem that demanded much of our effort and time last year was the lack of funding for our combined ministries. Last summer we had to request emergency assistance from our churches in the form of a special offering. We were reluctant to do this, but the special offerings were literally lifesaving.

A special associational meeting on September 9, 1985, was devoted to the management of our limited financial resources. Significant and far-reaching recommendations were presented by the Finance Committee. Some of these recommendations were received warmly and approved with genuine concern and understanding. A recommendation to encourage our churches to give to associational missions annually an amount based upon a percentage of their anticipated undesignated receipts was approved. It was suggested that churches give to associational missions an amount equal to 4% of undesignated receipts during 1986, 4-1/2% during 1987, and 5% during 1988 and thereafter. The transition from traditional bases for giving to associational missions will not come at once. Nor will it be easy for some of our churches to accomplish. But it does point the way for our future, and we urge each church to give it fair consideration and conscientious effort.

If our churches respond to this recommendation, we shall, within a few years, reach the time when there will be adequate funding for all of our associational mission needs.

One other recommendation is pending. It is a recommendation concerning an annual offering in the month of May for associational missions.

These recommendations have but one purpose: to place the association on a sound financial basis, and to insure that legitimate missions needs within our association are responsibly addressed within the limits of our resources.

Somehow, local missions have never held the attraction for Southern Baptists that missions done in some other geographical location have attained. To go to some other place to do missions or to send financial resources for mission causes in foreign countries has always offered an irresistible motive to Baptists for mission giving. I'm glad that this is true, and I don't want to see it change. But, as I view our entire missions responsibility, I am convinced that we must give more attention and allocate more resources for local missions.

Our Lord said that we are to go into all the world and teach and make disciples. However, I wonder whether we have not given too much attention to geography. Jesus also said that we are to begin in Jerusalem (our local area) and from there reach the whole world.

I urge our churches to recognize that in the teaching of the New Testament there is no essential difference between missions done locally and missions done elsewhere. Whether missions are done in our own back yard — so to speak — or whether missions are done on the far fringes of the earth, there is no essential difference in their validity. To be sure, there is a proportionate difference, but not an essential difference. I believe that our acceptance of this basic and Biblical truth will give us a new appreciation for associational missions.

Also, it will help us if we keep in mind that geographical boundaries are not the only barriers that we are called to cross in sharing the gospel. There are also cultural, and social, and economic, and racial barriers to cross. Sometimes these boundaries constitute a greater emotional distance, and therefore are more difficult to cross than are their geographical counterparts. If, and when, this happens, a new day will dawn for associational missions.

In conclusion, a special word of thanks is due everyone who has shared in and been supportive of associational missions this past year. The associational steering committee for our World Missions Conference has done a superb job. The associational staff and a host of other people are due my appreciation and gratitude, and I record my indebtedness to them.

It has been my high privilege to serve as your director of missions for six and one-half years. That I have had to learn much, and that I have much yet to learn, is all too obvious. Yet, I thank God for the privilege, and I thank you and our churches for the trust and support that have been — and still are — unfailing resources. I am honored to serve our association as director of missions.

J. Howard Silver

Missions Committee Report

The Missions Committee continues to meet regularly and to become involved in new mission ideas and opportunities for our area.

We have seen a beautiful mobile home, completely renovated and paid for by many concerned Christians, now situated on a site at the Red Horse Truck Stop. The possibilities for ministry here are tremendous. We are thinking and praying about how we can best utilize this facility to minister in the name of our Lord.

We have also seen the beginning of a new ministry at the flea market located just off I-85 and the Buckhorn Road. The Lord has opened this door and we must enter for what He has in store for us in the way of witnessing and ministry.

Other possibilities for ministry are becoming visible around us, such as a ministry to the street people in downtown Burlington. This need is greatest in the winter months since many of these people do not have a place to sleep at night. We are looking now at the possibility of providing a place where these people could have a warm place to sleep for the night and be served a light breakfast. This might be a cooperative effort with other churches than those in the Mount Zion Association.

The Missions Committee will continue to look at the goals for our association which emerged from the long range planning which took place last year. I believe that those goals were revealed by the Holy Spirit as the general direction which God wants us to take in the near future through the cooperative efforts of the churches of our association.

We must get a vision of lost mankind in our area as being in need of the Saviour, and diligently seek God's guidance as to how to find ways and means to minister to their needs, both physical and spiritual.

The Missions Committee welcomes suggestions from our churches regarding possible ways that the committee may assist them in responding to mission opportunities within their communities.

Respectfully submitted,
Maynard Ellington, Chairman
Missions Committee

Prison Ministry Report

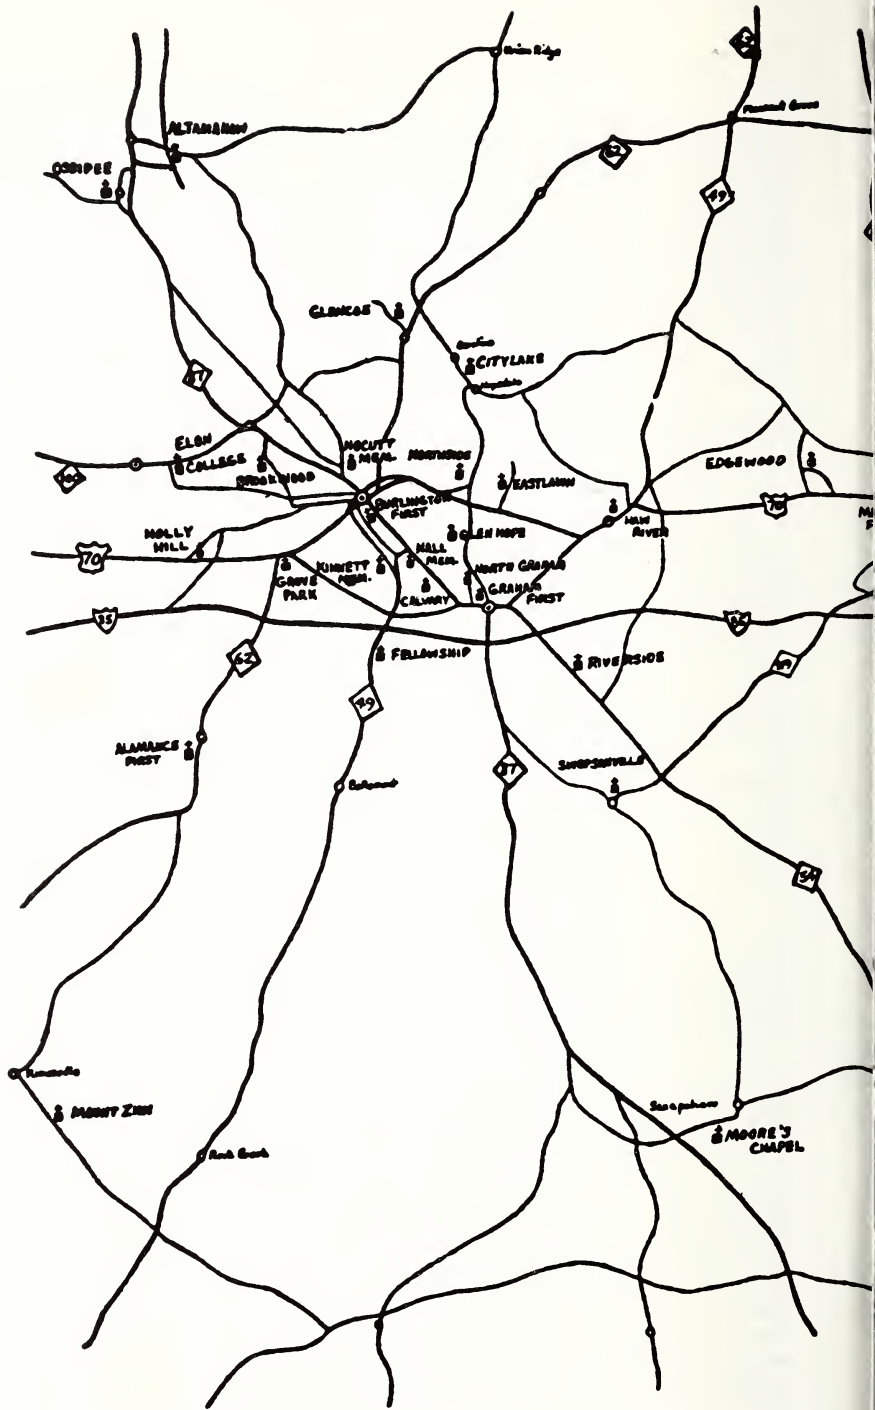

The prison ministry has continued to grow in the past year. Our work reached the hearts of inmates, staff, and families involved with the Alamance and Orange County Prisons.

This continued expansion can be seen in the many events which have occurred since our last annual meeting. Twenty-four church groups, a total number of nearly two hundred people, have expressed the love of God to about two hundred fifty inmates through the giving of the WMU Mission Action birthday parties.

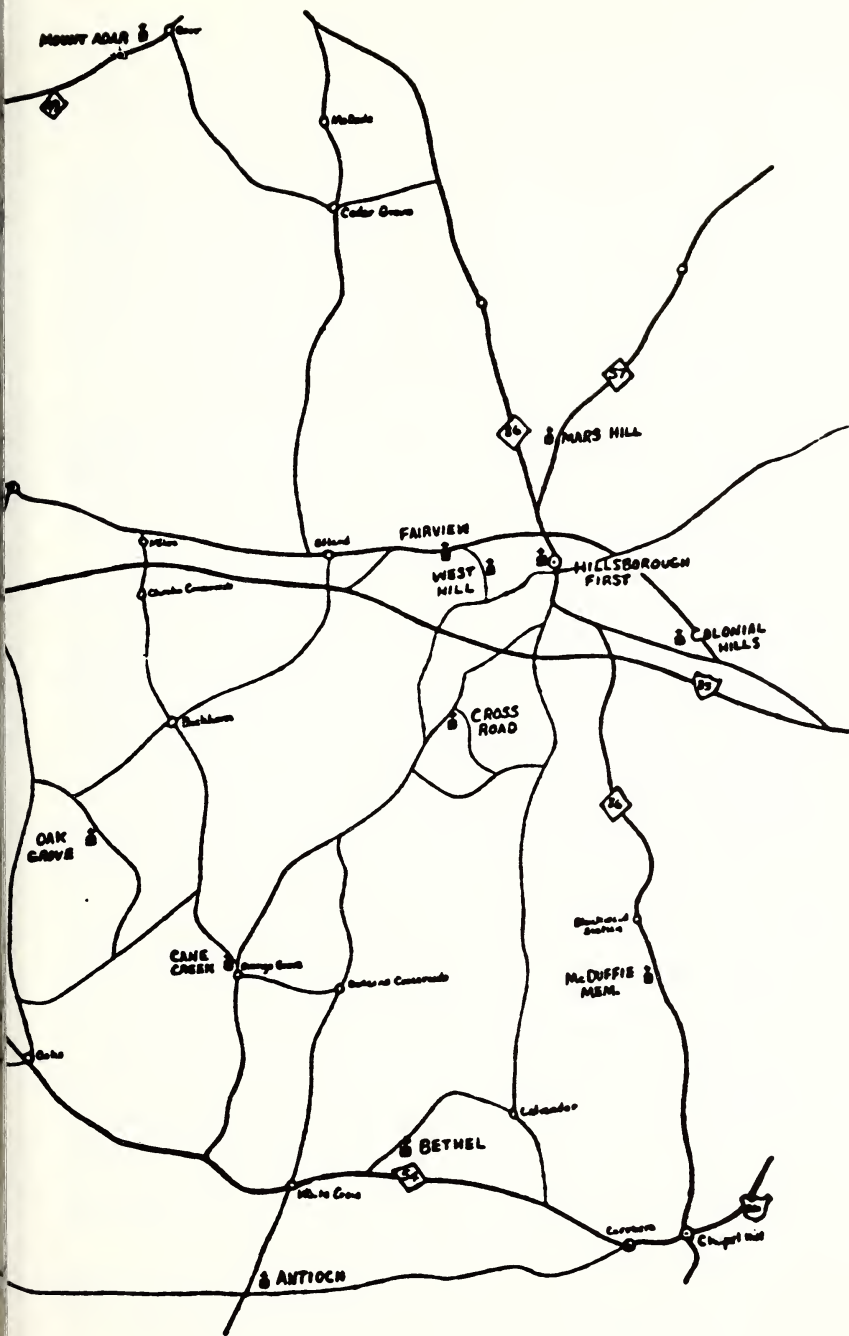

The growth of the prison ministry can also be seen in the participation of ten associational churches in the Sunday evening worship services at the prisons. In addition there have been twenty-six area church groups lead the inmates in worship during the past year.

Our prison chaplain position was increased from twenty to forty hours per week on January 1, 1985. This extra time has resulted in his speaking with over fifty church groups about the ministry. Representative groups of the United Church of Christ, the United Methodist Church and the Orange Presbytery have also been contacted about joining with us in the prison work. Two area ecumenical organizations have increased their support. Orange Congregations in Mission (OCIM) offered the inmates at the Hillsborough unit clothing items without charge. Allied Churches of Alamance County (ACAC) doubled their contribution to the chaplain's transportation expenses with an increase from \$600.00 to \$1,200.00.

The expansion to a full-time ministry has also enabled the chaplain to minister to a larger number of people in the past year. He delivered over sixty-five messages to inmates and area church groups. Over 1,000 visits were made to inmates, staff, and families. The inmates res-

Location of Churches in

ponded with their attendance at worship services, with an average of 30, by rededicating their lives to God, and through making confessions of faith in Christ. God's working through the prison ministry was seen in the lives of fourteen men who accepted Christ into their lives during the year.

We've seen a good first year for the work.

The future is unlimited, a second retreat at Camp Caraway with inmates and church members is planned for next February. Many area churches have responded to our lead in developing the prison ministry by expressing the desire to learn more about the work. In some cases this interest has resulted in contributions to the ministry for 1986. If the prison ministry is to continue to grow toward maturity, we must take the initiative as Baptists in challenging the area Christian community to help us shape, guide and support the work. Meanwhile, we must take seriously our immediate task of supporting God's work there until a strong foundation is laid in Alamance and Orange Counties.

Christian Social Ministries Report

The following is a summary of the 1985 associational social ministries that are touching the lives of many people in our community.

A Christian Social Ministries Workshop was held February 25, 1985. Those attending were able to participate in two of the following conferences: Literacy Ministry, Backyard Bible Clubs, Prison Ministry, Hospice, Single Adult Ministry, Flea Market Ministry, Domestic Violence, Suicide and Crisis, Food Pantries/Clothes Closets, Rest Home Ministry and OCIM.

The Burlington Literacy Group, sponsored by our association, continues to combat illiteracy in our community. Trained tutors teach one-to-one, adult non-readers how to read and write.

A new associational ministry began on Saturday, July 21 — the Flea Market Ministry, located at the Buckhorn Jockey Lot and Farmer's Market off I-85 at Buckhorn Road Exit. Participating in this ministry are adults and youth groups from associational churches who offer free Christian literature, a cold drink, Bibles, and if needed, a "listening ear."

Two Backyard Bible Clubs (BBC) were conducted by the First Baptist Churches of Hillsborough and Elon College in mobile home parks and apartment complexes in the Hillsborough area during the summer. Approximately 40 children were reached through this ministry.

The annual migrant picnic was held on Sunday, July 28 at the Bushy Fork Community Center with over 150 migrants in attendance. This experience enabled people from several races to be together in an informal setting. Such an experience helps people to bridge the gaps of separation and estrangement.

Many of our Baptist churches were involved in the 1984 CROP Walks in Alamance and Orange Counties. Over \$10,000.00 was raised by Baptists alone in these walks.

I would like to thank the churches of Mount Zion Baptist Association for supporting these various ministries through the offering of prayer, time and money. Many lives have been touched and changed through our cooperative efforts in ministry.

Robin Davidson, CSM Director

Brotherhood Report

Since becoming Brotherhood Director for the association, I have been busy attending meetings and conferences in order to become familiar with missions opportunities for the men of our Brotherhood within the association.

One of my goals for 1986 is to visit and get to know as many of our pastors and Baptist Men's groups as possible.

Another goal is to seek in every way to improve the Baptist Men's program in our association.

Another goal is to seek to begin an Annual Associational Brotherhood Breakfast meeting, to be held in December of each year, in order to give opportunity for fellowship with and encouragement of other Baptist Men.

The final goal is to encourage the Baptist Men of our association to take responsibility for our Truck Stop Ministry to begin soon.

Respectfully submitted,
Gerald Wilkinson

Campus Ministry Report

During the 1984-85 academic year, the Baptist Student Union (BSU) at Elon College ministered to 30-40 students on a weekly basis through devotionals, Bible studies, social activities, and retreats. On Wednesdays at noon, students came together to share a meal, and enjoy some singing and fellowship, and participate in a time of prayer and devotions. Aside from the Wednesday luncheons, a BSU program called "Encounters" was held on Thursday evenings. The programs involved Bible studies, concerts, and various programs dealing with issues that college students encounter.

A new experience for BSU this year was participation in a Spring Break Mission Trip to Bronx, New York. Four students from Elon College BSU along with students from Davidson County Community College BSU participated in this project during the week of April 8-13, 1985. They were involved in various mission activities such as: light construction work, day care activities, and involvement in ongoing prison and nursing home ministries. The mission experience had a life changing effect for all students that were involved.

I am thankful to the association for its sponsorship of BSU, to Susan Bennett, co-director of BSU, the BSU Council and membership, Herb House and Kevin Holland, faculty advisors, and the WMU of our association for preparing the Wednesday meals. Their faith and hard work has helped BSU grow and become what it is.

Sunday School Report

September 29, 1985 marked the close of the 8.5 X 85 Sunday School Enrollment campaign. By the time you read this report, we will know the results of our efforts as a convention. I hope you have all been blessed in leading your churches in new enrollments in Sunday School.

In the past year, we had several meetings designed to help us meet Sunday School needs in our association. Last November, at First Baptist, Mebane, we met with Pastors and Sunday School Directors to determine priority needs. As an offshoot of that meeting, Steve Hardy led in two Outreach/Witness Clinics held in May and June at the Holly Hill Church and the Antioch Church. Seventy-eight people attended these clinics, (representing 22 churches) and were challenged by the strength of Steve's presentation.

On November 7, at 7:00 p.m. again at First Baptist, Mebane, we will meet with Pastors, Sunday School Directors and anyone else interested in Sunday School work. At this meeting, we will project needs for the next 18 months, hopefully to culminate in an Associational Enlargement Campaign.

The campaign 8.5 X 85 is finished. But beginning October 6, 1985, a new effort begins. Challenge 10-90 seeks to enroll 10 million people in Bible study by 1990. It is a worthy goal, and one that is attainable. If we all work together, we can and will meet the challenge of a Sunday School enrollment of 10 million by 1990.

Respectfully submitted,
David Cooke
Sunday School Director

Ordination Committee Report

The Mount Zion Association's Committee on Ordination met on July 14, 1985 for the purpose of examining Mrs. Charla Littell as a candidate for ordination to the Gospel Ministry.

It was the judgment of the committee that Mrs. Littell had potential for Christian ministry, was sound in her calling and that she exhibited the ability to perform the tasks of her calling. Therefore, the committee recommended to the First Baptist Church of Burlington that she be ordained into the Gospel Ministry.

Respectfully submitted,
Ralph E. Jones, Jr., Chairman
Ordination Committee

Church Training Report

Since last October several "firsts" have taken place in the area of Church Training in Mount Zion Association, or at least the first in a number of years. "M" Night was enjoyed by members of seven churches, and plans are underway for a great time at our second "M" Night.

A Children's Bible Drill was held in the association followed by participation in the State Drill. A MasterLife Interpretation Conference was conducted, and an area Doctrinal Seminar on the Doctrine of Christ was held in our association.

We should keep in mind that the Church Training Program has responsibility for teaching in five major content areas: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and Skill Development (leader training). All these are needed for a growing, maturing Christian or church. Let us prayerfully consider how our training, whether as an individual or a church needs to be upgraded or expanded.

Respectfully submitted,
Kathryn Ellington
Church Training Director

Evangelism Committee Report

Our focus for 1985-1986 continues to be "Good News America - God Loves You." The agenda for the remainder of this year, as well as 1986, is as follows:

- B. October 15, 1985 Regional Evangelism Conference for Pastors and Church Staff, Cutting Board Steak House - 10:00 a.m.
- C. November, 1985 Cultivation Witness Commitment
- D. "Good News America" Simultaneous Revivals - Mount Zion Baptist Association - March 23-30

The Evangelism Committee encourages all churches in the Mount Zion Association to give priority to these endeavors for spiritual awakening.

Harold G. Ball, Chairman
Place and Preacher Committee

Telecommunications Task Force Report

The ACTS Network, the Southern Baptist Television Network, is on the air in Alamance County, on Channel 25 of the Alamance Cable System. Plans are complete to have permanent, top quality equipment installed in the near future to insure outstanding television viewing.

The ACTS Board has been formed and Bobby Dobbs, Grove Park Baptist Church, is serving as chairman. Churches currently participating are Burlington First, Fellowship, Graham First, Grove Park, Holly Hill, and Swepsonville. Other Mount Zion churches are encouraged to join by contributing a dollar and a half (\$1.50) per resident member at the time joined and the same amount next year plus sending ten cents (10¢) per month per resident member to the Radio Television Commission of the Southern Baptist Convention. You may apply to join by sending your request to:

ACTS of Alamance, Inc.
Mount Zion Baptist Association
P. O. Box 798
Graham, NC 27253

The objective of the ACTS Board is to insert local programming into the Network as soon as the equipment can be purchased and put in place.

Due to the extensive time that had to be given to getting ACTS on the air, the Task Force is not prepared to offer any recommendation in regard to the Baptist Telnet.

Respectfully submitted,
Harold G. Ball, Chairman

Woman's Missionary Union Report

"My children, our love should not be just words and talk; it must be true love, which shows itself in action." (1 John 3:18 TEV)

This was our meaningful watchword for 1984-85. Our theme for Woman's Missionary Union was "By Love Compelled." WMU members have been active and involved in spreading the gospel of Christ. We are committed to letting our actions speak louder than our words. We may be the only witnesses some of our neighbors and friends know.

Our Mount Zion WMU was recognized as Distinguished at the state annual meeting in Winston-Salem. We are happy to recognize the following churches for their achievement in 1983-84:

<u>Distinguished</u>		<u>Standard</u>
Mebane, First (17 years)	Eastlawn	Cane Creek
Kinnett Memorial	Grove Park	Haw River, First
Fairview	Hocutt Memorial	Hillsborough, First
Glen Hope	Northside	Mars Hill
Altamahaw	Spring Street	
Burlington, First	Mount Zion	
Colonial Hills		

The 79th annual session of the Mount Zion Baptist Associational WMU met at First Baptist Church of Burlington on March 19, 1985 with over 230 registering. Mrs. Ruby Fulbright, missionary to Zambia was our foreign missions speaker. Special emphasis was on the First Baptist Church of Burlington's ministry to Guyana. We began our Centennial emphasis with a fashion show of 100 years of missions work in North Carolina. Miss Suthell Walker of the state WMU office shared about our enlistment goals. Others on the program challenged us to reflect and re-commit our lives to serving Him.

Mission Action projects included Elon BSU luncheons - weekly, migrant ministries, prison birthday parties and gifts, North Carolina Correctional institute Christmas gifts, crisis closets, rest home ministries, work at community food kitchen, literacy tutoring, and many others.

Baptist Women held a prayer retreat at Moore's Chapel. Acteens discussed Mission Action activities in September. Girls in Action held associational activities in April at Glen Hope and in September for a foreign missions emphasis and Tasting Bee. Mission Friends leaders met in February to discuss plans for the home mission study. Seven women from our association attended WMU Week at Ridgecrest in August and 30 women attended the state WMU annual session.

"Whatsoever...in His Name" will be the emphasis for North Carolina WMU's 100th birthday. As we reflect upon the past, we prepare ourselves for the future and the mission tasks God has for each of us. We are all missionaries. May God bless our World Missions Conference in the coming weeks within our association as we seek to serve Him.

Respectfully submitted,
Beverly Alford
WMU Director

Centennial Celebration

WOMAN'S MISSIONARY UNION

1886 1986

Woman's Missionary Union of North Carolina will be 100 years old on January 8, 1986. In January, 1886, Dr. Theodore Whitfield, pastor of First Baptist Church of New Bern and vice president of the Foreign Mission Board, went to Raleigh. While there he conferred with personnel of the State Board of Missions concerning the organization of Baptist women for united work for missions. As a result, the Woman's Central Committee of Missions was formed. On January 8, 1886, Woman's Central Committee of Missions held its initial meeting in the office of the editor of *The Biblical Recorder* on Fayetteville Street in Raleigh with Miss Fannie E. S. Heck as president, and Miss Sallie Bailey as corresponding secretary. This committee was the forerunner for Woman's Missionary Union, auxiliary to the North Carolina Baptist State Convention. Therefore, January 8, 1886, is considered the "date of birth" for WMU in North Carolina.

In 1886 Fannie E. S. Heck asked Sallie Bailey to select a motto for the newly organized Central Committee. Miss Bailey prayerfully searched the Scriptures and was divinely led to a clause in Colossians 3:24, "for ye serve the Lord Christ." This clause became the permanent motto of North Carolina Woman's Missionary Union. In the same letter Paul wrote to the Colossians the words from which the theme of the Centennial Celebration is taken - "Whatsoever...in His Name," Colossians 3:17. These words express the guiding principle and priority that must characterize all efforts and activities of the 100th anniversary of Woman's Missionary Union in our state.

Our Centennial logo, as it appears below, by Judy Graves LeCroy of Lexington, serves as a constant reminder of God's all encompassing love.

Just as the cross is central to the Christian faith, so it is the focus of the Woman's Missionary Union of North Carolina Centennial logo.

In this logo a cross is formed by the scriptural theme, "Whatsoever...in His Name," (Col. 1:17) as the horizontal piece, and the torch as the upright. The torch exemplifies Jesus, the light of the world. He has given us this torch, and our response is to do faithfully "Whatsoever...in His Name." Together the two pieces of the cross reach horizontally into every area of North Carolina and vertically to the poles of the earth.

The double fishhead identifies us to the world as followers of Christ. Surrounding the whole is a large circle symbolic of the all-encompassing love of God, which has been proclaimed by Woman's Missionary Union of North Carolina with dedication and integrity for a century.

Amazing growth has occurred during these one hundred years. To celebrate our heritage and to look forward to a glorious future, October 1, 1985 through September 30, 1986, has been designated as the Centennial Anniversary of WMU in North Carolina.

Edna J. Smith

Historical Sketches of Mount Zion Churches

Brief histories of Mount Zion Churches are recorded in the minutes of the years as herewith listed. The association historian suggests that every church in the association have copies of the associational minutes bound every 10 years and keep them in the local church libraries. This will make the minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our association has had historians almost from the date of its organization, still the clerk was notable to find the history of any church recorded in the minutes until 1921. Just why the sketches of other years were not recorded in the minutes is inexplicable.

At the 1874 session of the association, it was decided to elect a historian annually, the minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the 'Book of Records' of the Association." No trace of this book exists. The historical sketches from 1921 are shown in minutes as follows:
